Chas. E. Loegus, of Macon, Georgia, now here, this being one of several visits he has enjoyed to this valley during recent years in a general tour of the northwest, observes that Rogue river valley is just now in a transition from the pioneer state of things commercial and industrial to a period of real, permanent and substantial development. The spirit of enthusiasm over the advent of commercial enterprises in this valley is a new thing, he remarks, in this usually quiet and restful region. It means that a new spirit will guide the destinies of the people in the farming districts of Jackson county hereafter.

OLDEST CHURCH IN ROGUE VALLEY HAS HOME COMING

An event of more than ordinary local interest, especially to church people, was the "home-coming" service held at Phoenix last Sunday in the oldest Presbyterian church edifice in the valley. Invitations were sent to all members, now scattered about the various communities of the valley and a few elsewhere, and they came from all directions, some from Ashland and others from Medford and other down valley points.

The regular morning service was conducted by Rev. Dr. Baillie. At noon the members were entertained at dinner given by local members. Memorial services were held in the afternoon, an excellent choir rendering good music.

Mrs. H. W. Frame read "The Chronology of the Church," giving a brief history of the local church and its development and read a list of the names of the first sixteen members, among whom are Mrs. Mattis of Ashland and Mrs. Van Dyke of Medford, both of whom were present. The old church was erected in 1873.

Mrs. Wm. Clyde, wife of one of the early ministers of the church, read interesting extracts from the diary of Father Williams, the first Presbyterian minister in Rogue river valley. It gave interesting scraps of history concerning the social and religious development in Southern Oregon.

Mrs. Marian Towne delivered the memorial address on "The Early Pioneers." It was a scholarly and instructive treatment of the subject and much enjoyed by those who were fortunate enough to hear it. Frank Van Dyke paid a tribute to

Mr. Clyde who occupied the pulpit of that church in 1881 and is still living. Mr. Hoxie read the "Life of Rev. Robert Ennis," who occupied the pulpit of the church at Phoenix for a number of years.

Mr. Fisher paid an interesting tribute to the memory of W. F. Towne and L. A. Rose.

Letters of regret were read from many members who were unable to be present.

A CHILD'S TONGUE SHOWS IF LIVER OR BOWELS ARE ACTIVE

If Cross, Feverish, Sick, Bilious, Give Fruit Laxative at Once.

Every mother realizes, after giving her children "California Syrup of Figs," that this is their ideal laxative, because they love its pleasant taste and it thoroughly cleanses the tender little stomach, liver and bowels without griping.

When cross, irritable, feverish or breath is bad, stomach sour, look at the tongue, mother! If coated, give a teaspoonful of this harmless "fruit laxative," and in a few hours all the foul, constipated waste, sour bile and undigested food passes out of the bowels, and you have a well, playful child again. When its little system is full of cold, throat sore, has stomach-ache, diarrhoea, indigestion, colic,—remember, a good "inside cleansing" should always be the first treatment given.

Millions of mothers keep "California Syrup of Figs" handy; they know a teaspoonful today saves a sick child tomorrow. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has directions for babies, children of all ages and grown-ups printed on the bottle. Beware of counterfeits sold here, so don't be fooled. Get the genuine, made by "California Fig Syrup Company."—Adv.

HALF MILLION FOR COLORADO FARMERS

(Sterling, Colo., Advocate.) Checks for \$503,000 were distributed among the farmers tributary to the Sterling sugar factory Monday. The checks were mailed on Saturday. About 600 farmers, from Beta to Julesburg, will participate in this big union as principals, while a large number of others will benefit indirectly.

This large amount of money represents payment for the October crops for the Sterling factory, and represents only a portion the farmers in this district will receive this season. The total amount that will be paid will amount to about a million dollars.

Nearly \$10,000 was paid out by the local factory last month for September deliveries, and there will be another payment a little later which will bring the total up to the million mark.

DRINK HOT TEA FOR A BAD COLD

Get a small package of Hamburg Broom Tea, or as the German folks call it, "Hamburger Brust Tee," at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teaspoon full at any time during the day or before retiring. It is the most effective way to break a cold and cure grip, as it opens the pores of the skin, relieving congestion. Also loosens the bowels, thus driving a cold from the system.

Try it the next time you suffer from a cold or the grip. It is inexpensive and entirely vegetable, therefore safe and harmless.
