GOOD PROGRAM AT COUNTY FAIR WITH BIG CROWDS

Fast baseball, good horse racing and an unusually strong exhibit of fruit and farm products are the chief attractions of the eighth annual Jackson county fair that opened officially Thursday afternoon to a good opening day crowd.

Today is Ashland and public school day, and the largest crowd of the week is in the city. Satiated for years with tiresome horse racing, the crowd yesterday was treated to one of the best and most exciting baseball games ever played in the Rogue River valley.

Medford defeating Roseburg in the last half of the ninth inning by the close score of 3 to 2. Bigbee, the University of Oregon heaver, pitched for Medford and Medley for Roseburg. Both were in good form.

In the last inning, with Bigbee and Wilson on second and third, Coleman slammed a grounder to second base, and before the ball could be fielded the winning run came over the plate. The game was practically errorless.

One of the surprising features was the work of Cuppie Earl Rabston, who called a ball on a Roseburg batter after he had swung with might and main at the horsehide. The decision was so amazing that the crowd hooted in unison. Everybody on the grounds saw the strike except the umpire, who said he did not see it. He called it a ball and refused to reverse the decision.

The same teams are playing this afternoon, with Welch pitching for Medford and Hargreaves for Roseburg.

In the harness races, after twenty minutes of fiddling around resulted in Comet winning the one-half mile free-for-all in 1:35 1/2. Halburn was second and Doc Helm's David Harum third.

In the quarter-mile running race Wade Hampton won over Bessie and Dixie Girl; time, 0:24 1/2.

Giles Gitzon won the first lap of the relay race with a lead of 13 seconds.

The work of judging the exhibits began this morning, and the first list of winners will be published tomorrow.

The program for Saturday is as follows: Music by Medford and Gold Hill bands.

Ball game, Medford vs. Roseburg. 1:30 p. m. Last game for \$200 purse. Class A; Gladys Robert, first, class B. Farmers' bike-up race, free for all.
