THE BEST FOOD

Can Be Spoiled by Improper Cooking

This is particularly true of Oatmeal. It takes over two hours to cook Oatment as it should be cookd-a fact with which most housewives are familiar.

And so few housewives care to go to the trouble of cooking Oatmeal hibit at the Oregon building, has been that length of time. They don't have to, NOW. There is one Oatmeal that is cooked for more than two hours at the mill before it is flaked. H-O ng for her home in Yreka, Cal., and we are up against the competition of is the ONLY Outmeal that YOU need

A food scientist blends the Oats for H-O and only the finest white oats are used. Only those kinds are selected which contain the proper amount of body-building elements. The result-H-O is a perfectly "balanced" food for every member of the family.

Notice the rich color of H-O. It is golden brown-the result of a special H-O process. You will be delighted to see how H-O Oatmeal bulks up when cooked. H-O Oatmeal is the most econom-

cal Oatmeal you can buy. The actual cost to you is less than one-half cent a dish. Sold in air-tight, moistureroof packages. All good grocers.

from this city, Ashland, Jacksonville, Central Point and other points.

The citizens in charge of the ocrasion give the promise that all visitors will be able to receive a "secnd helping" at the feast.

\$2,500 FREE PRIZES FOR BOYS AND GIRLS

EDISON DAY October 21st

Thursday, October 21, is the thirty-sixth anniversary of the invention of the electric incandescent lamp by Thos. A. Edison, the "Wizard of Clectricity." For this reason it will be known as EDISON DAY. We want to let the people generally know about Edison and his first jamp and about the marvelous lamp of today which has grown out of it-the EDISON MAZDA LAMP.

To get your assistance in telling the story of EDISON DAY, and to get people thinking and talking about it.

of EDISON MAZDA Lamps. These prizes in clude a \$275 Indian Motorcycle, a \$200 Edison Diamond Disc Phonograph with \$75,00 worth of records; bicycles, kodaks, hammocks, canoes, tollet sets, mandolins and many other fine prizes, each of them made by a firm with a reputation for QUALITY goods; also 2,000 \$1.00 Eveready Fountain Pens, Flashlights, etc.

Every girl or boy, eighteen and under, can have a share in this big campaign for brighter light in Medford; can have an equal chance to win one of the many prizes offered for selling the most MAZDA lamps, or, rather, the greatest total number of watts rated on the lamps sold.

The Contest Lasts One Month

The Contest Started September 21. You simply distribute some cards we will give you entirely free of charge. These cards when turned persons buying lamps any time between September 21 and October 21, EDISON DAY, counts points for you. The earlier you get started the more cards you can distribute and the more points you stand to win, so we, emphasize the importance of starting right away. There is nothing to buy or be responsible for. You all stand an equal chance. Cal lat once at our store, where you will be instructed how to proceed and keep your cards carefully and forward them at the close to headquarters, for this IS & BIG NATIONAL CONTEST.

Special Offer

Five per cent commission on sales will be paid in eash to the contestants whose names appear on the cards turned in through this store and 10 per cent will be paid the three having the largest amount of sales credited to them.

See us NOW and start tomorrow. All you need is a little pluck, so come in at once and get particulars-the rest will be ismple.
