

CLOSING DAY OF REVIVAL SERVICES WELL ATTENDED

Yesterday was the closing day of the revival services. It was a great day for the churches of the city. Audiences that taxed the capacity of the great building were present.

SCENE FROM "THE DISCIPLE," TRIANGLE-KAY BEE FEATURE.

TRIANGLE PLAYS AT PAGE THEATRE

Tonight and tomorrow afternoon at the Page another Triangle play that is apparent in its special appeal is "The Disciple," the powerful Ince-directed play in which William S. Hart is the star.

The story is that of a strong, pure enthusiast, who is mated to a pretty woman without strength of character. Dorothy Dalton, as the wife, brings out interestingly the personality of the non-moral, shallow creature, who leaves her little girl and virile worthy husband for the flashy gambler type of saloonkeeper (Robert McKim).

MUTT AND JEFF AT PAGE TUESDAY

"Mutt and Jeff in College," presents Bud Fisher's inimitable characters in a radically different atmosphere, surrounded by new types in new environment.

The first act takes place upon the campus of "Stretford college." Mutt and Jeff are introduced as a couple of expert football players, whom the students have persuaded to pursue an elementary course in college, being the only way in which their services could be secured for the football team.

"Mutt and Jeff" are initiated into the secrets of the fraternity of Eta Beta Phi with scurrilously funny results.

The football contest with Trinity college results in a complete victory won by our heroes, Mutt and Jeff, by clever strategy.

The second part represents the graduation exercises in the grand ball room of the Astor hotel, built to represent a stage upon a stage.

There are girls a-plenty with an accompaniment of catches, whistle-able music lending an enchantment to the entire entertainment. You will therefore realize that "Mutt and Jeff in College" is different.

Mr. Vessey is a master at his work, a singer of rare ability and an artist with the cornet. Mr. Mathis is to be congratulated on his co-laborers. The city of Medford and the valley is richer for the coming of these people.

LOOKING FOR WORK

Everywhere men complain about work; even boys and girls in school or business find work tedious and irksome, but it isn't the work half so much as their own lack of physical strength that makes it hard.

Rich blood, strong lungs and healthy digestion make work pleasurable in business, in school or even housework, and if those who are easily tired—who are not sick, but weak and nervous—would just take Scott's Emulsion for one month and let its pure concentrated food create richer blood to pulsate through every artery and vein—let it build a structure of healthy tissue and give you vigorous strength—you would find work easy and would look for more. Insist on Scott's.

GREAT INCREASES IN PHONE EARNINGS

NEW YORK, March 13.—An increase of more than \$13,900,000 in the gross earnings of the American Telephone & Telegraph company last year over 1914 is shown by the annual report of President Theodore N. Vail, made public today.

Jump from Bed in Morning and Drink Hot Water

Tells why everyone should drink hot water each morning before breakfast.

Why is man and woman, half the time, feeling nervous, dependent, worried; some days headachy, dull and unstrung; some days really incapacitated by illness.

If we all would practice inside-bathing, what a gratifying change would take place. Instead of thousands of half-sick, anemic-looking souls with pasty, muddy complexions we should see crowds of happy, healthy, rosy-checked people everywhere.

Just as necessary as it is to clean the naked from the furnace each day, before the fire will burn bright and hot, so we must each morning clear the inside organs of the previous day's accumulation of indigestible waste and body toxins.

Millions of people who had their turn at constipation, bilious attacks, acid stomach, nervous days and sleepless nights have become real cranks about the morning inside-bath.
