A CHILD'S TONGUE SHOWS IF LIVER OR BOWELS ARE ACTIVE

If Cross, Feverish, Sick, Bilious, Give Fruit Laxative at Once.

Every mother realizes, after giving her children "California Syrup of Figs," that this is their ideal laxative, because they love its pleasant taste and it thoroughly cleanses the tender little stomach, liver and bowels without griping.

When cross, irritable, feverish or breath is bad, stomach sour, look at the tongue. Mother! if coated, give a teaspoonful of this harmless "fruit laxative," and in a few hours all the foul, constipated waste, sour bile and undigested food passes out of the bowels, and you have a well, playful child again. When its little system is full of cold, throat sore, has stomach-ache, diarrhoea, indigestion, colic—remember, a good "inside cleansing" should always be the first treatment given.

Millions of mothers keep "California Syrup of Figs" handy; they know a teaspoonful today saves a sick child tomorrow. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has directions for babies, children of all ages and grown-ups printed on the bottle. Beware of counterfeits sold here, so don't be fooled. Get the genuine, made by "California Fig Syrup Company."—Adv.
