

# Change of Management Sale

This sale has made satisfied customers, and that's what we started out to do. Many bargains found new owners the first few days of this sale. But there's still a plenty for hundreds of other economic shoppers, including as it does every article under this roof. You do not have to choose from a few odds and ends or broken lots, but this entire \$50,000 stock is at your disposal. True there are some unseasonable lots, but just notice the price when you see one of these lots to insure you the genuineness of this sale. But we need the room for other departments that are to be added, hence this stock must be reduced. Take a lesson in opportunity. Scan the list below, then come and see for yourself

NOTE---The May Dry Goods Co. did not purchase the Clothing Department of F. K. Deuel & Co., consequently that department is owned and operated separate from the Dry Goods Department
