

TOO PROUD TO FIGHT; SO RIGHT FORCE UNNEEDED

PHILADELPHIA, May 11.—President Wilson gave to a gathering last night the first intimation of what course the United States government will pursue in the situation resulting from the loss of more than a hundred American lives on the British liner Lusitania.

He spoke by implication but his hearers interpreted his remarks as meaning that while the United States will remain at peace it would seek to convince Germany of the injustice to mankind of the tragedy of last Friday.

"America," said the president, "must have the consciousness that on all sides it touches elbows and touches heart with all nations of mankind. The example of America must be a special example and must be an example not merely of peace, because it will not fight, but because peace is a real and elevating influence of the world, and strife is not."

"There is such a thing as a man being too proud to fight. There is such a thing as being so right that it does not need to convince others by force that it is right."

These remarks precipitated a tumult of applause and patriotic enthusiasm emphasized by waving of small American flags. The president made no direct reference to the Lusitania tragedy, but the audience did not hesitate to read the application of his statement.

Introduced by Mayor Blankenburg, who spoke in distinctly German accent, a welcome and an appeal for a simple allegiance to the United States the president carried forward the idea of the welding of foreign blood in the make-up of America by pointing out the true goal of right American citizenship to be a loyalty not to the country of one's birth but to the land of one's adoption.

In his peroration, the president aroused much enthusiasm when he said that he had felt that he ought not to be away from Washington and after coming he found that the gathering renewed his "spirit as an American."

Since the closed season for slash burning begins June 1, and extends to October 1 it is greatly desired by the Jackson County Fire Patrol association that all slashings in the county be burned during the month of May. Burning permits may be obtained, however, during the closed season and slashings disposed of at that time, but it is necessary to obtain a permit to burn and the conditions may be such that burning could not be done with safety to adjoining property.

Slashings turn into fire traps during the hot summer months and are a great menace to adjoining timberland. It is therefore desired to call the attention of all settlers, wood cutters and loggers to the assistance they can render the county by disposing of their slashings at as early a date as possible.

The Jackson County Fire Patrol association desires the co-operation of all persons who frequent the forests and by complying with this request they will also be complying with sections and 11, chapter 278, Oregon Forest Fire Laws, which provides for the disposal of slashings.

State Supervising Warden H. J. Eberly, Medford, will furnish any additional information that may be desired and assist in the burning of dangerous slashings. A marked copy of the Oregon Forest Fire Laws may be had free upon application.

WONDERFUL RECORD OF MAXWELL CAR

The recent utility run which was held in San Francisco under the auspices of the Pearson Motor Car company, excited a great deal of favorable comment for the Maxwell car, because of the wonderful economy record which was made in the 1000-mile test. That the limit performance of Maxwell economy and efficiency had not been reached at that limit is shown by the fact that this record has since been shattered and a new

OSCAR AND ADOLPH

Adolph Is Adopted by the Tribe

AT THEIR GAY PRANKS

record of less than one-half cent a mile has been established. This latest test was made under the auspices of the Lord Motor Car company of Los Angeles, Southern California distributors for the Maxwell car, at the suggestion of T. J. Toner, Pacific coast manager of the Maxwell Motor Sales corporation, who felt that it was only fair to the automobile buying public that further investigations along these lines should be conducted so that it could not be claimed that the average made in this city was the result of chance alone.

In the Los Angeles test the car was driven for a distance of 556 miles, and at all times was kept under the close scrutiny of some public observer. It did practical work. It carried a city salesman about the city; it carried a pleasure party to Riverside, and up steep Mount Rubidoux; it operated for a day as a jitney bus; it spent one day on a stage line; it carried an electrical inspector over his route for a day; and it performed other practical steady work, such as the average automobile buyer would expect from his purchase.

Applegate Saturday, May 15, is to be clean-up day at the creamery picnic grounds. All the people of the community are invited to be on hand early. Bring your teams, shovels, picks, hammers, scrapers and a mind to work. The ladies are requested to bring well filled lunch baskets. This will probably be the last get-together meeting before the 20th of May, and there are a number of important questions to be decided.

