ACADEMY NOTES

Most Rev. E. J. Hannig, archbishop of San Francisco, was a visitor at St.

Mary's Wednesday. The archbishop, who was the guest of Rev. J. Powers, visited the different classrooms and music rooms and spoke interestingly to the pupils. The distinguished prelate was a charming guest and proved to the boys that he had not forgotten his own boyhood by the readiness with which he granted the solicited half-holiday.

About twenty-five girl friends pleasantly surprised Miss Grace Brier with a birthday party Monday evening in the Auditorium. Dancing and games formed the evening's entertainment. Light refreshments were served.

The reunion of former students to be held at St. Mary's next Thursday in honor of the fiftieth anniversary of the coming of the sisters to Jackson county is arousing much interest among the pupils and faculty. It is planned to make the gathering as successful and representative as possible.

The teaching staff has been reinforced by the appointment of an assistant teacher in the music department.

Preparations for spring gardening, flower planting, roller skating and basketball divide attention with practice for the musical recital of March 2. Ensemble rehearsals are in progress and continue as one wittily says, from 7:30 to 5:30.

Miss Gladys Pelton, of Gold Hill, and Miss Katharine Donnell, of Grants Pass, are among the resident pupils who are spending the week-end with relatives.

Many welcome visits from old pupils have been recorded in the last few weeks. It is hoped that Thursday's rollcall will find none missing.

Resident pupils are rejoicing over the return this evening of the popular little Miss Besse Weeks, of Klamath Falls, who was not able to return to the academy promptly after the Christmas holidays.

A CHILD'S TONGUE SHOWS IF LIVER OR BOWELS ARE ACTIVE

If cross, feverish, sick, bilious, give fruit laxative at once.

Every mother realizes, after giving her children "California Syrup of Figs," that this is their ideal laxative, because they love its pleasant taste and it thoroughly cleanses the tender little stomach, liver and bowels without griping.

When cross, irritable, feverish or breath is bad, stomach sour, look at the tongue. Mother! If coated, give a teaspoonful of this harmless "fruit laxative," and in a few hours all the foul, constipated waste, sour bile and undigested food passes out of the bowels, and you have a well, playful child again. When its little system is full of cold, throat sore, has stomach-ache, diarrhoea, digestion, colic—remember, a good "inside cleansing" should always be the first treatment given.

Millions of mothers keep "California Syrup of Figs" handy; they know a teaspoonful today gives a sick child tomorrow. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has directions for babies, children of all ages and grown-ups printed on the bottle. Beware of counterfeits sold here, so don't be fooled. Get the genuine made by "California Fig Syrup Company."

To gather the pupils of fifty years might seem a formidable undertaking, but the well-kept records of the institution have enabled St. Mary's to determine with some degree of accuracy the whereabouts of many of those who have passed beyond its portals and all to whom it is possible to be present are expected at the reunion of former students which will take place at the academy Thursday, February 24. The motive of the reunion is a commemoration of the establishment of the convent school in southern Oregon. It is an interesting fact that the records show that in more than one case daughters for three generations have been educated at the academy, while very often mother and daughter have had the same alma mater. The generations of fun-loving, high-spirited girls who were taught throughout the fifty years will not all be at St. Mary's Thursday, but something of the spirit and happy memory of old days will surely come to those who are.

The Dabious Decorum club and their friends were entertained at a Valentine party at the residence of E. J. Stewart Monday evening, the 11th.
