ence entitles me to a second term. I am therefore a candidate for reelection to the office of district attorney. E. E. KELLY, Adv.

I hereby announce that I have filed my declaration of intention to become a candidate for the republican nomination for the office of District Attorney for Jackson county, Oregon, subject to the decision of the republican party, at the primary election to be held May 19, 1916. G. M. ROBERTS, Adv.

I hereby announce that I have filed my declaration of intention, and that I am a candidate for the democratic nomination for the office of district attorney, subject to the May primaries. If I am nominated and elected to this office, my first duty will be to forget the fact that I am a public servant and that I will to the best of my ability administer the affairs of the office, impartially, honestly and without fear or favor. NEWTON W. BORDEN, Adv.

The first of the year a number of republicans, including many who approved of my efforts in the interest of the taxpayers as state representatives, have expressed a desire to become a candidate for the office of District Attorney, inasmuch as there would be, in addition to the regular duties of the criminal and juvenile courts, new duties and conditions confronting the office. Among these were mentioned the enforcement of the prohibition act and the likelihood of having to enforce many tax laws, particularly those against the Southern Pacific land grant of nearly half million acres in Jackson county, amounting to about \$200,000. My reply was that I would become a candidate if it were generally desired and the same could be made without assuming special obligations to any particular individual, faction, locality or interest. Therefore, after consulting personally or by letter several hundred men and women of all occupations in all parts of the county, believing there is a real desire for my candidacy, I will be glad to serve for the nomination of District Attorney for the republican ticket. JOHN H. CARKIN, Adv.

I am a candidate for the office of district attorney on the democratic ticket. If nominated and elected, I shall serve the county as I have served the City of Medford during the past three years, during which time I have been its city attorney. B. R. MCABEE, Adv.

If elected I will enforce all laws and pledge myself to an economical, impartial and conservative administration. A. W. WALKER, Adv.

W. T. GRIEVE, Adv.

I hereby announce that I am a candidate for the nomination of county treasurer for Jackson county, Oregon, on the republican ticket to be voted for at the primary election to be held May 19, 1916. I have formerly held the office of county treasurer and believe I give general satisfaction to the public. During the time I was county treasurer the county employed expert accountants to expert the county officers' books and add experts supplemented their work very highly as a public official. If nominated and elected I shall endeavor to conduct the affairs of the office in an honest, efficient and business-like manner. ROY L. MAULE, Adv.

I hereby announce my candidacy on the republican ticket for the office of Jackson County Superintendent. I have heretofore formally announced my candidacy for the nomination for sheriff on the republican ticket to be voted upon at the coming primary election, May 19, 1916. I have held the position of deputy sheriff during the past four years. It is unanimously considered that a marked improvement has been made in all departments of the sheriff's office during the incumbency of the present sheriff, the records in the office at the beginning of the present administration were considered the

worst in the state—they are now considered equal to any and better than most. The work of tax collection has been systematized so that quicker and better service is now being rendered, and taxes collected at a much less cost than heretofore. I am fully conversant with the duties and needs of the office for which I aspire. If I am nominated and elected I pledge myself: 1st.—To maintain the office in its present efficient condition. 2nd.—To endeavor to further improve the service to taxpayers and to minimize the cost thereof. 3rd.—To impartially perform all duties and enforce all laws. not retard the efficiency of the schools. I am in favor of progressive education, that is, education that prepares the boy or girl for life. I am for all having square deal and an equal chance for an education. If nominated and elected I will do every thing in my power to make the schools of Jackson county the best in the state. A. J. HANBY, Adv.

I hereby announce that I have filed my declaration of intention, and that I am a candidate for the republican nomination for the office of County School Superintendent of Jackson county, subject to the primaries of May 19. If nominated and elected I pledge myself to an honest, impartial and economic administration, and will personally supervise our schools. I held an Oregon life certificate, and having recently spent four seasons on preparatory work, both in the University of Oregon and in the University of California in the study of modern education and supervision, and having served the county as rural school supervisor for two years, I feel competent to fill the office in a thoroughly satisfactory manner and hereby solicit the support of every true friend of education. G. W. AGER, Adv.

I am a candidate for the republican nomination for County School Superintendent. I stand for: A continuation of progressive policies in education, economy consistent with efficiency, equal educational advantages for the boys and girls on the farms with those in the cities and towns. If nominated and elected I will in the future, as in the past, give my full time and best efforts to the supervision of the schools and the administration of the duties of the office. During my incumbency I have not confined myself strictly to the routine duties of the office but have taken a broader view of the mission of the County School Superintendent. In addition to my efforts to raise the standard of teaching and improve the physical conditions at school I have labored to promote the welfare of the boys and girls through industrial clubs, school fairs, school credits for home work, invent-teachers circles, spelling and arithmetic contests, and other activities. I feel that my work has been regarded with favor and in order to continue this work, I am asking for re-election. J. PERCY WELLS, Adv.

I am a candidate for the republican nomination for County School Superintendent. I stand for: A continuation of progressive policies in education, economy consistent with efficiency, equal educational advantages for the boys and girls on the farms with those in the cities and towns. If nominated and elected I will in the future, as in the past, give my full time and best efforts to the supervision of the schools and the administration of the duties of the office. During my incumbency I have not confined myself strictly to the routine duties of the office but have taken a broader view of the mission of the County School Superintendent. In addition to my efforts to raise the standard of teaching and improve the physical conditions at school I have labored to promote the welfare of the boys and girls through industrial clubs, school fairs, school credits for home work, invent-teachers circles, spelling and arithmetic contests, and other activities. I feel that my work has been regarded with favor and in order to continue this work, I am asking for re-election. J. PERCY WELLS, Adv.
