Adv. NEWTON W. BORDEN

The first of the year a number of republicans, including many who approved of my efforts in the interest of the taxpayers as state representative four years ago, requested me to become a candidate for the office of District Attorney, inasmuch as there would be, in addition to the regular duties of the criminal and juvenile courts, new duties and conditions confronting the office. Among these would be the enforcement of the prohibition act, and the likelihood of having to foreclose many liens, particularly those against the Southern Pacific land grant of nearly half million acres in Jackson county, amounting to about \$200,000.

My reply was that I would become a candidate if it were generally desired, and the price would be made without assuming special obligation to any particular individual, faction, locality or interest.

Therefore, after consulting personally or by letter several hundred men and women of all occupations in the county, believing that there is a real desire for my candidacy, I will be a candidate for the nomination of District Attorney on the republican ticket.
