REGISTRATION DAY AT HIGH SCHOOL

Everything is busy around the high school building. It is registration day for all classes. All week Principal Moore, with assistant teachers in charge, have been busy enrolling new pupils and those taking irregular courses. The registration hall has been crowded since 9 o'clock this morning. Every indication points to the fact that the classes in all departments will be well filled. The freshmen classes are well filled. It is predicted that more than 100 freshmen will register with the school for the first time. The classes in both the high school and elementary schools will convene at their respective buildings Monday morning. After all students have registered a list of supplies will be given each child. An order to relieve the dealers and prevent needless congestion in the stores. The children of the Washington and Roosevelt schools are requested to buy their books and supplies before 12 o'clock. The Lincoln and Jackson schools will not buy their supplies until in the afternoon.

GOLD HILL BAND BOOSTS ROARING CAMP

Residents of Gold Hill advertising their annual fair next Saturday made a grand entre upon the fair grounds this afternoon, headed by a brass band, under the direction of Generalissimo Joe Beeman. Fifteen autos carrying citizens paraded the streets before going to the fair grounds. One of the features advertised is "Roaring Camp," a picture and frolic of pioneer times. Gold Hill has the reputation of being the best open-hearted entertainers in southern Oregon, and their fair will attract scores.

GOLD HILL DAY AT COUNTY FAIR SEES HUGE CROWD

Friday was the big day at the Jackson county fair, over 3000 people being in attendance—the record attendance for the eight years that the fair has been held. It was Ashland and public school day and the grandstand and grounds were packed with people. Another large crowd is scheduled for today, which will put the management on the right side of the ledger.

The chief attraction of the afternoon was the baseball game between Medford and Roseburg, the home team winning the best game of the season by the close score of 2 to 0. Big Al Caster was on the mound for Medford, and was right, pitching the best game of his career. He struck out fourteen men and allowed but two hits. Medford garnered ten hits, but Hargreaves' pitching for Roseburg kept them scattered over the nine innings. Caster fielded his position in A1 style, one man being caught at third by rapid fielding of a bunt and a quick throw. The baseball games, heretofore omitted from the list of attractions at the fair, are proving a magnet, and relief from the tiresome racing of the past.

In the running race Wade Hampton finished a nose ahead of Bessie Mills in the three-eighths event, and Reno won the quarter-mile event. In the relay race three seconds was out off Ray Gitzen's lead of thirteen seconds. Today a large crowd of Gold Hill citizens are in the city, accompanied by the Gold Hill band. In conjunction with the Medford band, they will furnish the music at the fair this afternoon.

OPEN STUDIO FOR VOICE CULTURE

Mrs. Ed Andrews, Miss Sadie Lacey and Mr. W. Cariton Jones, have opened a studio jointly in Room 1, College block for voice culture, musical kindergarten and violin. They have adopted the name of "The Andrew Studio." Frequent musical soirees will be held throughout the year in which the pupils will take part. Special attention will be given to ensemble work. Miss Lacey has been very successful in musical kindergarten work throughout the summer and will continue her classes during the winter. Mrs. Andrews and Mr. James have taught in our city for the last three years and their work is too well known to need recommendation.

VERMONT GOVERNOR VISITS MEDFORD INSPECTS HIGHWAY

Governor Charles W. Gates of Vermont and party, en route to the San Francisco exposition, were welcomed to Medford Saturday morning by the Medford Commercial club and former Vermonters, given flowers and fancy lunches and taken over the Pacific highway to Ashland, where they rejoined their train.

Accompanying the party were a delegation of the foremost highway engineers and builders in the United States, enroute to the Pan-American road congress, escorted by Sam Hill, all of whom were greatly interested in the paved road, which they pronounced as few equals in the country.

In the party were William D. Uhler, chief engineer of the Pennsylvania state highway commission; James H. MacDonald, for eighteen years highway commissioner of Connecticut; C. S. Luck, Herbert Spencer, C. S. Gosman, Ben Gates, W. T. Winn, A. A. Hall, C. D. Knight, W. T. Dunt, Mr. Headly, Samuel Hill and H. L. Bowly. There also are about half a dozen women in the party.

Cars for the occasion were furnished by C. A. Knight, L. A. Wakeham, John A. Westerlund, A. W. Stone, George Treichler and G. Putnam.

OBITUARY

The funeral services of Mrs. Katherine Williams, who died Thursday afternoon, September 9, at 4 o'clock at Sacred Heart hospital, were held from the Catholic church on South Oakdale avenue, Saturday morning, September 11, Rev. John Powers officiating. The interment was made in the Odd Fellows cemetery, east of Medford. The deceased was born in Asfeld, Germany, on September 10, 1865, and was 49 years, 11 months and 29 days old. Mrs. Williams came to America when she was 18 years old and was married and lived in Pennsylvania until 1909, when the family moved to Cottage Grove, Or. The deceased leaves three children to mourn her loss, one daughter, Flossie Williams, and two sons, Harry and Ellis Williams. Flossie and Harry Williams have made their home with their mother in Medford for the past three years, and Ellis is making his home with his grandparents at Cottage Grove. Mrs. Williams is also survived by three sisters and one brother in Germany.

