BENJ. C. SHELDON, Adv.

DISTRICT ATTORNEY

The records of the county clerk at this time show a saving of \$1500.00 in the administration of this office as compared with the previous term. This has been accomplished by transacting the same amount of business before grand juries in one day that has formerly required five or six days, and by eliminating many petty matters, and without any sacrifice to law enforcement in the county. I feel that this saving and my experience and ability will be exercised in making the records of this office fair and courteous treatment extended to all taxpayers. Integrity of purpose the governing factor. Your support solicited.

W. W. TRUAX, Adv.

I have heretofore formally announced my candidacy for the nomination for sheriff on the republican ticket to be voted upon at the coming primary election, May 19, 1916. I have held the position of deputy sheriff during the past four years. It is unanimously conceded that a marked improvement has been made in all departments of the sheriff's office during the incumbency of the present sheriff, the records in the office, the lighting of the prison, the administration were considered the best in the state—they are now considered equal to any and better than most.

The work of tax collection has been systematized so that quicker and better service is now being rendered, and taxes collected at a much less cost than heretofore.

I am fully conversant with the duties and needs of the office for which I aspire.

If I am nominated and elected I pledge myself to maintain the office in its present efficient condition.

I am a candidate for the nomination for sheriff on the republican ticket to be voted for at the primary election, May 19, 1916. If nominated and elected I will enforce the law and give the public an honest, impartial and efficient administration of this important office.
