

EAGLE POINT EAGLETS

By A. C. Howlett

Rudolph Peck of Lake creek motored into town Thursday morning, transacted his business and was on his way home by the time some of our citizens were out of bed. He gets up and moves while others sleep is the way he can run an auto.

George Brown & Sons are beginning to receive their quota of the spring clip of wool.

Charles Heift of Lake Creek was doing business with our merchants Thursday. Mrs. C. L. Farrar, also of Lake Creek, was also doing shopping at the same time.

Miss Pearl Gould, who has just finished her term of school in the Antelope district, was with us Friday and later in the day was met by her sister, Miss Alma, and they two went on to their home in Medford.

Earl Croft, who has charge of the J. H. Cooley orchard, and wife were in town and while here renewed his subscription to the Daily Mail Tribune.

Henry Meyer of Lake Creek motored out Friday with pork and veal for the Medford market. He is another of our citizens who gets up and moves.

Charles Terrill and brother, John, and wife, drove out from their home near Brownsboro Friday. Charley is a horseman and consequently sticks to his carriage.

G. M. Roberts, one of the candidates for the nomination for district attorney, came in Friday late for dinner, but is perhaps excusable for being a candidate. He had to join the crowd of candidates to do a lot of talking. J. Percy Wells was out the same day talking to the voters.

Royal G. Brown of the firm of Geo. Brown & Sons, received a carload of wood from the Butte Falls section Thursday.

Mrs. Bertha Lewis started from here for Lewiston, Idaho, Thursday. Miss Grace Conley, who came out a few days ago to visit her mother, returned to Medford Friday evening on the P. & E. motor.

C. J. Seaman was in our town Friday and I understand that he was interested in circulating the petition for the recall of our county clerk. I did not meet him or see the petition, but was told that that was his business. I learned that W. W. Parker of Butte Falls has been circulating one of the petitions and has secured all of the registered voters in the precinct except two, but if there is a petition being circulated I have been unable to find out who it is or the grounds of complaint that the petition is based upon, but was told by one who claimed to have seen it that the complaint is the unlawful use of the county funds. I don't see why the advocates don't publish the charges so that we, the voters, can investigate for ourselves.

J. S. Quackenbush and family motored into town Friday and were attending to business at the P. & E. depot. The word came to me yesterday (Friday) that the P. & E. had unloaded a lot of iron south of the depot, and that aroused a feeling of curiosity in the minds of several of our citizens as to what kind of iron it was, and we began to see visions of new tracks, an extension of the road up into the timber beyond Butte Falls, and possibly connection with the Oregon Trunk, so I rushed off to learn the cause of the excitement and learned that the company was just gathering up a lot of old iron that was scattered along the railroad for future use. While I was at the depot the accommodating agent, E. T. Newport, renewed his subscription to the Daily Mail Tribune. The next morning (Saturday) I again visited the depot and met Mrs. Hunsaker of Eugene, on the way to the Hensley orchard to visit her brother-in-law. I also met that indefatigable worker, Ed Dutton, the road supervisor for this road district. He was there with his team to unload a carload of culverts to be used in this and the adjoining districts. He is engaged now opening up a new road between the land belonging to the Rogue River Land & Irrigation Co. and the Dutton, old Joe Rader and the Brown and von der Heiden places to connect with the Central Point-Wallen road.

J. H. Barth and son, Charles, were shopping in Eagle Point Saturday morning. J. H. has just returned from Redding, Cal., where he had to leave his auto last winter, but he brought it home with him this time, but was surprised to find such cold weather, for when he left here some weeks ago it was warm weather. Speaking about the weather, or rather frost, from what I can learn there will be an abundant crop of fruit left, although in some of the low places the frost has done considerable damage.

Mrs. E. N. Deerdorf, wife of Professor Deerdorf, who is just closing his school on Resse creek, and her sister-in-law, Mrs. Fred Dierloff of A-lund called for dinner here Saturday and took the Harmonish journey for Medford. They are moving to Ashland to make that place their home.

J. H. Terrill and F. G. Thompson of Lake Creek were here for dinner. Mr. Thompson reports that the ex-

citement is increasing over the discovery of copper on Lake creek and that about all the government land has been staked off in mining claims.

While I was on my rounds today I saw William von der Heiden, one of our hardware merchants, and he renewed his subscription to the Daily Mail Tribune, and also secured a subscription to the Weekly Mail Tribune from George H. Stowell.

TALENT TALK

Talent will hold an old fashioned community picnic election day, Friday, May 19. Plans are being carried out to have the people from the neighboring communities bring their well filled baskets to Waldner's grove during the noon hour. At 1:30 the following program will be held at the race track on the school grounds: Sack race for boys under 12, 50 yard dash for girls under 14, three legged race for boys under 14, three legged race for girls over 14, 50 yard dash for girls (free for all), fat men's race, egg race for ladies only, 100 yard dash (free for all), pie eating contest.

