EAGLE POINT EAGLETS

Last Saturday night the Apogee basketball team came over and played against the Eagle Point team, and as I do not understand the peculiar phases and combinations connected with the game, I have secured the services of Professor W. O. Wheeler to give a write-up of the whole affair which I herewith incorporate in the Eagle Point Eaglets.
The double-header basketball game here last Saturday night between Apogee and Eagle Point was the most successful of the season from a standpoint of attendance and enthusiasm. About 150 persons were present. All the teams played well, the scores being close and exciting, especially in the boys' game, in which there were several ties. At the close refreshments were served at the schoolhouse by the home team, after which all players were guests at a little dance given by the Eagle Point Amusement company.

A Fine Aid For Mother-to-be

We are all greatly indebted to those who tell their experiences. And among the many things which we read about and are of immediate interest to the expectant mother, is a splendid external remedy called "Mother's Friend." This is applied over the muscles of the stomach. It is deeply penetrating in its influence. Mothers everywhere tell of its soothing effect, how it allays pains incident to stretching of cords, ligaments and muscles. They tell of relief of pain, peaceful nights, an absence of those distressing peculiarities of the period of expectancy, relief from morning sickness, no more of that apprehension with which so many young women's minds become burdened. It is a splendid help. Get a bottle of "Mother's Friend" from your nearest druggist. Ask your husband to get it for you. Then write to Bradford Richardson Co., 408 Lamar Bldg., Atlanta, Ga. for a very handsome and instructive book. It is filled with suggestive ideas of great help to all women interested in the subject of maternity. And best of all are some letters from mothers that are full inspiration. Write today.

Sam Courtney has opened up a paint shop and he and his wife are rooming at the Sunnyside. And so is Ed Montague. He has been pulling stumps and grubbs for F. Pelouze.

The Brandon Bros., F. S. and G. W., who have bought the grist mill at this place, were out Tuesday putting in new windows and window frames and preparing to tear out the old wheels and put in a more modern one in the place. They are remodeling the mill and putting in modern machinery. They say that they intend to make as good flour as there is made in the country. They have engaged rooms at the Sunnyside.
Mrs. Hazel Bishop, who was married some time ago in Grants Pass, returned to her room in the Sunnyside Tuesday.

POLITICAL ANNOUNCEMENTS

SHERIFF. I have heretofore formally announced my candidacy for the nomination for sheriff on the republican ticket to be voted upon at the coming primary election, May 19, 1916. I have held the position of deputy sheriff during the past four years. It is unanimously conceded that a marked improvement has been made in all departments of the sheriff's office during the incumbency of the present sheriff, the records in the office at the beginning of the present administration were considered the worst in the state-they are now considered equal to any and better than most. The work of tax collection has been systematized so that quicker and better service is now being rendered, and taxes collected at a much less cost than heretofore. I am fully conversant with the duties and needs of the office for which I aspire. If I am nominated and elected I pledge myself: 1st-To maintain the office in its present efficient condition. 2nd-To endeavor to further improve the service to taxpayers and to minimize the cost thereof. 3rd-To impartially perform all duties and enforce all laws. E. W. (Curly) WILSON.

I am a candidate for the nomination of Sheriff on the republican ticket to be voted for at the primaries May 19, 1916. If nominated and elected I will enforce the law and give the public an honest, impartial and efficient administration. 37 years in Jackson county. Adv. HARRY N. LOFLAND.

I hereby announce my candidacy for the republican nomination for sheriff, to be voted on at the coming primaries, May 19th, 1916. I feel that I need no introduction to the public, having been a resident of Jackson county for 26 years. I pledge myself, if elected, to give an impartial, economical and conservative administration of this important office. I have endeavored to serve the public faithfully in the past and agree, if elected, to strictly and impartially enforce all laws. Having a very large experience in the matters of taxation and knowing Jackson county thoroughly, I pledge myself to conduct the tax collection branch of the office in such a manner as to serve the taxpayers honestly, promptly and efficiently. Adv. W. T. GRIEVE.

I am a candidate for the republican nomination of sheriff of Jackson county, subject to the primary, May 19, 1916. I have lived in Jackson county twenty years, made the race for the nomination for sheriff two years ago and received a splendid vote despite the unusual conditions I had to oppose and would appreciate your support this time. If elected I will enforce all laws and pledge myself to an economical, impartial and conservative administration. Adv. A. W. WALKER.

I hereby announce my candidacy for the nomination of sheriff on the democratic ticket, subject to the will of the voters at the primary to be held May 19, 1916. I am a native son of Jackson county and my entire past life is subject to your investigation. RALPH G. JENNINGS. Adv.

DISTRICT ATTORNEY I am a candidate for re-election to the office of district attorney. Adv. E. E. KELLY.

I hereby announce that I have filed my declaration of intentions, and that I am a candidate for the democratic nomination for the office of district attorney, subject to the May primary. If I am nominated and elected to this office, I promise not to forget the fact that I am a public servant, and that I will to the best of my ability administer the affairs of the office, impartially, honestly and without fear or favor. Adv. NEWTON W. BORDEN.

