

LOCAL AND PERSONAL

The Medford Elks' Memorial service tomorrow afternoon, in delicate elaborate program, will be an event of rare interest and entertainment, full of the spirit of the brotherhood of man and eloquent in its fraternal appeal.

All the latest sheet music at 5c per copy. Music not carried in stock will be ordered for you at Hale's Piano House.

The poultry show people should begin the organization of their plans without much more delay. "Tempus fugit," may look, phrasologically, like a plea in print, but it means that "time flies p. d. q." A bunch of poultry lovers should get together and name somebody to make it his business to start the thing to going right and keep it going till chancery announces the dawn of the show day. It is too commendable a proposition to permit to fall by the wayside. It is the first step toward getting behind a big industry with a big boost.

When better insurance is sold Holmes The Insurance Man will sell it.

Scarcity of feed because of two seasons of drouth in this valley made it necessary to sell the major portion of the flocks on the Grampian hills herabouts. The loss went with the lot. It is said by those who ought to know that there are fewer cattle and hogs in and about Rogue river valley this fall than for several years. That means that there will be fewer in this valley for next year's market than for a long time. Sales of stock this year in this valley have amounted to more than \$200,000. What will the farmers do to make up the promised deficit next year?

Chocolate creams, caramels, chips, peanuts, etc., only 30c a lb. at De Voe's.

The man with some family help who cannot clear \$40 to \$50 an acre on sugar beets next year (if we get the factory) doesn't know how to cultivate them. He will have an abundance of assistance and instruction by those who do know how, as the company promises to engage practical sugar beet men to perform that service free of cost to the farmer. After the first year there will be no shortage of acreage for beet culture in this valley. It will be a valuable lesson for the farmers, an excellent thing for their farms and a mortgage destroyer of the most substantial kind.

All the latest sheet music at 5c per copy. Music not carried in stock will be ordered for you at Hale's Piano House.

Where is the report of the preliminary surveys of the water sources for irrigation in this valley? The farmers are becoming anxious about the matter. The weather so far this autumn appears to promise another season of drouth. The agriculturists and orchardists of this county can't figure their way through another year of "dry farming." They've not to have the water or take to the hills.

Something new. Personal, engraved Xmas greeting cards. See the line at Medford Printing Co.

Without poultry enough in this valley to supply the demand for the recent Thanksgiving feast, what will the people of the valley do for Christmas turkey? We might substitute 'possum and sweet potatoes, but we didn't raise enough sweet potatoes to supply the local demand—and we can't raise the 'possums. It begins to look like we'll have to label bear meat a delicacy and let it go at that.

Carpening and shop work, all kinds. C. E. Collins, 21 N. Bartlett, 228.

The Rogue River Canal company, the Southern Oregon Traction company and the mineral water development at Ashland have paid out and are yet paying out large sums of money to laborers for work on their respective projects this fall. Altogether it will aggregate half a million dollars. Suppose we had the beet sugar factory, a big sawmill, a box factory and two or three large fruit and vegetable canneries in the valley, also, to carry large payrolls. Wouldn't times be better? Those who feel the need of such industrial and commercial enterprises must acutely ought to be foremost in waging a campaign of aggression for them. Are they?

A committee was appointed by the chairman to formulate plans and report at the next meeting, Friday, December 10, in the library hall at 7:30. All citizens who are interested in a Y. M. C. A. should come forward now and back up their "I-told-you-so" proposition or forever hold their peace.
