And finally, it is Brandeis who has assumed responsibility of a movement to relieve the Jews of all countries from the yoke of oppression and injustice and open a refuge for them.

Mr. La Follette concludes as follows: "The selection of Brandeis to this place of power and influence must strengthen the confidence of all who love democracy in plications and should properly ob- -alcohol. It is in truth the hand-President Wilson,

SIMPLIFYING THE ISSUE

T is enrrently reported that Colonel Roosevelt read and approved the "keynote" speech delivered by Senator Elihu Root at the New York republican convention. Whether he did or not, the speech indicates that only on the question of preparedness and foreign relations can the republican factions unite.

With the flood of prosperity at high tide throughout beet raisers who are depending on if the same amount of care is the east, the calamity cry has had to be shelved. The adoption of the tariff commission plan by the administration office at once," etc. has pigeon-holed the tariff issue. The stand-pat and pro-

gressive programs are wide apart on other issues. The keynote speech means that the campaign is to be making it as common as any oriental labor-labor that is housed in local "Well, sir," said the minister. "I made upon the failure of the president to invade Mexico to the south; a valley equipped and other goods. hear that the Lord has smiled on and to participate in the European war against Germany peopled only with the lord of lands | Thousands of people in this valley because of the violation of Belgian neutrality and the and his awarm of oriental peons, sub- will be with me when I say that I sinking of the Lusitania, and because of the unprepared- sisting on rice shipped from their am opposed to shipping in foreign ness of the nation to participate in war.
