An entertainment was given on Thursday evening at the West Side school, district 95. Unusual talent was shown by some of the pupils taking part. A play was given, "The Silver Thread," in which the little princess was stolen by goblins and rescued by the mother's lad, Cubert. The little princess was played by Dorothy Cook, who is a pretty, sweet child suited to the part. Cubert the hero, was acted by Carl Miller, who was fine in his wonderful acting. The Cook children, who are well known in musical circles, won the hearts of every one by their singing. Dorothy and Edwin rendered a duet called "Blind Pig" and were applauded so that they sang again "Scuse Me Today." Little Master Harwood Cook sang a beautiful ballad, "All Aboard for Blanket Bay," was called back and sang "Have You a Little Fairy in Your Home." We remember the Cook children as having sang at one of the local theaters. District 95 is fortunate in having such talent. After the entertainment ice cream and cake were served by the ladies and all departed reporting an enjoyable evening. Visitors were present from Medford, Central Point, Ashland and Talent, which just about crowded the school. Momentous Future in Woman's Mind

The expectant mother revolves in her mind all we understand by destiny. And it is of the utmost importance that her physical comfort be our first thought. There is a most splendid remedy for this purpose, known as "Mother's Friend." It is applied over the muscles of the stomach, gently rubbed in, and at once penetrates to relieve all strains on nerves, cords, ligaments and all parts involved. It makes the muscles so pliant that they expand naturally. And at the same time they are invigorated by the absence of harassing pains so apt to distress the mind. Whatever will add to the comfort of the expectant mother is a great and helpful influence since a calm and peaceful period must have a wonderfully beneficial impact upon the coming child. Get a bottle of "Mother's Friend" of any druggist and you will realize why so many women declare it to be the most helpful remedy they know of. Write today to Bradford Regulator Co., 223 Lamar Bldg., Atlanta, Ga., for a splendid book of great interest and value to every expectant mother.

SWEDISH-AMERICANS TO VISIT MEDFORD

The advantages of visiting the Panama-Pacific exposition as a member of a large congenial company of fellow countrymen, traveling on a special train, operated subject to their convenience, via of a selected route of the greatest scenic attractions, not a railway excursion, but a private "house party to see the west," led to the formation of the Swedish-American California club. The membership is composed of 100 persons. This train leaves Chicago June 1st. The following points are visited, Colorado Springs, Salt Lake City, Yellowstone, Los Angeles, Santa Catalina, San Francisco, (June 23-25), Medford 3 p. m. June 26. These people are well represented here by J. A. Westerlund, and upon their arrival automobiles will be waiting to show the party through the commercial orchard district, and a lunch served at the Holland. We believe the three hours spent in Medford will be much enjoyed by the Chicago people.
