

FORMER MEDFORD PASTOR TAKEN FOR GOV. WITHYCOMBE

(From the Seattle Times.)
To have been mistaken for Gov. James Withycombe of Oregon and treated as such from Medford, Oregon, to Los Angeles, California, was the unusual experience encountered by Rev. R. W. MacCullough, Ph. D., pastor of the Tabernacle Baptist church, while recently en route to the Northern Baptist convention.

When Rev. MacCullough passed his former pastorate at Medford his old congregation pleasantly surprised him by meeting his train and showering him with roses, as well as presenting him with roast chicken and sufficient delicacies to last him until he reached Los Angeles. Passengers on the train, seeing these attentions, immediately concluded that their fellow-passenger was none less than the governor of Oregon.

Rev. MacCullough did not discover this, although he saw them pointing him out, until they were leaving San Francisco for Los Angeles. Some eastern pastors boarded the train and were told in whispers that the governor of Oregon was on board. One of them recognized Rev. MacCullough and came forward.

"Gentlemen," he said loudly so that the whole car heard, "I must disabuse your minds. This is nothing but a poor Baptist preacher!"

Whereupon a great laugh went up and Rev. MacCullough was quite a lion all the way to Los Angeles. While at the conference he had the distinction of preaching in the Knox Presbyterian church and addressing the students' bible institute. He will occupy his pulpit in Seattle tomorrow.

STREET RIOTING AGAINST GERMANS RAGE IN MOSCOW

MOSCOW, Friday, June 11, by mail to Petrograd, June 14.—Moscow for two days has been the scene of street rioting and anti-German demonstrations of a serious nature. The police have found it impossible to control the crowds and the people indulged their desires for looting and destruction until they were tired out.

The demonstration started because of an outbreak of illness among some men employed in a factory. This led to the belief among some of the lower classes that German sympathizers had poisoned the drinking water of this factory.

All day Thursday and until Friday morning the crowd looted and destroyed. Russian workmen demanded the dismissal of the German employes at the factory in question. This was refused, whereupon men began to gather, carrying Russian flags and pictures of the emperor and singing the national anthem. They moved in the direction of the central square of Moscow, their numbers swelling every moment. They were joined by the unemployed and a gathering of hoodlums.

German shops were selected in the beginning, but later the operations of the mob extended to every establishment or store that bore other than a Russian name.

GRIZZLIES HIKE TO SPARKS HEIGHTS

Twenty-two Grizzlies hiked to Sparks Heights, on top of one of the mountains just south of Jacksonville, yesterday afternoon, from which point a grand view of the valley and the Cascade mountains was had. Mount McLoughlin stands out majestically over the range to the east, while far to the north, by the aid of some fine field binoculars which several of the party carried were brought plainly into view two distant peaks, Diamond Peak, 110 miles away, and Union Peak, a few miles less distant.

Rocky cliffs were inspected, where many rattlesnakes are said to abound but they must have had warning or else scented the danger from the Grizzlies, for not one of them was seen by any of the party.

Not only did the hikers fail to "see snakes," but upon returning to the camp failed to find lunch. However, a systematic search through the adjacent brush and timber revealed the fact that Mrs. W. Grant and Mrs. G. R. Satchwell had come up later on their horses and, finding the camp unguarded, had hidden the lunch away and were watching from an adjacent thicket the scramble after the supposed miscreants who had stolen it.

The committee in charge of the excursion were: Mrs. Morrison, Mr. and Mrs. Cathart and E. G. Trowbridge. The next meeting of the club will be held at the public library Thursday evening, when business of importance to every member will be discussed.

These boys have been selected on the recommendation of the various county school superintendents because of the interest they have manifested in agricultural work, either in school or on the farm.

The following boys have been chosen to represent their respective counties, only a few of the county superintendents having failed to send in the names of their selections:

Jackson County—Kilmer Bagley, Talent; Philip Loud, Rogue River; Merle Wilhite, Persist.

Josephine County—Charles Hollowell, Grants Pass; Gordon Cochran, Merlin; Ollie Ainsworth, Murphy.
