

EAGLE POINT EAGLETS

By A. C. Howlett

W. A. Galloway and family, Geo. P. Goule and family, and C. A. Myer and family, 14 in all, of Medford passed through here last Monday on their way to Crater Lake with teams taking their horse feed with them, and one of them had a cart attached to the back loaded with hay, grain, etc., but if Mr. Galloway gets through without a breakdown I will lose my guess. Among the company were Mrs. R. P. Hart of Iowa and J. C. Hillard of Montana.

The same day and about the same time Mr. and Mrs. W. B. Haines, Miss Bernice Haines, Mr. and Mrs. J. H. Dunn of Portland, Ore., and Mrs. W. H. Baetoes of Ashland, went through in an auto for Crater Lake.

During the time that the cashier of our Eagle Point State Bank, J. V. McIntyre was away, Mr. Treve Lumsden of Medford came out and attended to the business of the bank and later on Mr. Roy L. Mauls, also of Medford came out and remained until Mr. McIntyre's return.

Harrison Hess is helping the old Ashpole building that was built for a billiard and pool room and Mr. Ashpole intends to move his stock of hardware from where it now is into his own building on the main thoroughfare about August 30.

John Smith is now engaged in building a garage for Gus Nichols on Salt creek as Gus has fallen in line with the rest of the progressive farmers in that region and bought himself a Ford.

During my absence Von der Helten Bros. have been making some substantial improvements in the interior of their store.

Last Monday after I had written the Eaglets for the Mail Tribune I took a stroll down to the depot to see the new motor car that the P. & E. have had built to run on the line from Medford to Eagle Point. It is quite a handy arrangement and is so arranged as to carry about 10 passengers beside the engineer and conductor and room enough on the top to carry the U. S. mail and what baggage the average passenger would want to carry.

Among the passengers who came out was James Gillis of Medford, who spent the night with us and the next morning started for Fish Lake. Mrs. Robison of Sacramento also came out and spent the night with us. She was out demonstrating Valentines toilet articles for F. L. Heath.

The candy kid of Medford and his cousin Mr. Dobbe were here for dinner, also and so was C. A. Newstrom and Rudolph Pick of Lake creek and so was Miss Hazel Carlson. She went on up to Lake creek with Herman Myer, the mail contractor, in his auto. She is from Iowa and is engaged to teach school in the South Butte school district.

John Rader and wife have gone to Rancho prairie to spend a while on account of the warm weather.

Mr. and Mrs. E. E. Faulkner of Michigan have been visiting Mr. and Mrs. Fred L. Heath. Mr. Faulkner is the president of state board of pharmacy of Michigan.

Mr. Heath's son Frederic has gone to California to enter the University of California and his many friends here wish him abundant success in his effort to prepare himself for a business life.

John Owens and family and our daughter Hattie and Jud Edsall started Wednesday for Crater Lake in the Owens Ford.

While I was gone on my trip to California our mayor John Nichols, got himself into a bad box with a Ford. In trying to cross Antelope creek with his machine in pulling up the bank—I should have said that workmen are repairing the bridge on Antelope creek so that the traveling public have to ford the creek—the road was steep and rough and he being unaccustomed to handling the machine, got stuck and the more he tried to pull out the less progress he made and there was a lady there and the man was fixing something about their machine and the lady remarked that he did not seem to understand how to manage his auto whereupon he readily admitted that he was a novice at the business, whereupon the lady began to tell him how to handle it when he abruptly stopped her and suggested that she get in the machine and show him—I believe he is from Missouri—so she jumped into his Ford opened up the throttle and out went the machine, greatly to his relief. He says that he will always have a warm spot in his heart for that lady.

Lemon Charley and family motored into town last Wednesday.

Misses Mabel and Hazel Lawrence of Monmouth, Ore., cousins of Mrs. George Von der Helten are now visiting Mr. and Mrs. George Von der Helten and son Donald.

J. P. Hughes one of the Butte Falls merchants spent the night with us Wednesday and took the P. & E. car for Butte Falls Thursday.

Helena Chesler of Butte Falls is here at this writing taking orders for enlarged pictures.
