ASHLAND AND VICINITY

Funeral services of Mrs. Augusta S. Neil, who died suddenly in San Francisco last Sunday morning were held at the family residence on the Boulevard Wednesday afternoon. An escort from Alpha Chapter, Eastern Star, attended the services. Interment was in Mountain View cemetery. The deceased was 58 years of age. Besides her husband, Leander Neil, she leaves three sons and two daughters. Elmo lives on the old homestead, east of town; Jesse in Portland, Ellis in Klamath county, Mrs. Edna Torrence at Hill and Angie at home.

The head camp, Modern Woodmen of the World, owns \$118,000 in Ashland bonds, classified as light, lithia and refunding. Also \$57,500 in Jackson county road and school bonds, and \$95,000 in Medford water and improvement obligations.

The Commercial club is still discussing the feasibility of leasing the McCarthy block in its entirety, in which venture it would receive the support of the Civic Improvement organization and its auxiliaries.

H. G. Gilmore and wife leave this week for a southern trip which will extend over the Christmas holidays. They go to San Francisco and Los Angeles. Mr. Gilmore has recovered from the effects of his recent accident caused by falling over an electric light pole. Anticipating even a suggestion from him, the Oregon-California Power company preferred a settlement, which was accepted as "eminently satisfactory," in the language of the professor.

The hotel committee of the Commercial club started an active campaign on Tuesday for subscriptions, stock or otherwise, in an amount sufficient to convert the Hotel Oregon into a modern, up-to-date house. The amount required approximates \$20,000. Present owners of the building pool their holdings in the enterprise. The committee members are: Rev. M. C. Reed, V. O. N. Smith and J. W. McCoy—one preacher and two bankers. Their slogan is, "If Ashland is to have a suitable hotel in all its appointments, citizens must provide it."

Among horticultural awards at San Francisco, Albert Johnson got a gold medal on Bryan strawberries, so termed because classified as 16 to 1; also a silver souvenir on peaches, a bronze one on Bose peaches, and a substantial recognition on Bing cherries. D. M. Lowe, a silver medal on peaches, and honorable mention on Bing cherries. H. H. Leavitt, bronze medal on currants, honor medal on Lambert cherries, with D'Anjou pears favorably mentioned. Honorable mention was made in behalf of W. G. Prescott for Maui peaches, and C. A. Peters for raspberries. One of the notable displays was made by Jim Graham and Paul Williams, who conducted the Patterson orchards, and for which they received an honor medal for Yellow Newtowns. These were the extra fancy apples displayed some time ago in Whited's windows.

Strenuous experience in keeping tabs on the awards made in the Oregon building at San Francisco resulted in the collapse of C. N. Ravelin, managing the display, who was sent to the hospital suffering from horticultural hallucination, his place being filled by H. O. Frohbach, substitute.

Fred Pemiston shot a Siberian goose recently while hunting near Bear creek. This wild fowl is unusual among the feathered species in these parts. It has been sent to Medford undertaking parlors to be mounted, and will be kept among other specimens of the taxidermist's art at Harry Hoeler's gift store.

Last Thursday Miss Lillian Patterson and Mrs. A. H. Prahl were among a party of thirty guests who dined at the Oregon building at San Francisco exposition grounds. The banquet was supplemented by a reception and dance, given as a concluding function of the exposition season by the state commission and Oregon Society of California. The repast was "a real home dinner," and the decorations were as beautiful as the "vittles" were sumptuous. Miss Flora Thompson of Jacksonville was also present.

Such well-known local characters as A. M. Durnal and Domenico Fabiano figured in the casualty list as recently reported by the state industrial commission. The former had a hand eat and the latter a bruised side.

Clinton Agler, son of D. C. Agler, the veteran conductor in the S. P. service, has gone to South America, his destination being Valparaiso, Chile, for which port he sailed from San Francisco recently on the Grace liner "Cuzco." His trip combines business and pleasure.

Granville Van Vactor, son of Mr. and Mrs. W. E. Van Vactor, a recent high school graduate, and who returned home from northern California some time ago on account of pulmonary troubles, has been operated upon for appendicitis and is in a critical condition at a local hospital.

The Elk's Thanksgiving ball occurs Thursday evening, with a banquet feature in their spacious dining hall, served by the Hotel Oregon, to the

Freckles and His Friends

accompaniments of orchestral music. E. R. Smith and Wilbur Livingston, relatives who have been visiting the E. P. Smith family here, started Monday on a trip to the exposition.

In 1890 the Odd Fellows grand lodge instituted the custom of awarding veteran jeweled badges to those of the subordinate organizations who have been members of the order for twenty-five years continuously. Since then 587 of such badges have been awarded. Nym Long of Ashland is the proud possessor of one, while Ed Farlow, George Stephenson and H. Evans are entitled to the distinctive honor, with Ed Phipps, Cliff Payne, Bill Myer and several others close in on the waiting list.