The first of the year a number of republicans, including many who are proved of my ability in the interest of the taxpayers as a state representative four years ago, requested me to become a candidate for the office of District Attorney, inasmuch as there would be, in addition to the regular duties of the criminal and juvenile courts, new duties and conditions were mentioned in the enforcement of the prohibition act, and the likelihood of having to foreclose many tax liens, particularly those against the Southern Pacific land grant of nearly half million acres in Jackson county, amounting to about \$200,000. My reply was that I would become a candidate if it were generally desired and the race could be made without assuming special obligation to any particular individual, faction, locality or interest. Therefore, after consulting personally or by letter several hundred men and women of all occupations in all parts of the county, believing there is a real desire for my candidacy, I will be a candidate for the nomination of District Attorney on the republican ticket. Adv. JOHN H. CARKIN.

COUNTY CLERK. G. A. Gardner is Republican Candidate for County Clerk. I hereby announce my candidacy for the office of county clerk and if nominated and elected will continue to give my entire time and attention to the duties thereof, conduct the

office according to law and give an efficient, economical and business administration. Adv. G. A. GARDNER. I hereby announce that I have filed my declaration of intention to become a candidate for the republican nomination for the office of county clerk, for Jackson county, Oregon, subject to the decision of the republican party at the primary election to be held May 19, 1916. Adv. (Little) JOE H. WILSON.

I hereby announce that I have filed my declaration of intention to become a candidate for the republican nomination for the office of county clerk, for Jackson county, Oregon, subject to the decision of the republican party at the primary election to be held May 19, 1916. Adv. A. N. HILDEBRAND.

COUNTY TREASURER. Deputy County Treasurer Myrtle W. Blakeley announces her candidacy for the office of county treasurer. I hereby announce my candidacy on the republican ticket for the office of county treasurer, to be voted on at the coming primaries. I have held the position as deputy in this office for the past year and am confident that I can fulfill the duties connected therewith. I am pleased to accept as deputy county recorder before taking the position as deputy county treasurer; I have also had experience as accountant for several corporations, such as the Medford Concrete Construction company and Medford Ice and Storage Company, before taking up county work, and will say that my past record is open for inspection to the voters of Jackson county. If nominated and elected I will run the office without the expense of a deputy and continue to serve the public just as efficient in the future as I have in the past. Adv. MYRTLE W. BLAKELEY.

I hereby announce that I have filed my declaration of intention to become a candidate for the republican nomination for the office of county treasurer, to be voted on in the coming primaries. If I am nominated and elected will conduct the office in an efficient and businesslike manner. Adv. ROY L. MAULE.

I hereby announce that I am a candidate for the nomination of county treasurer for Jackson county, Oregon, on the republican ticket to be voted for at the primary election to be held May 19, 1916. I formerly held the office of county treasurer and believe I have general satisfaction to the public. During the time I was county treasurer the county employed expert accountants to expert the county officers' books and said experts complimented my work very highly as a public official. If nominated and elected I shall endeavor to conduct the affairs of the office in an honest, efficient and businesslike manner. Adv. JAS. M. CRONMILLER.

COUNTY ASSESSOR I hereby announce my candidacy for the office of county assessor of Jackson county on the republican ticket, subject to the primary on May 19, 1916. I pledge myself to an honest, efficient, impartial and economical discharge of the duties of the office and propose to make all assessments upon the basis of the true actual value of the property and not upon any inflated valuation. Adv. GEORGE LAUNSCHACH.

I herewith announce my candidacy for county assessor, subject to the decision of the republican party at the primary election to be held May 19, 1916. If elected I pledge myself to make a just and equitable assessment and administer the affairs of the office in a businesslike manner. Adv. J. B. COLEMAN.

I hereby announce my candidacy for the office of assessor of Jackson county, at the primary to be held May 19, 1916. I have had three years' experience as deputy assessor. Adv. CLINT GALLATIN.

COUNTY SUPERINTENDENT. I hereby announce my candidacy on the republican ticket for the office of County School Superintendent for Jackson county, Oregon, subject to the will of the republican party at the primary election May 19, 1916. I am for all having a square deal and an equal chance for an education. If nominated and elected I will do every thing in my power to make the schools of Jackson county the best in the state. Adv. A. J. HANBY.

I hereby announce that I have filed my declaration of intentions, and that I am a candidate for the republican nomination for the office of County School Superintendent for Jackson county, Oregon, subject to the primary election of May 19, 1916. I am for all having a square deal and an equal chance for an education. If nominated and elected I will do every thing in my power to make the schools of Jackson county the best in the state. Adv. G. W. AGER.

I am a candidate for the republican nomination for County School Superintendent. I stand for a con-

tinuance of progressive policies in education, consistent with efficiency, equal educational advantages for the boys and girls on the farms with those in the cities and towns. If nominated and elected I will in the future, as in the past, give my full time and best efforts to the supervision of the schools and the administration of the duties of the office. During my incumbency I have not confined myself strictly to the routine duties of the office but have taken a broader view of the mission of the County School Superintendent. In addition to my efforts to raise the standard of teaching and improve the physical conditions at school I have labored to promote the welfare of the boys and girls through industrial clubs, school fairs, school credits for home work, parent-teachers circles, spelling and arithmetic contests, and other activities. I feel that my work has been regarded with favor and in order to continue this work, I am asking for re-election. Adv. J. PERCY WELLS.