Mrs. Carinda Ellen Sultmarsh, aged 60 years, 9 months and 6 days, for forty-five years a resident of the Rogue River valley, and well-known pioneer woman, died at the home of her daughter, Mrs. Mamie Venable, at Ruch, of dropsy, Friday, September 10. She was a native of Ohio and

DEAN OF MICHIGAN UNIVERSITY DEAD

ASHLAND, Ore., Sept. 11.—Dr. Karl E. Guthe, dean of the University of Michigan, died at a local hospital here early today following an operation, a weakness of the heart being the direct cause of death.

Dr. Guthe, who was 49 years of age, was noted as a scientist and was prominent in the educational field. He was in government employ for two years, a member of the faculty of Iowa, for four years, and dean of the University of Michigan for the last six years.

Local and Personal

John A. Westerlund left Saturday to attend the San Francisco and San Diego expositions where he is making fruit displays. He took 15 prizes at the county fair.

Mrs. M. M. Putnam and granddaughter Bruce returned Saturday from San Francisco.

Mrs. R. J. Conroy left Saturday for a visit to relatives at San Francisco.

GERMAN NOTE EN ROUTE

view that the United States was now facing the question of whether it is willing to let a court of arbitration decide if the submarine commander was justified in his act. The court, it is understood, would not be expected to touch the general subject of the legality of submarine warfare.

It was admitted today, however, that after sifting the evidence submitted in the affidavits by passengers and officers of the Arabic, a conclusion had been reached, but is not being disclosed. Secretary Lansing said there was no evidence before him to indicate that any one on board the Arabic had seen a submarine before the sinking of the ship.

Expectant Mothers Relieved of Pain

A most valuable help to women during this interesting period is a splendid external remedy called "Mother's Friend." It is applied over the muscles of the stomach, gently rubbed in, and at once penetrates to relieve all strain on nerves, cords, ligaments and all parts involved. It makes the muscles so pliant that they expand naturally. And at the same time they are invigorated by the absence of harassing pains so apt to distress the mind. Get a bottle of any druggist. CARRANZA WARNS COMMANDERS TO PREVENT TROUBLE

BROWNSVILLE, Tex., Sept. 11.—Carranza commanders on the border have been notified by their "first chief" General Carranza, that they will be held strictly accountable for any complications arising with the American government as a result of any overt acts by Carranza soldiers on the border. From an authoritative source it was learned that Carranza notified General Nafarrate, commander in Matamoros, that carelessness and inattention to troubles on the border will not be countenanced. Similar notification has been sent to General Alfredo Ricaut Carranza commander at Nuevo Laredo.

An agent of the Carranza government is said to have found that the Carranza commanders had not given enough attention to the troubles on the American side. A recommendation was made to Carranza for a transfer from Matamoros to the interior of two editors of local Carranza papers who have been writing incendiary news stories and editorials during the troubles.

SNOW IN HELENA, ICE IN DAKOTAS, HEAT IN GEORGIA

WASHINGTON, Sept. 11.—With snow falling in Helena, Mont., temperatures near freezing in North Dakota, Montana and northwest Wyoming, the hottest September weather on record in Georgia and heavy rains in the Great Lakes region, the country's weather today presented a wide variety.

Warm weather promises to continue in the south, but north of Virginia and east of the Mississippi cooler weather will come tonight and Sunday.

HELENA, Mont., Sept. 11.—A mantle of snow greeted the residents throughout northern Montana when they arose this morning. Low temperatures prevail throughout the north central and northeastern parts of the state and harvesting is at a standstill. Crops that have been cut and are still on the ground are damaged to a considerable extent.

An inch of precipitation was shown in the weather instruments in Great Falls. This fell in the last twelve hours. The minimum temperature at Great Falls last night was 26 degrees.

ANNOUNCEMENT
With the arrival of our stock of Savage Tires, Medford becomes a link in the chain of factory distributing depots of the Savage Tire Co.
Until a short time ago Savage Tires were sold through the regular channels of trade at prices usually charged for tires of corresponding quality.
By establishing distributing depots and eliminating several middlemen's profits Savage tires are now delivered at a lower cost per mile than any other tire.
Let us take a 35x4 smooth tread for example. The cheapest 3500 mile tire sells for \$19.05. The Savage on a 4500 mile adjustment bases sells for \$17.40—an actual saving on service rendered of \$7.08 on one tire.
The saving on other size casings and tubes is proportionate.
