

### WIND BLEW 124 M PER HOUR, STORM WALL SAVES CITY

SAN ANTONIO, Texas, Aug. 19.—The storm broke over Galveston at 5:00 o'clock Monday afternoon. The wind blew water in from the bay, flooding the streets and cellars. Business men continued to work until nearly 9 o'clock removing goods to places of safety. At that hour, however, the water was from four to six feet deep in Market street and all who could sought refuge in the higher floors.

The wind, blowing from the north, continued to increase its velocity until about 2 o'clock. At that hour, it is estimated, it had reached a velocity of from 90 to 124 miles an hour. Meanwhile it had veered from the north around to the east and then came directly out of the south. It was this south wind, sending in the waves from the gulf to break against the sea wall which did the damage to the western part of the city and to the boulevard. At no time, however, say those who spent the night in the Hotel Galvez did the sea run clear across the wall. The breakers thundered against it, sending the spray high in the air and the waves broke over the wall with terrific force. So great was this force that the two granite monuments which were placed at the foot of Tremont street to commemorate the storm of 1900 were blown clear across this boulevard, a distance of more than 50 feet.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only Constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, Ohio. Sold by Druggists. Take Hall's Family Pills for constipation.
