SHERIFF. I hereby announce my candidacy for the nomination for sheriff on the republican ticket, to be voted upon at the coming primaries, May 19th, 1916.

I have held the position of deputy sheriff for the past four years and am thoroughly familiar with the duties connected with the office, both clerical and outside work.

I feel that I am competent to hold the position, and if nominated and elected, will give the people of Jackson county an efficient and economical administration.

I also agree if elected to enforce all laws.

E. W. (Curley) WILSON. I am a candidate for the nomination of Sheriff on the republican ticket to be voted for at the primaries May 19, 1916. If nominated and elected I will enforce the law and give the public an honest, impartial and efficient administration.

37 years in Jackson county. Adv. HARRY N. LOFLAND.

I hereby announce my candidacy for the republican nomination for sheriff, to be voted on at the coming primaries, May 19th, 1916.

I feel that I need no introduction to the public, having been a resident of Jackson county for 26 years.

I pledge myself, if elected, to give an impartial, economical and conservative administration of this important office.

I have endeavored to serve the public faithfully in the past and agree, if elected, to strictly and impartially enforce all laws. Having a very large experience in the matters of taxation and knowing Jackson county thoroughly, I pledge myself to conduct the tax collection branch of the office in such a manner as to serve the taxpayers honestly, promptly and efficiently.

W. T. GRIEVE. I am a candidate for the republican nomination of sheriff of Jackson county, subject to the primary, May 19, 1916.

I have lived in Jackson county twelve years, made the race for the nomination for sheriff two years ago and received a splendid vote despite the unusual conditions I had to oppose and would appreciate your support this time.

I will enforce all laws and pledge myself to an economical, impartial and conservative administration. Adv. A. W. WALKER.

I hereby announce my candidacy for the nomination for sheriff on the democratic ticket, subject to the will of the voters at the primary to be held May 19, 1916. I am a native son of Jackson county and my entire past life is subject to your investigation. RALPH G. JENNINGS. Adv.

DISTRICT ATTORNEY. I am a candidate for re-election to the office of district attorney. Adv. E. E. KELLY.

I hereby announce that I have filed my declaration of intention to become a candidate for the republican nomination for the office of District Attorney for Jackson county, Oregon, subject to the decision of the republican party, at the primary election to be held May 19, 1916. Adv. G. M. ROBERTS.

I hereby announce that I have filed my declaration of intention, and that I am a candidate for the democratic nomination for the office of district attorney, subject to the May primaries. If I am nominated and elected to this office, I promise not to forget the fact that I am a public servant, and that I will in the best of my ability administer the affairs of the office, impartially, honestly and without fear or favor. Adv. NEWTON W. BORDEN.

The first of the year a number of republicans, including many who approved of my efforts in the interest of the taxpayers as state representative four years ago, requested me to become a candidate for the office of District Attorney, inasmuch as there would be, in addition to the regular duties of the criminal and juvenile courts, new duties and conditions confronting the office. Among these were mentioned the enforcement of the prohibition act, and the likelihood of having to foreclose many tax liens, particularly those against the Southern Pacific land grant of nearly half million acres in Jackson county, amounting to about 200,000.

My reply was that I would become a candidate if it were generally desired and the race could be made without assuming special obligation to any particular individual, faction, locality or interest.

Therefore, after consulting personally with a number of hundred men and women of all occupations in all parts of the county, believing there is a real desire for my candidacy, I will be a candidate for the nomination of District Attorney on the republican ticket. Adv. JOHN H. CARKIN.

COUNTY TREASURER. Deputy County Treasurer, Myrtle W. Blakeley, announces her candidacy for the office of county treasurer. I hereby announce my candidacy on the republican ticket for the office of county treasurer, to be voted on at the coming primaries. I have held the position as deputy in this office for the past year and am confident that I can fulfill the duties connected therewith.

I served two years as deputy county recorder before taking the position as deputy county treasurer; I have also had experience as accountant for several corporations, such as the Medford Concrete Construction company and Medford Ice and Storage Company, before taking up county work, and will say that my past record is open for inspection to the voters of Jackson county.

If nominated and elected I will run the office without the expense of a deputy and continue to serve the public just as efficient in the future as I have in the past. Adv. MYRTLE W. BLAKELEY.

I pledge myself to an honest, efficient, impartial and economical discharge of the duties of the office and propose to make all assessments upon the basis of the true actual value of the property and not upon an inflated valuation.

Adv. GEORGE LAUNSPACH. I herewith announce my candidacy for county assessor, subject to the decision of the republican party at the primary election to be held May 19, 1916. If elected I pledge myself to make a just and equitable assessment and administer the affairs of the office in a businesslike manner. Adv. J. B. COLEMAN.

I hereby announce my candidacy for the office of assessor of Jackson county, at the primary to be held May 19th, 1916. Have had three years' experience as deputy assessor. Adv. CLINT GALLATIN.

I hereby announce my candidacy for the democratic nomination for the office of assessor of Jackson county, at the primary to be held May 19th, 1916. Have had three years' experience as deputy assessor. Adv. FRANCIS C. SMITH.

To the voters: I am republican candidate for county school superintendent at the primary election, May 19, 1916.

I am for supervision of the schools by the superintendent and for economy in the county superintendent's office and every place where it does not retard the efficiency of the schools.

I am in favor of progressive education, that is, education that prepares the boy or girl for life. I am for all having a square deal and an equal chance for an education.

If nominated and elected I will do every thing in my power to make the schools of Jackson county the best in the state. Adv. A. J. HANBY.

I hereby announce that I have filed my declaration of intention, and that I am a candidate for the republican nomination for the office of County School Superintendent of Jackson county, Oregon, subject to the primaries of May 19.

If nominated and elected I pledge myself to an honest, impartial and economical administration and will personally supervise our schools.

I hold an Oregon life certificate, and having recently spent four seasons on preparatory work, both in the University of Oregon and in the University of California in the study of modern education and supervision, and having served the county as rural school supervisor for two years, I feel competent to fill the office in a thoroughly satisfactory manner and hereby solicit the support of every true friend of education.

Adv. G. W. AGEK. I am a candidate for the republican nomination for County School Superintendent. I stand for a continuance of progressive policies in education, economy consistent with efficiency, equal educational advantages for the boys and girls on the

farms with those in the cities and towns.

If nominated and elected I will in the future, as in the past, give my full time and best efforts to the supervision of the schools and the administration of the duties of the office. During my incumbency I have not confined myself strictly to the routine duties of the office but have taken a broader view of the mission of the County School Superintendent.

In addition to my efforts to raise the standard of teaching and improve the physical conditions at school I have labored to promote the welfare of the boys and girls through industrial clubs, school fairs, school credits for home work, parent-teachers circles, spelling and arithmetic contests, and other activities. I feel that my work has been regarded with favor and in order to continue this work, I am asking for re-election.
