

THE MEADOWS

A lively controversy has arisen over a mining location known as "Circular Claim No. 1" in section 17. The mine is claimed by Peter & Force of Central Point, and another party headed by F. W. Carnahan.

Messrs. Stewart, Cottrell and Wyland are rounding up a big bunch of cattle for driving to the valley for shipment today.

Dr. Christm of Gold Hill visited the "Little Jean", his chamber mine. He carried away a bottle of quartziferous rock from a small bunch of ore.

Fred Moore branded a bunch of young stock Tuesday afternoon. His mark is M. O. R. E.

Mr. Rowen is operating a quicksilver return on the Mrs. Dewey claim to test the values of the ores. The showing made looks like some very rich recoveries are being made.

Ed Anderson and his boy are working in the shaft of the Carnahan claim.

Tried Various Kidney Remedies But Only One Proved Reliable

It is with pleasure that I write these lines of praise for your wonderful kidney and bladder remedy. I had kidney trouble so bad I became very much alarmed. I had tried various kidney remedies I heard of but without relief, I was about discouraged of ever being helped, when one day I picked up a book containing testimonials of people who had been helped and cured of their kidney trouble by the use of Dr. Kilmer's Swamp-Root, so I decided to try it and I know I owe my present good health to the wonderful curative power of Swamp-Root. I sincerely hope my words will be the means of restoring many other sufferers of kidney and bladder troubles to good health. Very truly yours, B. J. BENSTERMAKER, 1451 Roveret Ave, Lakewood, Ohio.

Personally appeared before me this 18th day of October, 1915, B. J. Benstermaker, who subscribed the above statement and made oath that the same is true in substance and in fact. Wm. J.
