

TEDDY PASSES THROUGH MEDFORD

The man whose ambitions split the republican party, and would have the country in war if in the presidential chair is en route to the San Francisco fair, and though he reached the centers of population in daylight, there was no hubbub. Seattle and Tacoma and Spokane made less fuss over him than the visit of the Chinese commissioners, and there were no crowds at any depot. Willamette valley towns gave him less than passing notice.

Roosevelt is scheduled to make a couple of speeches in San Francisco and other California points he will visit, visiting the cities where William Jennings Bryan lectured.

NEW TODAY
Hurrah for irrigation. Let's hope that all who want it will get it and that many will want it. But in the meantime let's not lose sight of the fact that this is a fine valley. We need not sit back and let the idle knock it. Speaking of irrigation, I can sell 120 acres for \$200 an acre; 100 acres for \$165 an acre, 200 acres for \$125 an acre, and 175 acres for \$85 an acre, and all have an abundance of gravity irrigation water rights fully paid up and secured, with soil as good and level as can be found anywhere, and all right here in the Rogue River Valley. If interested look them over.
