

FRANCE HONORS COMPOSER OF MARSEILLAISE

Bastille Day Witnesses Ashes of De Lisle, Author of Revolutionary Hymn of Liberty Placed With Impressive Ceremony in the Hotel Des Invalides.

PARIS, July 14.—With impressive ceremony the ashes of Captain Claude Joseph Rouget De Lisle, composer of the Marseillaise, were placed today in the Hotel Des Invalides. Thousands stood with heads uncovered as the coffin upon a gun carriage of the revolutionary period passed under the Arc De Triomphe down the Avenue Des Champs Elyses across the Alexander bridge to the esplanade.

President Poincare, all the members of the cabinet, the presidents of the senate and chamber and the highest officials of the government marched behind the gun carriage while a detachment of dragoons led the way.

Cheers Greet Marseillaise

While the cortege was passing the hospitals in the hotels along the Avenue Des Champs Elyses, every balcony and window was filled with wounded men and in the dense crowds on the pavement many named soldiers and bronzed reservists, home on leave, saluted the hier and the president of the republic in solemn silence.

There were no cheers until the procession passed the Grand Palais, when the republican guards band struck up the "Marseillaise." "Viva Le France" and "Viva le arme!" shouted the crowd in a spontaneous burst of enthusiasm. A flotilla of aeroplanes, flying low, circled over the Arc De Triomphe at the start and followed the line of the procession to the Hotel Des Invalides.

"Wherever it resounds," said President Poincare, speaking at the Hotel Des Invalides, "the Marseillaise evokes the idea of a sovereign nation that has a passion for independence and whose sons, all of them, prefer deliberate death to servitude."

Speaks Universal Tongue

"Its striking notes speak the universal language understood today throughout the world. A hymn like that was needed to interpret in a war like this the generous thought of France."

"Once more the spirit of domination menaces the liberty of the people. Our democracy for many long years contented itself with works of police and it would have considered criminal or insane any man who would have dared to nourish warlike projects notwithstanding repeated provocations, and regardless of surprises at Tangier and at Agadir, France remained willingly silent and impassive."

President Poincare rapidly sketched the events in Europe leading up to the war, finding everywhere a deliberate purpose of Germany and Austria-Hungary "to provoke war for their own objects, as history will show."

CRATER LAKE TRAVEL BEATS ALL RECORDS

Notwithstanding a lull caused by several days of rainy and cloudy weather, Crater Lake travel still keeps its lead over last year, which broke all previous records. On July 11, the number of autos registered was 301, and the number of tourists 1665 as against 156 autos and 1092 tourists on the same date a year ago.

E. A. Welch who returned Tuesday from a visit to the lake with his family, states that the lake never looked more beautiful. Great drifts of snow still line the roads and the path to the lake winds its way through deep snow banks. The air is bracing and fine during the day but cold at night.

SUGAR FACTORY PROMOTORS COMING TO TALK ACREAGE

F. S. Bramwell, one of the promoters of the proposed \$800,000 beet sugar factory in the Rogue river valley will be in Medford within a week or two days, and his coming will inaugurate the fall campaign for the securing of acreage. The beet sugar committee, who campaigned for acreage last spring will again take charge. Increasing assurances are given by W. H. Gore by Mr. Bramwell in a letter received today. The epistle teems with optimism over the outlook, and states he will make an inspection of local conditions and that if conditions are favorable as reports indicate there will be no question about the building of the factory.

The beet sugar committee will hold a meeting in a few days to consider future plans. The letter is as follows:

Portland, Ore., July 13, 1915.
Hon. W. H. Gore,
Medford, Oregon.
My dear Mr. Gore:

Thanks for your favor at hand just now.

