The Knoll Crest orchard home of Mr. and Mrs. W. J. Elmer was the scene of a pretty wedding Wednesday evening, November 17, when Lester Fay and Mary Elizabeth Thomas were united in marriage by Dr. J. K. Baillie of Phoenix, who read the simple, but impressive, ring service. To the music of Lohengrin's "Bridal Chorus," played by Mrs. H. W. Frame, the bridal party took their places. The bride was preceded by Miss Mildred Elmer as bridesmaid and was given in marriage by her father, Mr. Thomas. The groom was attended by Clayton Elmer as best man. Following the ceremony, Mrs. J. M. Rader sang "I Love You Truly" by Bond, and later M. F. Sheets sang "Gypsy Love Song," by Herbert. On the screened porch, inclosed with canvas and beautifully decorated with laurel and Oregon grape, tables were arranged to seat the entire company, and a delicious wedding supper was served by the host and hostess.

The bride is a graduate of the Hood River high school, and her rare personality has endeared her to a large circle of friends during her two years' residence in Phoenix. A beautiful gift to her from the groom's mother was a laviliere fashioned from ear rings presented to the mother by her husband on their wedding day just forty-five years ago. The groom came to this valley five years ago from New York City, and all who know him wish him the abundant happiness and prosperity he so fully deserves.

The invited guests were: Mr. and Mrs. Boyer, Rader, A. Furry and children, C. E. Furry, Ward, Hughes and daughters, Norris, Johnstone, Rathe, Frame, Sheets and Ray Yost from Medford, Mr. and Mrs. Trowbridge and daughter and Mr. and Mrs. Crawford.

Miss Elzora Sauer entertained at the parish hall Friday evening with a linen shower for Miss Fiona Sauer. The hall was prettily decorated appropriately for the occasion. Niechoy, Merkle, Vance Boswick, Art Spooner, Roy McKeever, Wm. Mische, Freeborn Garnetson and Leath Noe.

The Parent-Teacher circle of the Washington school met Friday afternoon. Miss Coffin's third grad pupils gave a class demonstration of sight reading and ear training in music, both in which they showed exceptional ability and careful training. Mrs. Havins was unanimously chosen president of the circle. The circle feels fortunate in securing the leadership of so progressive a woman. The circle is grateful to Mrs. Aitkins for her services as president pro tem. Mrs. Neff, who was delegate to the state convention of Parent-Teacher circles at Corvallis, gave an interesting and instructive account of the meeting.

At its last meeting the Wednesday Study club had for its topic "The Peoples of South America." After a comprehensive survey of current events by Mrs. Alford, Miss Young read a carefully prepared paper on "The Native Indians." A paper on "The White Races and Languages," by Mrs. Sneider was both entertaining and instructive. This was followed by Mrs. Hollis' paper on "The Education and Religion of the People," which contained many facts of great interest.

The Alumni football hop which occurred Saturday evening, proved to be a huge success in every sense of the word. The affair was given in the new Seventh Co. armory, where the guests had all the privileges of the spacious club rooms, in addition to the large dance floor. The beautiful patriotic decorations installed for the governor's reception last month, had been retained for this occasion and were greatly admired by those who viewed them for the first time. A novel feature of the evening, was the addition of a banjo to the orchestra. This instrument was played by Mr. Herbert Alford. It is to be a regular feature of the music for the Alumni dances in the future, thus assuring the proper tang to the one-step, fox-trot and other "peppit" numbers.

Nearly one hundred of the younger set of Medford and Ashland combined to make this affair one of the most pleasing informal dances ever given in Medford.

The High School Parent-Teachers' circle met at the library last night. In the absence of Mrs. Kirby Miller, Mrs. C. O. Powers presided. They were disappointed in having a small audience, but those who did attend were well repaid and manifested much interest. Miss Venita Hamilton delighted the audience with a piano solo. Professor Moore, in speaking of the moral status of the high school student, said that much effort is being put forth to strengthen the high school student. He said that the pupil entered high school at the most impressionable age, therefore making it very necessary for them to come into personal touch with the teachers, which he said is the case in the school here. All present highly appreciated Mr. Moore's talk. Dr. Rollins of the M. E. church made a strong talk on how we should support and appreciate our teachers in the work they are doing, and said that the home influence sometimes is an obstacle in the teacher's way when it comes to character building. He said the home is the starting point and we cannot keep all the responsibility on the teachers' shoulders, but co-operate with the teacher and thus help these young people get the right start in life. A short discussion followed, which closed the program.

Expectant Mothers Relieved of Pain. A most valuable help to women during the interesting period is a splendid external remedy called "Mother's Friend." It is applied over the muscles of the stomach, gently rubbed in, and at once penetrates to relieve all strain on nerves, corals, ligaments and all parts involved. It makes the muscles so pliant that they expand naturally. And at the same time they are invigorated by the absence of harassing pains so apt to distress the mind. Get a little of any druggist. Write to Bradfield Regulator Co., 102 Laurel Big., Atlanta, Ga., for a fascinating book.

## "ROGUE SPRAY" STANDS FOR QUALITY

As Does Nearly Everything Else Made or Produced in the Rogue River Valley  
That "ROGUE SPRAY" Flour has quality is vouched for by a great number of housewives in Medford.  
Indifference to a Medford-made product is the greatest obstacle in the way of assured success for the Medford Roller Mills. Too many people do not consider their individual consumption of a home-made product as of any importance. It is a proven fact that a great many of those people who shout loudest for a pay roll and a Medford manufactured product are the very ones who do least to make these things possible—too much indifference.  
Below is printed the names of over 100 Medford housewives who are using "ROGUE SPRAY" Flour, and they are well pleased with it. Another list of new names will be printed later.
