ability administer the affairs of the office, impartially, honestly and without fear or favor.
NEWTON W. BORDEN
The first of the year a number of republicans, including many who approved by efforts in the interest of the taxpayers as state representative four years ago, requested me to become a candidate for the office of District Attorney, inasmuch as there would be, in addition to the regular duties of the criminal and juvenile courts, new duties and conditions confronting the office. Among those were mentioned the enforcement of the prohibition act, and the likelihood of having to foreclose many tax liens, particularly those against the Southern Pacific land grant of nearly half million acres in Jackson county, amounting to about \$200,000.

The Boy is Father to the Man

Old sayings like this are fraught with a most important meaning. And what will add the expectant mother in conserving her health, her strength, her repose and the absence of venereal pains is a subject of vast moment. Among the recognized helps is a splendid remedy known as "Mother's Friend." Applied to the muscles it slinks in deeply to make them firm and pliant. It thus lifts the strain on ligaments that produce pain, it relieves the burden on the nervous system, induces calm, restful nights of healthful sleep and makes the days sunny and happy. Get a bottle of "Mother's Friend" of any drugist and you will then realize why it has been considered true to its name in our best homes through three generations. It is perfectly harmless but so effective that once used it is recommended to all expectant mothers by those who went through the ordeal with surprising ease. By writing to Bradfield Regulator Co., 412 Lamar Bldg., Atlanta, Ga., you can have a free copy of a wonderful book that unfolds these things which all expectant mothers delight to read. Write today.

DISTRICT ATTORNEY
The records of the county clerk at this time show a saving of \$4500.00 in the administration of this office as compared with the previous term. This has been accomplished by transacting the same amount of business before grand juries in one day that has formerly required five or six days, and by eliminating many petty matters, and without any sacrifice to law enforcement in the county. I need not thus saying and my experience entitles me to a second term. I am therefore a candidate for reelection to the office of district attorney.
Adv. E. E. KELLY.

I am continuously succeeded that a mark of improvement has been made in all departments of the sheriff's office during the incumbency of the present sheriff, the records in the office at the beginning of the present administration were considered the worst in the state—they are now considered equal to any and better than most.
The work of tax collection has been systematized so that quicker and better service is now being rendered, and taxes collected at a much less cost than heretofore.
I am fully conversant with the duties and needs of the office for which I aspire.
If I am nominated and elected I pledge myself:
1st.—To maintain the office in its present efficient condition.
2nd.—To endeavor to further improve the service to taxpayers and to minimize the cost thereof.
3rd.—To impartially perform all duties and enforce all laws.
E. W. (Curly) WILSON.

I am a candidate for the nomination of Sheriff of the republican ticket to be voted for at the coming primaries, May 19th, 1916.

If elected I will enforce all laws and pledge myself to an economical, impartial and conservative administration.
