# INSTRUCTIONS TO REGISTRARS FOR **NEW REGISTRATION**

the following instructions to registrars governing registration of voters which opens January 3: Instructions to Registrars:

30 days next preceding any general or primary election, or 15 days next throughout the county.

2. In registering electors, the card index system is used, and as the original card is a permanent record, eare should be taken to keep them clean and neat, and use either black ink or a typewriter in filling them out. TEXAS FATHER JAILED In case of error, do not try to erase any of the information given by the voter, but make out a new eard.

3. All blank spaces must be correctly filled in. Draw a line through headings not used, such as male, female. Cross out the one not used.

4. The full name of the elector must be given, viz.: John Paul Jones -not John P. Jones, nor J. P. Jones; and Mary Ellen Jones - not Mrs. John Jones, nor Mrs. J. P. Jones.

5. Blank "B" on the back of the registration eard is to be used in connection with the regular form when an elector has removed to a as a precautionary measure for fear many friends and others after ter there, and by executing this card, thereby cancels his former registration.

6. Blank "A" is to be used only before boards of election, and requires two witnesses.

### Qualifications of Voters

7. Any citizen of the United States of the age of 21 years and upwards, who shall have resided in attain the age of 21 years, may register during a period of 30 days next tion for the election at which he desires to vote, but the elerk or registrar shall indorse upon the registration card in red ink these words Qualified to vote (month) (day) (year).

8. Foreign born persons: All persons born in a foreign country of alien parents, no matter at what age they came to this country, are aliens unless the naturalization laws of the United States have been complied with, either by themselves after they secame 21 years of age, or by their parents before they became 21 years of age.

9. The state constitutional amendment passed by the people at the last election requires that all aliens must have become fully naturalized before being allowed to vote in this state. Therefore, those persons who have only their "Declaration of Intention" (commonly known as first papers), cannot legally register for elections in this state. This law requires that "Final Citizenship Papers" (commonly known as second papers), be exhibited to the registration officer before he can register them.

10. Some confusion may result unless registering officers are careful in this respect, as in many of the old forms of naturalization papers the first papers, or "Declarations," after deem advisable are very similar to the second or "Final" papers, therefore, the papers should be earefully examined to see that they read to show that the alien "is admitted a citizen of the United States,"

Under the former laws of Oregon second papers were not required Declaration of Intention, or first papers, being sufficient. Former registrations in this county do not show which were exhibited, hence the necessity of care on the part of the registrars in this particular.

The following will give you the requirements, also the status of the families, of aliens:

1. Naturalized citizens must ex-

hibit "Final" citizenship papers. 2. If the father of an alien became naturalized before he (the child) become of age, he is a naturalized citizen, but must exhibit the father's papers or a copy of the same from the court issuing them.

3. A foreign Woman, married to n citizen of the United States, is a aritizen-

4. An American woman who marries a foreigner, takes the nationality of her husband, and must exhibit his papers if he becomes a naturalized citizen; at the termination of the 2 deputies, 2 months marital relation, if she continues to reside here, she may resume her cit-

izenship. 5. Foreign-horn numarried women must be naturalized themselves ar. Salary of assessor for they become 21 years of age, or Salaries of deputies assessing personal property by their father before they became of | One deputy age; if married to a foreigner who is One deputy

naturalized, she must exhibit "Final" papers.

6. Any foreign woman who acquires citizenship by marriage to an American retains the same after the termination of marital relations, if she continues to reside here, and unless she make formal renunciation of citizenship.

7. Service in the U. S. army or navy of aliens does not, as is generally believed, imply citizenship, unless house on the Pacific coast, and County Clerk Gardner has issued petition for final papers has been that has ben located in Oregon made and papers issued, such service Washington for the past many ye eliminating only the necessity of "First" papers.

8. Proof of filing on homestead is not sufficient proof of citizenship. 1. Registration of voters opens Certified copies of "Final Papers" Monday, January 3, 1916, and closes can be had by writing to the clerk of the court where they were issued, it tor Wine company, and will be the originals are lost.

All registrations must be sent to preceding any special election held the county clerk on the last day of each and every week.

> Respectfully yours, G. A. GARDNER, County Clerk.
