COMMUNICATION To the Editor:

In answer to the Sun of the 24th inst. I wish to say that I have not any dead horses or cattle on my land or had a health nuisance on my dumping grounds. It has been buried over twice a week and more. This arrest was caused by the burning of a dead horse. There is someone stirring a stink in the neighborhood all the time, so I guess my time had come for them to take their spite on me. If they would attend their own business it would be better for all parties concerned. F. Y. ALLEN.

NO CESSATION IN ARTILLERY DUEL

PARIS, Sept. 25.—There has been no cessation in the continued artillery activity along the battle lines in France, according to the announcement given out at the French war office this afternoon.

Among the points mentioned where there have been artillery engagements is the Aisne district; south of the river Somme; north of the Aisne and along the canal from the Aisne to the Marne and in the Champagne district.

Continuing, the report says that a fresh German attack near Manhoff was completely repulsed. A squadron of French aeroplanes yesterday bombarded the railroad station at Metz.

In the Dardanelles the last week passed relatively quiet.

FORCE FRENCH TO PAY FOR GERMAN SACKS

AMSTERDAM, via London, Sept. 25.—The German military authorities at Lille, France, and Flanders have again clashed with the populace, this time over the refusal of Lille factories to make sacks for use by the Germans as sandbags for their defense works. Unable to procure the sacks, the German authorities notified the mayor that an amount equivalent to the output of the Lille factories would be manufactured in Germany and the rest of production assessed against the city. This was carried out, notwithstanding a vigorous protest. The strong room of the town was forced and 375,000 francs (\$75,000) was deducted from the civic funds.

FARMER'S WIFE BURNED TO DEATH IN FIRE

NEHALEM, Ore., Sept. 25.—Mrs. Frederick Eggleson, 30 years old, wife of a rancher living near here, was burned to death in a fire which destroyed their home early today. TY COBB LEADING BALL PLAYER

CHICAGO, Sept. 25.—Ty Cobb is the leading baseball player in the American league in four departments, batting, base stealing, scoring and total base hitting. The Detroit star has defeated his team mate, Sam Crawford, in the total base column with 261. He has established a record for the league in base stealing with 89; his batting average of .377 is unequalled. Orling of Philadelphia leads in home runs with six. Detroit leads in club batting with .265. Ruth of Boston is the best American league pitcher with 17 won and 6 lost.

The fall of Cravath, Philadelphia's heavy hitting outfielder, marked the work in the National league. He was tried for total runs by Doyle of New York, passed in total bases by Doyle and Hinchmann of Pittsburgh and retained only his home run honors.

DARING AUTO ROBBERS IN NEW YORK CITY

NEW YORK, Sept. 25.—One of the most daring of the numerous holdups by auto bandits that have taken place in this city in the last year occurred today when three men sprang from an automobile to a crowded sidewalk, blackjacked Charles Fried, a cashier, until he was unconscious, snatched a satchel containing \$2000 in cash and sped away.

The robbery occurred on First avenue between Seventy-eighth and Seventy-ninth street. The holdup was carried out with so much daring and speed that no attempt was made to intercept the bandits.

WILSON FAVORS TARIFF COMMISSION

WASHINGTON, Sept. 25.—President Wilson believes the full powers of a tariff commission are already lodged in existing organizations of the government, but if anything is lacking to give such powers efficiency he is in favor of doing it. The president made this clear in a letter to former Governor Cox of Ohio, made public today in reply to a letter in which the former governor advocated the establishing of the tariff commission.
