

### JERSEY DEFEATS EQUAL SUFFRAGE 50,000 MAJORITY

TRENTON, N. J., Oct. 20.—Latest returns today on the state election yesterday indicate that the proposed amendment to the state constitution granting suffrage to women was defeated by a majority of more than 50,000. Returns from 1679 out of 1891 election districts give a vote of 133,657 for and 187,849 against the amendment.

Ocean county, which returned a majority of 300 in favor of the amendment, apparently was the only county carried by the suffrage workers.

The struggle over the suffrage question resulted in comparatively little attention being paid to the results of the other proposed constitutional changes, provided for an easier method of amending the state constitution and authorizing counties and municipalities to make excess condemnation in the taking of lands for public services.

Both of these proposed amendments were defeated by large majorities, according to latest indications.

Women workers for the suffrage cause said today that far from being dismayed by yesterday's vote, they were fired with greater zeal than ever. Plans were already under way, they said, to stir the state with a campaign which, if successful, would give women the vote in selecting presidential electors next spring by means of legislative action.

The anti-suffragists, however, profess to see in yesterday's result a settlement for years to come of the agitation for woman suffrage in New Jersey. Under the state constitution, as it stands today, a suffrage amendment cannot be again placed before the electorate for five years.

The two to one vote and more against suffrage in President Wilson's own precinct in Princeton was no surprise to suffrage leaders, who long before had conceded Princeton to their opponents. But for President Wilson's stand for suffrage, it is probable that the amendment would have been defeated by a much greater majority in this state.

### BULGARS PREPARE TO MEET RUMANIA

PARIS, Oct. 20.—The Saloniki correspondent of the Havas News agency sends the following dispatch under Tuesday's date:

"French troops having received orders not to pass the Bulgarian frontier, Strumitza has not been occupied by the allies.

"The Bulgarians are concentrating troops in haste in Dobrudja, supposedly because Rumania appears to be leaning more towards the entente. At the same time three divisions of Bulgarian troops are being concentrated on the Greek frontier."

### Today's Bellringer

According to Arnold Bennett a company of territorials were going through preliminary drill on Salisbury plain. Private Malloy appeared on parade with his shoes uncleaned.

"Private Malloy, fall out!" roared the sergeant.

"What do ye mean by coming here with dirty boots—like that?"

"Shure, sergeant," responded Malloy, "ye never saw a good soldier showin' a clean pair of heels, did ye?"

### AID THE KIDNEYS

Medford Sufferers Should Take No Further Risk

Why will people continue to suffer the agonies of kidney complaint, backache, urinary disorders, lameness, headaches, languor,—why allow themselves to become chronic invalids, when a tested remedy is offered them?

Doan's Kidney Pills have been used in kidney trouble over 50 years, have been tested in thousands of cases.

If you have any, even one, of the symptoms of kidney diseases, act now, for gravel, dropsy or Bright's disease may set in and make neglect dangerous. Can Medford residents demand more convincing proof of merit than the following:

### MEXICAN BANDITS SOUGHT ON BORDER

BROWNSVILLE, Tex., Oct. 20.—Posses and about 100 United States troops continued to patrol the border and search for Mexican suspects in the river district where a St. Louis, Brownsville and Mexican train was wrecked and robbed by Mexicans Monday night.

The killing of ten Mexicans captured by posses yesterday failed to allay apprehension of further trouble, as none of the posses claimed to have captured any of the bandit leaders. According to posses no trace of Luis De La Rosa, the chief of the bandits, has been found.
