

EAGLE POINT EAGLETS

By A. C. Howlett

Dr. W. A. Laidlaw has sold his orchard, that formerly was known as the Herrin orchard, to a man by the name of Fender of Portland.

A. G. Bishop, one of the owners of the Kingwood orchard, was a business caller the middle of the week.

G. Norman, who has been foreman on the Laidlaw orchard, was in town the last part of the week. He will remain on the place until other arrangements are made with the new owner.

W. Hart Hamilton, the owner of the Hamilton orchard, came in Wednesday and he and his son are numbered among our regular boarders again.

Mrs. Donnie Ashpole, wife of one of our hardware merchants, went to Medford Wednesday, combining business with pleasure, and remained until Saturday.

C. A. Burbank, salesman for Lyell & Meyer, Portland, was working among the tobacco users Wednesday.

Wig Ashpole, one of the Medford cattlemen and meat market men, was out Tuesday and Wednesday and while here bought a bunch of cattle of Green Matthews and Wig Jack, taking them to Medford Thursday.

Dolph Kent of Wellen was among our business callers Wednesday.

F. A. Dunlap of Derby and B. C. Smith, who has a homestead on Round Top, were guests at the Sunnyside Wednesday night on their way to Medford.

Mrs. George Brown of Brownboro came out Thursday on her way to Ashland to go to the bedside of her mother, Mrs. O. Bell, who was dangerously ill, and I sell by the papers that she passed away at the home of her brother, Thomas Chiberton, in Ashland, on the 18th. Mrs. Bell had lived in this immediate neighborhood for the past twenty-five years and has a number of warm personal friends in this section of the country. She was an active member of the Baptist church and exemplified the spirit of her Divine Master.

Mr. and Mrs. F. J. McPherson motored into town last Thursday to visit Mrs. P.'s parents, Mr. and Mrs. T. E. Nichols.

The Pacific & Eastern had a little stoppage in their business last Thursday. A wood car got mixed up with the rails and so the passengers had to ride about a mile on the engine until they reached the Eagle Point depot, where they were transferred to a box car and with them was enough to make about fifteen or twenty altogether, but they got through all O. K. and the next day the car was removed from the track and everything is all O. K. again.

Bert Peachey and wife, who live up in the mountains, as Bert is a forest ranger and his wife shares his life with him, came in Thursday and are spending a few days with Mrs. P.'s parents here.

Miss Orbie Natwick, who sometimes lives in Medford and sometimes in Eagle Point (she is a dressmaker), took the P. & E. Saturday morning for her father's term.

Ed Montague, who arrived recently from San Francisco, is boarding at the Sunnyside at present.

R. S. Baker has moved his family out from his homestead near Derby onto the Fred Pelmeze place, so as to send his son to school here.

Pete Betts and wife and their cousin, Miss Mina Hannah, and J. A. Howard, came out Friday, and Miss Mina went out to Medford on the 5:20 car.

J. D. Arnes, son-in-law of Wirt C. Pool, who has charge of the Elgill orchard, was here Thursday looking for men to work in the orchard.

Sheriff Singler came out this week and took Reube Johnson to Jacksonville to have him examined by a medical board with regard to his sanity.

John Rader and wife came in Thursday on business. Mrs. Rader said that the weather was too fine to stay in the house.

Mrs. L. W. Owen, a traveling lecturer, is here holding services at this writing (Saturday). She lectured last night and it was very successful. She is an easy speaker and holds her audience until she gets through.

I noticed this morning as I was at the depot that there were thirty-seven empty cream cans sitting on the depot platform and quite a number waiting for shipment. Some for Medford, some for Ashland and quite a number for Independence. Why is it that the Independence creameries can pay enough more to justify the draymen to ship the cream 100 miles further than Medford instead of keeping the product of the farms of home in our own country?

The last few days there has been a large number of strangers here. For instance, today there were five strangers to dinner at the Sunnyside and almost every day there are from one to three or four here or in other parts of the town.

Mrs. Herman Meyer, 75, came out on the P. & E. and another lady stopped here, and there were five ladies on the car on their way to Derby and Butte Falls.

I was talking with a man who came

COKER BUTTE CROAKS

Miss Georgia Proett spent several days in Ashland last week.

Mr. and Mrs. W. W. Gregory have recovered from an attack of la grippe, which confined them to the house for over a week.

Dr. W. R. Stokes is making several improvements to his residence, among them being a new porch.

Mr. and Mrs. L. A. Pruett motored to Ashland Sunday, spending the day with Mrs. P. Garrett.

Thanks to Mr. Beebe and his force of road employes, the Crater Lake highway is now in fine condition again.

