ENGLAND TO DRAFT MEN INTO ARMY: HEAVY LOSSES

LONDON, May 14 .- Viscount Haldane, lord high charcellor, in the house of lords today intimated that

spent an hour very pleasantly at the ident here was a member of the Pres- untary system of military enlistment and resorting to universal service throughout the kingdom.

This appears to confirm the idea prevalent here that while recruiting he cleared last year and his fine al- ford, also a comprehensive represen- has been satisfactory, the very heavy fighting which has taken place in Flanders, where the Germans have for almost a week been attacking with the greatest violence the British line, shows that many more men will be required if victory is to be at-

Thus far the British troops, ac cording to Field Marshal Sir John French, have withstood all the German onslaughts, and while at times they have been compelled to give some ground their counter attacks have brought them back to the position from which they started. However, this has been costly business, for the German artillery bombardment has been very severe and counter attacks are always followed by heavy casualty lists.
