THE PROOF OF THE PUDDING IS THE EATING

What the sick want is to get well. They do not care whether they are cured by the most scientific physician or the most unlearned neighbor—they don't care how they are cured, if only they get well.

For forty years women suffering from female ills have been taking Lydia E. Pinkham's Vegetable Compound and have been getting well; and because they have got well, that great medicine continues to have a sale equalled by that of few proprietary preparations.—Adv.

If You Wait Until June to Buy Your White Sport Shoes You May Be Disappointed!

Never before was the sale of white footwear of all kinds so great as during 1915. The markets were out as early as May last year, and this year will break all former records. We have on display in our windows a few of the early arrivals in white canvas with white canvas sides for growing girls and children in Week-End, Emory-Lan and Vanda styles; also White Tennis.