Liberal prizes are offered for all events, both first and second places.

At 3 o'clock a lively ball game will be staged between the Has Beens and the World Bees. This promises to be an amusing game and will be fought to a finish as the Daddies were defeated last year by one score.

Those from the neighboring territory will need to come to Talent to vote on the irrigation proposition and for officers to be nominated at the primaries. Bring your families and enjoy the day with your friends.

The Olympic society will give the closing exercises on Thursday evening in honor of the eighth grade pupils who receive diplomas at this time and to those who complete their work in this school. The lower grades are not giving closing exercises at this time. The program for the upper grades will be as follows:

Class history for tenth grade as seen by eighth grade students; class prophecy, eighth grade, Lucile Holdridge; class prophecy, tenth grade, Lewis Beeson; class play, "Hans von Smash," tenth grade students; presentation of diplomas, Professor F. C. Reimer; class will, Anna Anderson; musical numbers.

Returns from the eighth grade examinations are very satisfactory. No students in the eighth grade failed, although four were conditioned. Three in the class of eighteen did not get through in geography, but every one taking the examination in physiology passed. There were nineteen in the class and the class average was 91 per cent.

A Fine Aid For Mother-to-be

We are all greatly indebted to those who tell their experiences. And among the many things which we read about and are of immediate importance to a pregnant mother, is a splendid external remedy called "Mother's Friend." This is applied over the muscles of the stomach. It is deeply penetrating in its influence. Moths everywhere tell of its soothing effect, how it allays pains incident to stretching of cords, fragments and muscles. They tell of restful comfort, of calm, peaceful nights, an absence of those distresses peculiar to the period of expectancy, relief from morning sickness, no more of that apprehension with which so many young women's minds become burdened. It is a splendid help, a little bottle of "Mother's Friend" from your nearest druggist. Ask your husband to get it for you. Then write to Bradford K. Williams Co., 408 Lamar Bldg., Atlanta, Ga. For a very handsome and instructive book, filled with suggestive ideas of great help to all women interested in the subject of maternity. And best of all, one sent free from mothers that are real inspirations. Write today.

THE FIRST OF THE YEAR A NUMBER OF republicans, including many who approved of my efforts in the interest of the taxpayers at the representative four years ago, requested me to

become a candidate for the office of District Attorney, inasmuch as there would be, in addition to the regular duties of the criminal and juvenile courts, new duties and conditions confronting the office. Among these were mentioned the enforcement of the prohibition act, and the likelihood of having to foreclose many tax liens, particularly those against the Southern Pacific land grant of nearly half million acres in Jackson county, amounting to about \$200,000.

My reply was that I would become a candidate if it were generally desired and the race could be made without assuming special obligations to any particular individual, faction, locality or interest.

Therefore, after consulting personally or by letter several hundred men and women of all occupations in all parts of the county, believing there is a real desire for my candidacy, I will be a candidate for the nomination of District Attorney of the republican ticket.

I have endeavored to serve the public faithfully in the past and agree, if elected, to strictly and impartially enforce all laws. Having a very large experience in the matters of taxation and knowing Jackson county thoroughly, I pledge myself to conduct the tax collection branch of the office in such a manner as to serve the taxpayers honestly, promptly and efficiently.

I hereby announce my candidacy for the office of county clerk and if nominated and elected will continue to give my entire time and attention to the duties thereof, conduct the office according to law and give an efficient, economical and businesslike administration.

I hereby announce that I have filed my declaration of intention to become a candidate for the republican nomination for the office of county clerk, for Jackson county, subject to the decision of the republican party at the primary election to be held May 19, 1916.

Naturally. Burr Barnum of Canasera left his vest hanging in the woodshed last Saturday while he went into the house. When he returned someone had taken his gold watch and chain. Mr. Barnum naturally feels the loss as the watch was a present from his sister—Belfast (N. Y.) Blake.

G. A. Gardner is Republican Candidate for County Clerk. I hereby announce my candidacy for the office of county clerk and if nominated and elected will continue to give my entire time and attention to the duties thereof, conduct the office according to law and give an efficient, economical and businesslike administration.

I hereby announce that I have filed my declaration of intention to become a candidate for the republican nomination for the office of county clerk, for Jackson county, subject to the decision of the republican party at the primary election to be held May 19, 1916.

I hereby announce my candidacy for the office of county assessor of Jackson county on the republican ticket, subject to the primary on May 19, 1916. I pledge myself to an honest, efficient, impartial and economical discharge of the duties of the office and propose to make all assessments upon the basis of the true actual value of the property and not upon any inflated valuation.