I have decided to run down your way at an early date and go over the matter of building of a sugar factory, but more particularly to examine the growing beets as I want to size them up in a general way. The samples received are so much better than I could have anticipated that it seems hard to think the beets generally are anything near as good as the samples sent me and yet Mr. Storey says the samples he sent me are not the best but what he calls an average. I have no reason whatever to doubt the word of Mr. Storey for he is a gentleman of high character and his word with me is worth 100 cents on the dollar and yet even so I can hardly imagine the stupendous growth the said beets have made and to be an average. I want to see what the worst beets look like. I want to find the weak places, then I will be in a position to give my word to Mr. Nibley and if favorable there is absolutely no question but what the factory will be built. So that unless all signs fail I will be on the ground in a few days. I have to go to Baker this week to be gone a few days then to your splendid country. In the mean time be good.

Very truly,
F. S. BRAMWELL.

ULRICH WANTS COUNTY CASH USED FOR WARRANTS

William Ulrich, the largest holder of county warrants in southern Oregon has filed a verbal protest against County Treasurer Fred Colvig, holding in the neighborhood of \$51,000 county cash on hand. Treasurer Colvig holds that by so doing he is complying with the state laws, which provides that \$48,000 must be held in the vaults for payment of the state's share of the taxes for the second half, and that \$6100 is held for payment of warrants, called but not turned in.

"Mr. Colvig goes upon the theory that no one is going to pay any taxes for the second period," says Mr. Ulrich. "That is absurd. It is easier for them to pay in the fall than in the spring. The state law provides that whenever there is \$1500 in the treasury warrants up to that amount should be called. By the way Mr. Colvig is acting he is impairing the value of our paper."

"Something ought to be done to Mr. Colvig so he would know where he stands. If I didn't have the reputation of being the meepest man in the county I would find out."

Mr. Ulrich said he held \$2200 worth of Klamath county warrants, which had been held up for three years by a federal injunction and did not know what would become of them or his money.

GEORGIA MOB SHOTS NEGRO

MACON, Ga., July 14.—A posse of citizens and county officers today shot and killed Peter Jackson, a negro, accused of killing three white men near Cochran, Ga. The negro had barricaded himself in his home and defied the posse who, according to reports, blew up the house with dynamite. Jackson, it was stated, continued firing after his house was dynamited, he then was shot down.

The dead are W. S. Hogg, night marshal; Lynn Sanders, farm supervisor, and Oscar Lawson, a farm hand.

Jackson, according to reports, was criticised by Sanders for work he had done, and the supervisor is said to have struck the negro. Later, it is alleged, Jackson accosted Sanders, drew a pistol and fired, killing him.

Hogg and Lawson went to Jackson's home today to arrest him when, it is alleged the negro fired upon them with a shotgun.

WAR TO END IN OCTOBER KAISER'S WORD TO BANKERS

LONDON, July 14.—The German emperor, according to the Times, in a speech to a deputation of bankers, who had insisted on an interview in order to point out to the emperor the financial difficulties of the situation and the grave risk attending the continuance of the campaign through another winter, stated that the war would end in October.

The bankers are alleged to have declared that even if the war was brought to an end immediately and an indemnity obtained, Germany's position would be difficult, but that if the war was prolonged the German empire would become utterly bankrupt. It was in reply to these representations, according to the Times, that the emperor is understood to have declared that the war would end in October.

DON'T EXPERIMENT

You Will Make No Mistake If You Follow This Advice.
Never neglect your kidneys. If you have pain in the back, urinary disorders, dizziness and nervousness, it's time to act and no time to experiment. These are frequently symptoms of kidney trouble, and a remedy which is recommended for the kidneys should be taken in time. Doan's Kidney Pills are a good remedy to use. It has acted effectively in many cases in this vicinity.

Can Medford residents demand further proof of merit than the following testimonial?

Daniel Platen, C. St., Jacksonville, Ore., says: "I can't forget how much good Doan's Kidney Pills did me. I suffered from weakness of the kidneys and all the disorders that go with kidney complaint. I ached all over. Doan's Kidney Pills soon fixed me up in good shape."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Platen had. Foster-Milburn Co., Props., Buffalo, N. Y.—Adv.
