FLOUNCE ROCK FRILLS

Mr. and Mrs. Blanchard made a three days' trip to Central Point last week and another trip to Sams Valley. Mr. and Mrs. Pat Walker went to Central Point and Medford last week. Mrs. Walker remained several days to visit relatives and came home Saturday. James Embry came home Sunday with a recently purchased toning car. He started up Wednesday, but broke a wheel. Mr. and Mrs. Mansfield motored to Medford Monday. Mr. and Mrs. Chartran of Derby are visiting at T. B. Higginbotham's. James Peyton left Thursday for San Francisco to be gone some time. Wednesday evening the neighborhood young people came in a body to surprise Peeler's and Blanchard's and spend a social evening. This seemed to be one surprise party that was a real surprise. The evening was spent in guessing games, riddles and jokes and quite a few melons were consumed. Saturday afternoon the W. C. T. U. met with Mrs. Nelson Nye and elected officers for the coming year. The old officers were re-elected, with the exception of treasurer, and Miss Lillian Nye was put in place of Miss Lytle, who does not expect to be here. Mrs. Ayrant and Miss Pittman, both of Fort Klamath, were present as guests. Saturday evening there was an informal dance at Mr. Nye's. Messrs. James Embry, Lee Waddell

Mr. and Mrs. Gus Ditsworth, Hazel Ditsworth and Miss Porter were the guests of Mr. and Mrs. Carl Richardson Sunday. The mail was late Monday, caused from tire trouble. Mr. Embry started to bring him one from the plant and Mr. Embry's car blew out three inner tubes in making the six miles, so it was 2 o'clock before Mr. McKee left Peeler's. We probably haven't used the proper automobile terms, but this is about the sum and substance of it. Information for Lung Sufferers The makers of Eckman's Alternative will be pleased to send reports of recovery from tuberculosis and a booklet of interest to sufferers with information about diet and fresh air. Investigate this now. 2141 Washington Ave., Phila., Pa. "My Dear Sirs:—For two years I was afflicted with hemorrhages of the lungs, and later I was taken with a severe attack of pneumonia. When I recovered sufficiently to walk about the house I was left with a frightful, hacking cough, which no medicine I had taken could alleviate. It was at this time, March, 1912, that I started taking Eckman's Alternative. In a short time my cough was gone and I was pronounced well. I cannot speak too highly for the good it has done." (Signed) HOWARD L. KLOTZ. Eckman's Alternative is most efficacious in bronchial catarrh, and severe throat and lung affections and up-building the system. Contains no harmful or habit-forming drugs. Accept no substitutes. Retail size, \$1; regular size, \$2. Sold by leading druggists. Write for booklet of testimonials. Eckman Laboratory, Philadelphia. Price \$1 and \$2 a bottle.

SPECIAL TO WOMEN The most economical, cleansing and germicidal of all antiseptics is Paxtine A soluble Antiseptic Powder to be dissolved in water as needed. As a medicinal antiseptic for douches in treating catarrh, inflammation or ulceration of nose, throat, and that caused by feminine hygiene it has no equal. For ten years the Lydia E. Pinkham Medicine Co. has recommended Paxtine in their private correspondence with women, which proves its safety. Women who have been cured say it is "worth its weight in gold." At druggists, the large box, or by mail, The Paxton Toilet Co., Boston, Mass.

ONE DOSE RELIEVES A COLD—NO QUININE "Pape's Cold Compound" Makes You Feel Fine at Once—Don't Stay Stuffed-Up! Take It Now. Relief comes instantly. A dose taken every two hours until three doses are taken will end grippe misery and break up a severe cold either in the head, chest, body or limbs. It promptly opens clogged-up nostrils and air passages in the head, stops nasty discharge or nose running, relieves sick headache, dullness, feverishness, sore throat, sneezing, soreness and stiffness. Don't stay stuffed-up! Quit blowing and snuffling! Ease your throbbing head! Nothing else in the world gives such prompt relief as "Pape's Cold Compound," which costs only 25 cents at any drug store. It acts without assistance, tastes nice, causes no inconvenience. Be sure you get the genuine.

DRINK HOT TEA FOR A BAD COLD Get a small package of Hamburg Breast Tea, or as the German folks call it, "Hamburger Brust Tee," at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teaspoon full at any time during the day or before retiring. It is the most effective way to break a cold and cure grip, as it opens the pores of the skin, relieving congestion. Also loosens the bowels, thus driving a cold from the system. Try it the next time you suffer from a cold or the grip. It is inexpensive and entirely vegetable, therefore safe and harmless.

RUB BACKACHE AND LUMBAGO RIGHT OUT Rub Pain and Stiffness away with a small bottle of old honest St. Jacobs Oil. When your back is sore and lame or lumbago, sciatica or rheumatism has you stiffened up, don't suffer! Get a 25 cent bottle of old, honest "St. Jacobs Oil" at any drug store, pour a little in your hand and rub it right into the pain or ache, and by the time you count fifty, the soreness and lameness is gone. Don't stay crippled! This soothing, penetrating oil needs to be used only once. It takes the ache and pain right out of your back and ends the misery. It is magical, yet absolutely harmless and doesn't burn the skin. Nothing else stops lumbago, sciatica and lame back misery so promptly!

GLASS OF SALTS IF YOUR KIDNEYS HURT Eat less meat if you feel Backachy or have Bladder trouble—Salts fine for Kidneys. Meat forms uric acid which exerts and overworks the kidneys in their effort to filter it from the system. Regular eaters of meat must flush the kidneys occasionally. You must relieve them like you relieve your bowels, removing all the acids, waste and poison, else you feel a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sores, tongue is coated and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment, the channels often get irritated, obliging you to get up two or three times during the night. To neutralize these irritating acids and flush off the body's urinous waste get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine and bladder disorders disappear. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys and stop bladder irritation. Jad Salts is inexpensive, harmless and makes a delightful effervescent lithia-water drink which millions of men and women take now and then, thus avoiding serious kidney and bladder diseases.

"The Silent Voice" visualizes the romance of a gifted young musician, who finds his hopes of happiness thereby shattered in the death of his devoted mother, the loss of his hearing and the seeming perfidy of his
