

ASHLAND AND VICINITY

First Company, C. A. C., holding twice a week nowadays instead of weekly. This is not due to any war scare, but simply to get in readiness for the annual encampment at Fort Stevens June 15-28, at which gathering the local contingent will be well represented.

G. L. Ferguson, representing Metropolitan life insurance company at Medford, was an Ashland visitor Thursday, interviewing Local Manager Partridge.

There is a well-defined report prevalent here that something will be done at their Ashland mine in the near future. Washington parties, one of whom is a former resident, have taken over the property on a bond given to local creditors, and will go ahead with development work.

Rev. Ward MacHenry, former Presbyterian pastor here, now of Baker, observed Humanty Day, May 16, in a practical way. Barnes' Wild Animal Show Sunday in his town on that particular date, and Rev. MacHenry took occasion to write the manager and trainers to hold Sabbath services. The invitation was accepted, the attaches of the show were severally introduced to the audience, and the result was that there was a very interesting and opportune series of addresses on the humane treatment of animals by men who thoroughly know their calling and whose sentiments without exception found expression in behalf of kindness to dumb animals.

Mrs. W. Newell Wright, wife of the local S. P. ticket agent, returned Wednesday from a visit with relatives at Roseburg.

Ed Walcott, builder and contractor, has gone to Montague, Cal., to remain indefinitely on a carpenter job there.

The local Rebekah lodge held high carnival at Odd Fellows hall on Tuesday evening. The degree team gave a May shower in behalf of two prospective June brides, both school teachers, and who, in addition to being pedagogues, hold the two highest offices respectively in the Rebekah following.

A reported innovation in West Side school circles has been a countdown hour, the replies to which, especially from primary pupils, have been in certain instances rather more disconcerting than edifying to both teachers and scholars.

Although Ashland is just at present without a regularly constituted Iowa society, it is thought that members of the lapsing organization could be mobilized on short notice. This is mentioned in view of the rumor that the Hawkeye organization at Medford contemplates visiting this locality at the first favorable opportunity, in which event they will be heartily welcomed. The local society was in existence about three years, and during that period piled up a surplus of 76 cents, which amount is now safely deposited in the First National bank. Though defunct, the late association has some active workers, notably C. B. Lamkin and L. J. Orres, either of both of whom will drum up a contingent on short notice to make the visit of the Medford Iowans a pleasant one.

Bert Greer divorced himself from pipeline prospects and lithia effervescence last Wednesday evening, long enough to go to Eugene, where, on May 28, he participates in the second annual conference of the League of Oregon Municipalities.

Dr. D. M. Brower's family is packing up preparatory to moving to Myrtle Creek, where the doctor preceded them some time ago, blazing the way for a future permanent home in that locality.

The appointment of Chester Stevenson as springs commissioner has been ratified unanimously by the city council. The names of F. E. Watson, C. Lamkin and W. A. Patrick had been mentioned in the same connection.

Saturday, May 29, is the date of an auction advertised for closing out the equipment of the so-called Polytechnic school here, which closes its doors June 1. The name "polytechnic" is a misnomer and has been a handicap from the start, inasmuch as the school has been a commercial one from its inception, also a good one. With the installation of a commercial course, however, in the high school, the Polytechnic's days were numbered, notwithstanding the institution had been from time to time heavily subsidized by local business men, some of whom are now anxiously inquiring, "Where are we at?"

F. E. Welch, of Orono, Minn., has been here this week looking throughout the valley and investigating its opportunities for employment and investment. With the views of directors in the role of business, the school board entertained the teachers at a social reunion at Director Simpson's Tuesday evening. Several of the teachers who were not present to say in a rejoinder at the conclusion of the school term, sent their greetings in the guise of visit agents.

Lester Wright and party of three,

OSCAR AND ADOLPH

bound from Seattle to San Diego in a brand new Hudson 40, passed through here Tuesday. The driver stated that the trip would be made in spite of obstacles, and that there would be no recourse to train schedules under penalty of heavy forfeit.

Miss Frances Mulet left Thursday for an extended stay with relatives and friends in Portland.

SOME DON'TS

For Stomach and Liver Sufferers Don't take medicine for your Stomach ailments morning, noon and night, as usually such medicines only give temporary relief and simply digest the food that happens to be in the Stomach.

Don't permit a surgical operation. There is always serious danger in operations and in many cases of Stomach, Liver and Intestinal Ailments the knife can be avoided if the right remedy is taken in time.

Don't go around with a foul smelling breath caused by a disordered Stomach and Liver, to the discomfort of those you come in contact with.

If you are a Stomach sufferer, don't think you can not be helped; probably worse cases than yours have been permanently restored by Mayr's Wonderful Remedy.

Most Stomach ailments are mainly caused by a catarrhal condition. Mayr's Wonderful Remedy not only removes the catarrhal mucus, but allays the chronic inflammation and assists in rendering the entire alimentary and intestinal tract antiseptic, and this is the secret of its marvelous success.

Don't suffer constant pain and agony and allow your stomach ailments to physically undermine your health. No matter how severe your case may be or how long you have suffered—one dose of Mayr's Wonderful Remedy should convince you that you can be restored to health again. Mayr's Wonderful Remedy has been taken and is highly recommended by Members of Congress, Justice of the Supreme Court, Educators, Lawyers, Merchants, Bankers, Doctors, Druggists, Nurses, Manufacturers, Priests, Ministers, Farmers and people in all walks of life.

Send for FREE valuable booklet on Stomach Ailments to Geo. H. Mayr, 154-156 Whiting St., Chicago, Ill.

Mayr's Wonderful Remedy is sold by leading druggists everywhere with the positive understanding that your money will be refunded without question or quibble if ONE bottle fails to give you absolute satisfaction.—Adv.