Local prospectors who have returned from the summer's mining development work in Siskiyou county report great excitement in that territory over the visit of emissaries of the United States Steel corporation, who are looking over the ground with a view of securing options on manganese ore deposits, the intent being to erect concentration plants and ship the products east. Callahan Gulch is especially mentioned as a productive field in this particular development.

GOLD HILL NUGGETS

Mr. and Mrs. H. D. Reed gave an informal dinner party in honor of R. P. Tucker's birthday anniversary Wednesday evening. The table was decorated with a miniature Japanese tea garden and lake, and was set for twelve.

About twenty friends of Mr. and Mrs. Charles Reed tendered them a very enjoyable reception at the home of F. W. Dodge, Friday evening. They presented Mr. and Mrs. Reed with a very handsome hand-painted china berry set.

The welcome stork paid a visit to Mr. and Mrs. Dick Robinson last Monday evening, and left a baby girl. Dick is employed as lineman for the C. O. Power company.

M. D. Bowers and Harry Porter attended the U. of O.-O. A. C. football game at Eugene, Saturday, from this place. Porter returned Sunday, so as to be in charge of the lumber shed Monday morning, but "Doc" Bowers visited with friends and did not arrive home till Monday.

Paul McKinnis, who has been visiting with relatives "back in Nebraska," for the past six months, has returned to his Sams valley ranch.

Mrs. William Dana spent last Sunday and Monday at Grants Pass with old friends.

George Lyman last week shipped two more cars of his choice Spitzenbergs to the New York market. One more car is to leave soon, which will make five car loads from his eight acre orchard, located about three miles north of Gold Hill.

Last week F. G. Guy and S. A. Dusenberry purchased the dairy equipment stock and business of the "Sleepy Hollow Dairy," from the Gold Hill company. Henceforth it will be conducted as the Locust View Dairy, from their adjoining ranches on Sardinie creek.

Great preparations are being made for the Thanksgiving mask ball to be held in the Pleasure Pavilion here. This is to be an especially enjoyable time for treading the light foot.

M. S. Johnson is enlarging his implement shed. Harry Harvey is employed adding a shed at the back for knock-down implements and wagons. Mr. Harvey formerly conducted a hardware business in this city, but for the past two years has resided in Ashland.

F. Dey and Clay Schrupp, employees of the Beaver Portland Cement company, were Medford visitors last Thursday.

D. M. Lowe, renowned as proprietor of an ideal farm, near Ashland, visited with his daughter, Miss Hazel Lowe, Wednesday. He had just returned from the Land Products show at Portland, where he took first prize.

The Rogue River Public Service corporation last Thursday received a centrifugal pump, motor and equipment. The pump is to be used in the coffer dam construction. "Do!"

OLD-TIME COLD CURE—DRINK HOT TEA!

Get a small package of Hamburger Breast Tea, or as the German folks call it, "Hamburger Brust Thee," at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teaspoon full at any time during the day or before retiring. It is the most effective way to break a cold and cure grip, as it opens the pores of the skin, relieving congestion. Also loosens the bowels, thus breaking up a cold.

Try it the next time you suffer from a cold or the grip. It is inexpensive and entirely vegetable, therefore safe and harmless.

RUB RHEUMATISM FROM STIFF, ACHING JOINTS

Rub soreness from joints and muscles with a small trial bottle of old St. Jacobs Oil

Stop "dozing" Rheumatism. It's pain only; not one case in fifty requires internal treatment. Rub soothing, penetrating "St. Jacobs Oil" right on the "tender spot," and by the time you say Jack Robinson—out comes the rheumatic pain. "St. Jacobs Oil" is a harmless rheumatism cure which never disappoints and doesn't burn the skin. It takes pain, soreness and stiffness from aching joints, muscles and bones; stops neuralgia, lumbago, backache, neuritis, sciatica, etc. Get a 25 cent bottle of old-time, honest "St. Jacobs Oil" from any drug store, and in a moment you'll be free from pains, aches and stiffness. Don't suffer! Rub rheumatism away.

QUIT MEAT IF YOUR KIDNEYS ACT BADLY

Take tablespoonful of Salts if Back hurts or Bladder bothers—Drink lots of water.

We are a nation of meat eaters and our blood is filled with uric acid, says a well-known authority, who warns us to be constantly on guard against kidney trouble.

The kidneys do their utmost to free the blood of this irritating acid, but become weak from the overwork; they get sluggish; the eliminative tissues clog and thus the waste is retained in the blood to poison the entire system.

When your kidneys ache and feel like lumps of lead, and you have stinging pains in the back or the urine is cloudy, full of sediment, or the bladder is irritable, obliging you to seek relief during the night; when you have severe headaches, nervous and dizzy spells, sleeplessness, acid stomach or rheumatism in bad weather, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning and in a few days your kidneys will set free. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys, to neutralize the acids in urine so it is no longer a source of irritation, thus ending urinary and bladder disorders.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia water drink, and nobody can make a mistake by taking a little occasionally to keep the kidneys clean and active.
