

LOCAL AND PERSONAL

Boys of the North school district threw a wire over the high tension wires of the California-Oregon Power company on North Central avenue Wednesday, the resulting damage being \$150, chiefly to the machinery in the substation in this city. The names of the miscreants are being obtained. The wonder is that, as the school children toyed with the wire as they hung over the transmission line, using sticks with which to touch it, fatalities did not result.

There were sixteen classrooms on the three floors. At each end of the building wooden stairways led down from the two upper floors.

OUR YOUNG WOMEN

are so often subject to headache—are languid, pale and nervous—because their blood is thin or insufficient. They are not really sick and hesitate to complain, but they lack that ambition and vivacity which is their birthright. They do not need drugs—but do need the tonic and nourishment in Scott's Emulsion that makes richer blood, fills hollow cheeks, suppresses nervousness and establishes strength.

An Old, Family Cough Remedy, Home-Made

By making this pint of old-time cough syrup at home you not only save about \$2, as compared with the ready-made kind, but you will also have a much more prompt and positive remedy in every way. It overcomes the usual cough, throat and chest colds in 24 hours—relieves even whooping cough quickly—and is excellent, too, for bronchitis, spasmodic asthma, hoarseness and spasmodic croup.

A Big Success

The Free Concert Saturday night was such a success and so many people were unable to gain admittance that we had to repeat it on Monday night. Everybody was delighted with