I hereby announce my candidacy for the office of assessor of Jackson county, subject to the decision of the republican party at the primary election to be held May 19, 1916.

I hereby announce my candidacy for the office of assessor of Jackson county, subject to the decision of the republican party at the primary election to be held May 19, 1916.

I hereby announce that I am a candidate for county assessor for Jackson county, Oregon, on the republican ticket, subject to the primary on May 19, 1916. I have had three years' experience as deputy assessor.

I hereby announce that I am a candidate for county assessor for Jackson county, Oregon, on the republican ticket, subject to the primary on May 19, 1916. I have had three years' experience as deputy assessor.

I hereby announce my candidacy for the nomination for representative for the office of representative subject to the decision of the republican party at the coming primary election.

I am a candidate for the republican nomination for joint representative from the district comprising Douglas and Jackson counties on the republican ticket, subject to the primary on May 19, 1916. If nominated and elected I will serve the people of the district to the best of my ability.

I hereby announce my candidacy for the nomination for representative from Jackson county on the republican ticket, subject to the primary on May 19, 1916. I pledge myself for economy and a square deal for all.

I am a republican candidate for representative in the state legislature.

The records of the county clerk at this time show a saving of \$1500.00 in the administration of this office as compared with the previous term. This has been accomplished by transacting the same amount of business before grand juries in one day that days and by eliminating many petty matters, and without any sacrifice to law enforcement in the county. I feel that this saving and my experience entitles me to a second term. I am therefore a candidate for reelection to the office of district attorney.

I have heretofore formally announced my candidacy for the nomination for sheriff on the republican ticket to be voted upon at the coming primary election, May 19, 1916. I have held the position of deputy sheriff during the past four years. It is unanimously conceded that a marked improvement has been made in all departments of the sheriff's office during the incumbency of the present sheriff, the records in the office at the beginning of the present administration were considered the worst in the state—they are now considered equal to any and better than most.

The work of tax collection has been systematized so that quicker and better service is now being rendered, and taxes collected at a much less cost than heretofore.

I am fully conversant with the duties and needs of the office for which I aspire.

If I am nominated and elected I pledge myself: 1st.—To maintain the office in its present efficient condition. 2nd.—To endeavor to further improve the service to taxpayers and to

minimize the cost thereof. 3rd.—To impartially perform all duties and enforce all laws.

I hereby announce my candidacy for the republican nomination for sheriff of Jackson county for 24 years.

I have lived in Jackson county twelve years, made the race for the nomination for sheriff two years ago and received a splendid vote despite the unusual conditions I had to oppose and would appreciate your support this time.

To the voters: I am republican candidate for county school superintendent at the primary election, May 19, 1916.

I am for supervision of the schools by the superintendent and for economy in the county superintendent's office and every place where it does not retard the efficiency of the schools.

I am in favor of progressive education, that is, education that prepares the boy or girl for life. I am for all having a square deal and an equal chance for an education.

If nominated and elected I will do every thing in my power to make the schools of Jackson county the best in the state.

I hereby announce that I have filed my declaration of intention, and that I am a candidate for the republican nomination for the office of County School Superintendent of Jackson county, subject to the primaries of May 19.

If nominated and elected I pledge myself to an honest, impartial and economic administration and will personally supervise our schools.

I hold an Oregon life certificate, and having recently spent four seasons on preparatory work, both in the University of Oregon and in the University of California in the study of modern education and supervision, and having served the county as rural school supervisor for two years, I feel competent to fill the office in a thoroughly satisfactory manner and hereby solicit the support of every true friend of education.

I am a candidate for the republican nomination for County School Superintendent. I stand for: A continuation of progressive policies in education, economy consistent with efficiency, equal educational advantages for the boys and girls on the farms with those in the cities and towns.

If nominated and elected I will in the future, as in the past, give my full time and best efforts to the supervision of the schools and the administration of the duties of the office. During my incumbency I have not confined myself strictly to the routine duties of the office but have taken a broader view of the mission of the County School Superintendent.

In addition to my efforts to raise the standard of teaching and improve the physical conditions at school I have labored to promote the welfare of the boys and girls through industrial clubs, school fairs, school credits for home work, parent-teachers circles, spelling and arithmetic contests, and other activities. I feel that my work has been rewarded with favor and in order to continue this work, I am asking for re-election.

I hereby announce my candidacy for the nomination for sheriff of Jackson county, subject to the primary, May 19, 1916. I am a native son of Jackson county and my entire past life is subject to your investigation.

I hereby announce my candidacy for the republican nomination for sheriff of Jackson county, subject to the primary, May 19, 1916.