Wills Hyde and Edward Topping were on Applegate Friday and Saturday. Lester Layton invested in a new Ford Sunday. Mr. and Mrs. John Herriott, with Beatrice McKee, drove to Grants Pass yesterday.

Fred Surran has been out here on business for a few days. Lando Rose has been making daily trips to Steamboat. Alice Bingham made her folks a few days' visit last week. Those going to Medford from here Saturday were Edith Kubli and Ira Harst, Mrs. Maud Kubli, Mrs. Culp, Alice Pernoll, Mr. and Mrs. Fred Benedict, Glenn McDaniel, Mr. and Mrs. J. B. Herriott and Hermann Offenbacher.

Mrs. Culp has been a visitor at the Pernoll home for the past few days. Josie Wright spent Sunday night with Gladys Rose. Church services were held at the schoolhouse Sunday evening. Mr. and Mrs. Chester Kubli and daughter Lorna visited at the Pernoll home Sunday.

Edward Kubli, Billie Anderson and Leland Cantrill went to Squaw lake Saturday, returning Sunday. Applegate is fast becoming famous for its visits of noted men. On Sunday Mr. Bryan spoke to a large audience at the schoolhouse and on May 20 Governor Withycombe is scheduled for an address at the annual creamery picnic and school field meet.

ANTIOCH ITEMS Dave Cotterill of the Meadows was looking after his stock on the range in this section and made your correspondent a pleasant call. Mr. and Mrs. Theo. Glass motored to town and brought home a load of machinery with their auto, saving a trip to town for it with a team.

Clarence Cade is hauling lumber from Central Point and will build a new bungalow on his ranch near the Antioch school this summer. Mr. and Mrs. Herman Terrill of the Meadows were Medford visitors this week. John Rodgers of Btagle has rented the David ranch for the year 1915. Jim Dinkens of the Meadows was a business visitor in Medford Saturday.

Some of our neighbors motored to Medford Saturday and enjoyed the dinner at the park and the movies at

the theatre. Everyone enjoyed themselves and voted Medford's first community day a success. Mr. and Mrs. Oscar Rodgers and family were Sunday visitors at Percy Chapman's on the Huth ranch Sunday.

Mr. Powell of Medford was visiting in Beagle this week. A number of the Medford residents motored through Antioch Sunday. A few loads of gravel were hauled on our roads in the worst places this summer. It would be a good thing for the roads and the traveling public next winter.

A number of our young people were visitors at the Table Rock literary society Saturday night. The cutting down of wages on the county roads work and in the orchards of this valley is sending the best of our young men out of the county to get work and most of them will stay away from a county that cannot afford to pay them living wages. They have not cut the high cost of living and the laborer has only his wages to live on. Most of our county officials and orchardists have got an income without their salaries and some of our orchard owners are wealthy men. Why don't they make a cut in the other direction and not make the poor man pay it all?

Beware of Ointments for Catarrh That Contain Mercury Mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescription from reputable physicians, as the damage they will do is too fast for the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co., Testimonials free. Sold by Druggists. Price, 75c per bottle. Take Hall's Family Pills for constipation.

NOTICE TO CONTRACTORS Sealed proposals, addressed to the undersigned at Jacksonville, Oregon, and endorsed "Sealed BID FOR REPAIRING BRIDGE," for repairing bridge across Antelope Creek about 2 miles south of Eagle Point, Oregon, in accordance with the plans and specifications on file in the County Clerk's office, will be received and filed until 10 o'clock A. M. May 20th, 1915, and at that time the County Court will publicly open and read all bids. Each bidder shall be required to deposit with his bid five per cent of the amount of his bid, which shall be forfeited to the county in case the award is made to him, and if he fails, neglects or refuses, for a period of ten days after such award is made, to enter into the contract and file his bond in the manner required by and to the satisfaction of the county court. A corporate surety bond will be required for the faithful performance of the contract in a sum equal to one-half of the total amount of the sum bid. The County Court reserves the right to reject any or all bids, or to accept the proposal deemed best for Jackson County. Dated this 23d day of April, 1915. G. A. GARDNER, County Clerk, Jacksonville, Oregon. 49*