Pruning now keeps most of our orchardists busy. If the present warm weather continues, prunes and apricots must be sprayed within a few days.

Notices for a special school election were posted last week. This election is called for Monday, February 28, at the residence of H. T. Hubbard, and is for the purpose of electing a clerk to fill the vacancy caused by the removal of J. W. Kirkpatrick, and for one director to fill the vacancy created by the removal of Mr. Sears.

Miss Leila, daughter of Mr. and Mrs. G. H. Browne, entertained some of her small friends last week in celebration of her sixth birthday.

Mr. and Mrs. E. L. Rountree of Eagle Point visited friends in this vicinity last Monday.

Mr. Grover, our school teacher, reports fourteen pupils now in attendance. During the fall and early winter he had but seven.

The R. R. V. Canal company's force is now working on the Hopkins canal, between the Stokes and 401 ranches. They are enlarging this canal to at least twice its former capacity and there should be no shortage of water the coming season.

Numerous experiments will be made with clover the coming season especially by the orchardists, who have come to the conclusion that stock, seed or hay will be a welcome addition to their income. With irrigation there seems to be no reason why clover or alfalfa should not be a success in a hearing orchard, and in addition to its beneficial effect on the soil, furnish pasture for sheep or hogs or be cut for hay or seed.

William Jones and Mr. Gregerson, pioneer ranchers of Beagle, were attending to business in Medford Tuesday.

The Glass brothers are busy these fine days hauling their surplus grain to Central Point.

Frank Murdoch is working with the road crew near the Modoc orchard.

Mrs. De Ford started for Portland Saturday to visit her daughter and other relatives.

A number of our young people motored to Medford Sunday and visited the movies.

Jasper Rodgers, the Beagle merchant, has bought him an auto to use during dry weather in hauling his freight and goods from the valley towns.

A number of friends gathered at the W. C. Chapman home Sunday to celebrate Claude Chapman's 21st birthday.

The dance at Mr. Moore's home on Saturday night was enjoyed by everyone who was there, all the visitors agreeing that the ranch dances are the best.

Members Moore is working on the Scott ranch and plowing for his spring crop of grain.

Nye Turpin of the Meadows was visiting and trading in the valley towns this week.

Mr. and Mrs. W. C. Chapman and son, Claude, and Miss Lillian motored to Medford Thursday and enjoyed a dinner and a pleasant visit with their old time neighbors, Mr. and Mrs. W. J. Scott.

SOME DON'TS

Don't take medicine for your Stomach ailments morning, noon and night, as usually such medicines only give temporary relief and simply digest the food that happens to be in the stomach.

Don't permit a surgical operation. There is always serious danger in operations and in many cases of Stomach, Liver and Intestinal Ailments the knife can be avoided if the right remedy is taken in time.

Don't go around with a foul smelling breath caused by a disordered Stomach and Liver, to the discomfort of those you come in contact with.

If you are a Stomach sufferer, don't think you can not be helped; probably worse cases than yours have been permanently restored by Mayr's Wonderful Remedy.

Most Stomach ailments are mainly caused by a catarrhal condition. Mayr's Wonderful Remedy not only removes the catarrhal mucus, but allays the chronic inflammation and assists in rendering the entire alimentary and intestinal tract antiseptic, and this is the secret of its marvelous success.

Don't suffer constant pain and agony and allow your stomach ailments to physically undermine your health. No matter how severe your case may be or how long you have suffered—one dose of Mayr's Wonderful Remedy should convince you that you can be restored to health again. Mayr's Wonderful Remedy has been taken and is highly recommended by members of congress, justice of the supreme court, educators, lawyers, merchants, bankers, doctors, druggists, nurses, manufacturers, priests, ministers, farmers and people in all walks of life.

Send for FREE valuable booklet on stomach ailments to Geo. H. Mayr, 154-156 Whiting St., Chicago, Ill.

Mayr's Wonderful Remedy is sold by leading druggists everywhere with the positive understanding that your money will be refunded without question or quibble if ONE bottle fails to give you absolute satisfaction.—Adv.

WHY? CAPITAL PREPARE FOR PEACE

Newcomer—oldtimer—stranger or citizen if you will come to my office you will be interested. I have ready for your examination a BUSINESS PROPOSITION.

The owner will sell at invoice then lease from purchaser, paying purchaser 50% of his money back for a five year lease; at the end of five years will turn business over to purchaser or purchaser's stock that will involve 50% more than it does now.

Remember you double your capital, and have employment; a Rogue River Valley, Medford, Oregon, proposition.

I ask you to investigate this then ask any Bank or Banker in Medford as to its merits.
