

ASHLAND AND VICINITY

Ross C. Ellason and Miss Maple A. Payne were married at the residence of the bride's parents, Mr. and Mrs. C. T. Payne, 1410 Boulevard, Tuesday afternoon. The wedding was a ring ceremony, performed by Rev. W. J. Douglass, pastor of the Methodist church, in the presence of relatives of the immediate families, and was a quiet home affair, devoid of ostentations and display. Both groom and bride are graduates of the Ashland high school and are young people of sterling qualities, active in church affiliations and popular in social circles. Ross is the son of Mr. and Mrs. C. A. Ellason, well known residents here. The newly married couple left Tuesday evening for their home which will be across the border in the Canadian northwest, where the care of an extensive grain ranch awaits their coming. Their postoffice address will be Sun Dial in the province of Alberta. A most friendly demonstration attended their departure, inasmuch as a host of relatives and acquaintances were at the depot to extend congratulations and wish them bon voyage on life's journey as well as the specific Canadian trip.

Mr. and Mrs. Ira Shouley leave in a few days to pass the winter in southern California. Early in the week the Tom Simpson and Robert Neil families took a spin over to Yreka in their respective cars, accompanied by Mrs. Ellen Hargrove, and her daughter Anna. They left here at 8 a. m. returning home at 5 p. m., having remained in the Siskiyou county capital nearly two hours. The distance of the round trip is over 120 miles. They report the main portion of roads traveled very fair.

Mrs. Orpha Mack, of Bend, is here visiting the family of her brother, J. M. Denmore, residing on Ashland street. She is accompanied by her nephew, Bert Williams.

Mrs. Frank Dean, wife of a Southern Pacific engineer, is visiting her brother, Karl Nims, who is in the railroad service at Tracy, Cal., as assistant yard foreman at that terminal.

The new jail is being erected on the "inside inn" plan inasmuch as it is located within the fire department annex to city hall. The concrete work is completed and the steel has arrived for the cages, of which there will be three suites with bath, modernly appointed and surrounded by an open court. Manicuring will be done by attendants equipped with sanitary handpuffs.

Dr. D. M. Brower, local physician, author and publicist, temporarily stopping at Myrtle Creek in Douglas county, in a letter from a layman to the Oregonian, announces that "politics must be eradicated," and further demands an industrial form of government by the state.

Mayor Thompson of Chicago passed through here Tuesday morning bound for Portland. In his party were nine ladies and 45 men, 23 of the latter being county commissioners and aldermen of Chicago, accompanied by their private secretaries.

Elvidge McWilliams is at Cleto, Cal., engaged in a general merchandise store pending "watchful waiting" developments along the Mexican boundary. Railroad freight traffic through here of late has been the heaviest in tonnage in southern Pacific history, both north and south bound. As a result several additional freights have been placed in the service. On a recent date the heaviest train which ever attempted the Siskiyou grades went over the mountains. Shorter trains on speedy schedules are also in evidence occasionally, a notable instance having been 15 cars loaded with hops exclusively, eastward bound on limited time.

A Treacherous Trouble

Medford People Point the Way Out.

Kidney diseases are very dangerous. They come on silently, gain ground rapidly, and cause thousands of deaths that could have been prevented by proper treatment in the beginning. Nature gives early warnings of kidney disease—backache, twinges of pain when stooping or lifting, headaches and urinary disorders. If these symptoms are unheeded, there is grave danger of dropsy or fatal Bright's disease. Doan's Kidney Pills have earned a reputation for their effectiveness in kidney troubles, and are known and recommended the world over. Medford testimony proves the merit of Doan's Kidney Pills to our readers.

Frank Longwill, prop. confectionery store 192 S. Mistletree St., Medford, says: "For a long time I had all the symptoms of kidney and bladder trouble. I had severe sharp pains in my back, felt tired, it ached and run down all the time. The kidney secretions were unnatural and too frequent in passage. My rest was badly broken at night. Four boxes of Doan's Kidney Pills rid me of all symptoms of kidney and bladder trouble. I have had no cause for complaint since."

Freckles and His Friends

The local high school squad is getting down to business, preparatory to the game with Grants Pass on home grounds next Saturday. "Cliff" DeJman and Glenn Young are star players on the lineup. Prof. Hutcheson, coach and athletic director, who is guiding the destinies of the Ashland players, is from Purdue university, Indiana.

Clifford Jenkins, manager of the local gas office, and Charley Hast, of the Park garage, left Wednesday on a hunting trip. In the meantime Mrs. Jenkins will visit with relatives at Grants Pass.

Mrs. J. L. Sneed of McLeansboro, Illinois, has arrived here for a visit with the family of her son, O. H. Sneed. A little grandchild whom she had never seen is the particular magnet which draws here from the undulating prairies of the central west to southern Oregon.

Miss Nelle McCleery of Basil, O., a cousin of the Beaver-Yockey families, accompanied by her chum, Miss Spangler, of Columbus in the same state, are here for a brief visit with relatives on their way to the southern expositions.

The Messrs. Whitlach, father and son, accompanied by their families, arrived Monday from Albany, and unloaded stock and household goods, leaving the following day for Klamath Falls, having exchanged ranching and stock propositions in Linn county for like occupations in the Klamath section.

Bids will be opened here October 16 for the erection of a school building in district No. 54, located in the Dead Indian neighborhood. Interested parties can inspect plans at City Engineer Walker's office.

A little daughter arrived early in the week to gladden the hearts of Mr. and Mrs. Don R. Whitney. Weight the regulation one of ten pounds, not on the avoirdupois scale, but of the refined Troy specifications. The cost of the new Episcopal church at Medford having been published, the question arises if the amount was not really intended to read \$5000.

John Ruger, having quit his job at the S. P. roundhouse, has gone to Red Bluff with another railroad position in view.

Motor cars in Jackson county number 1110; motorcycles 98; duly accredited chauffeurs 99; dealers in autos 6, which is thought to be a small classification in the official returns. The county now stands fifth in the state in the number of cars owned.
