

PUBLIC SHOWS LITTLE INTEREST IN PRIMARIES

Polls Open at 8 o'Clock in the Morning—Few Democratic Candidates on Ballot—Many Rivals Among Republican Aspirants—Progressive Ticket Principally Blanks.

Despite frantic efforts by candidates to arouse the public to the necessity of voting the nation by voting them into office, little interest or enthusiasm has marked the primary campaign. The county has been well canvassed by aspirants to office, and the blush of modesty has not marked their claims to preferment. The hottest fight has been in the republican ranks, there being only two contests among the democrats—district attorney and sheriff.

Democratic Ticket.

Democrats will vote for Wilson for president, with a choice of Elliott W. Major of Missouri and Thomas R. Marshall of Indiana for vice-president. Strange to say, most of the local democrats will vote for Major.

For district attorney, the choice lies between E. E. Kelly, present incumbent, Newton W. Borden and R. B. McCabe, all from Medford. For sheriff, the fight is between J. F. Dutton and Ralph G. Jennings. For surveyor, A. T. Brown, incumbent, has no opposition. For assessor, Clint Gallatin is sure of nomination. To fill out the ticket, the county central committee asks democrats to write in the following: For congressman, Mack A. Weatherford of Albany; for representatives: Jackson county, Marian B. Towne and H. L. DeArmond; for joint representative, J. R. Howard; for county clerk, W. H. Miller; for treasurer, Charles J. Numan; for school superintendent, L. T. Hodge of Ashland.

Republican Ticket.

Republicans have the choice of voting for Burton, Cummins or Hughes, or can write in Roosevelt. For vice-president, William Grant Webster of Illinois is the only candidate. For congress, W. C. Hawley, incumbent; for railroad commissioner, Thomas K. Campbell, incumbent, and Fred C. Buehler are rivals; for circuit judge, E. M. Collins has no opposition; for representative, Jackson county, Benton Bowers, who enjoyed the building of the Medford bridge, Ben C. Sheldon and C. M. Thomas are candidates. For joint representative, Simon Caro, the Roseburg merchant, and W. H. Gore, the Medford banker, are rivals. For district attorney, John H. Carlin, G. M. Roberts and Chandler Rorer Watson are candidates. For county commissioner, George W. O'Connell; for county clerk, G. A. Gardner, A. N. Hildebrand and Joseph (Little Joe) Wilson are offered. For sheriff, the choice lies between W. T. Greive, H. N. Lofland, A. W. Walker and E. W. (Curly) Wilson. For treasurer, Myrtle Blakeley, J. M. Crommiller and Roy L. Mauls are contestants; for coroner, John A. Paul; for county assessor, J. B. Coleman, J. C. Horning, George Lamm-pouch, W. W. Truax and E. M. Wilson are candidates; for county school superintendent, G. W. Ager, A. J. Hanby, F. C. Smith and J. Percy Wells are rivals.

A hot side fight is in progress between the party organization and its opponents for committees from the Medford precincts, two complete tickets being in the field, the object of the insurgents being to depose the present officers.

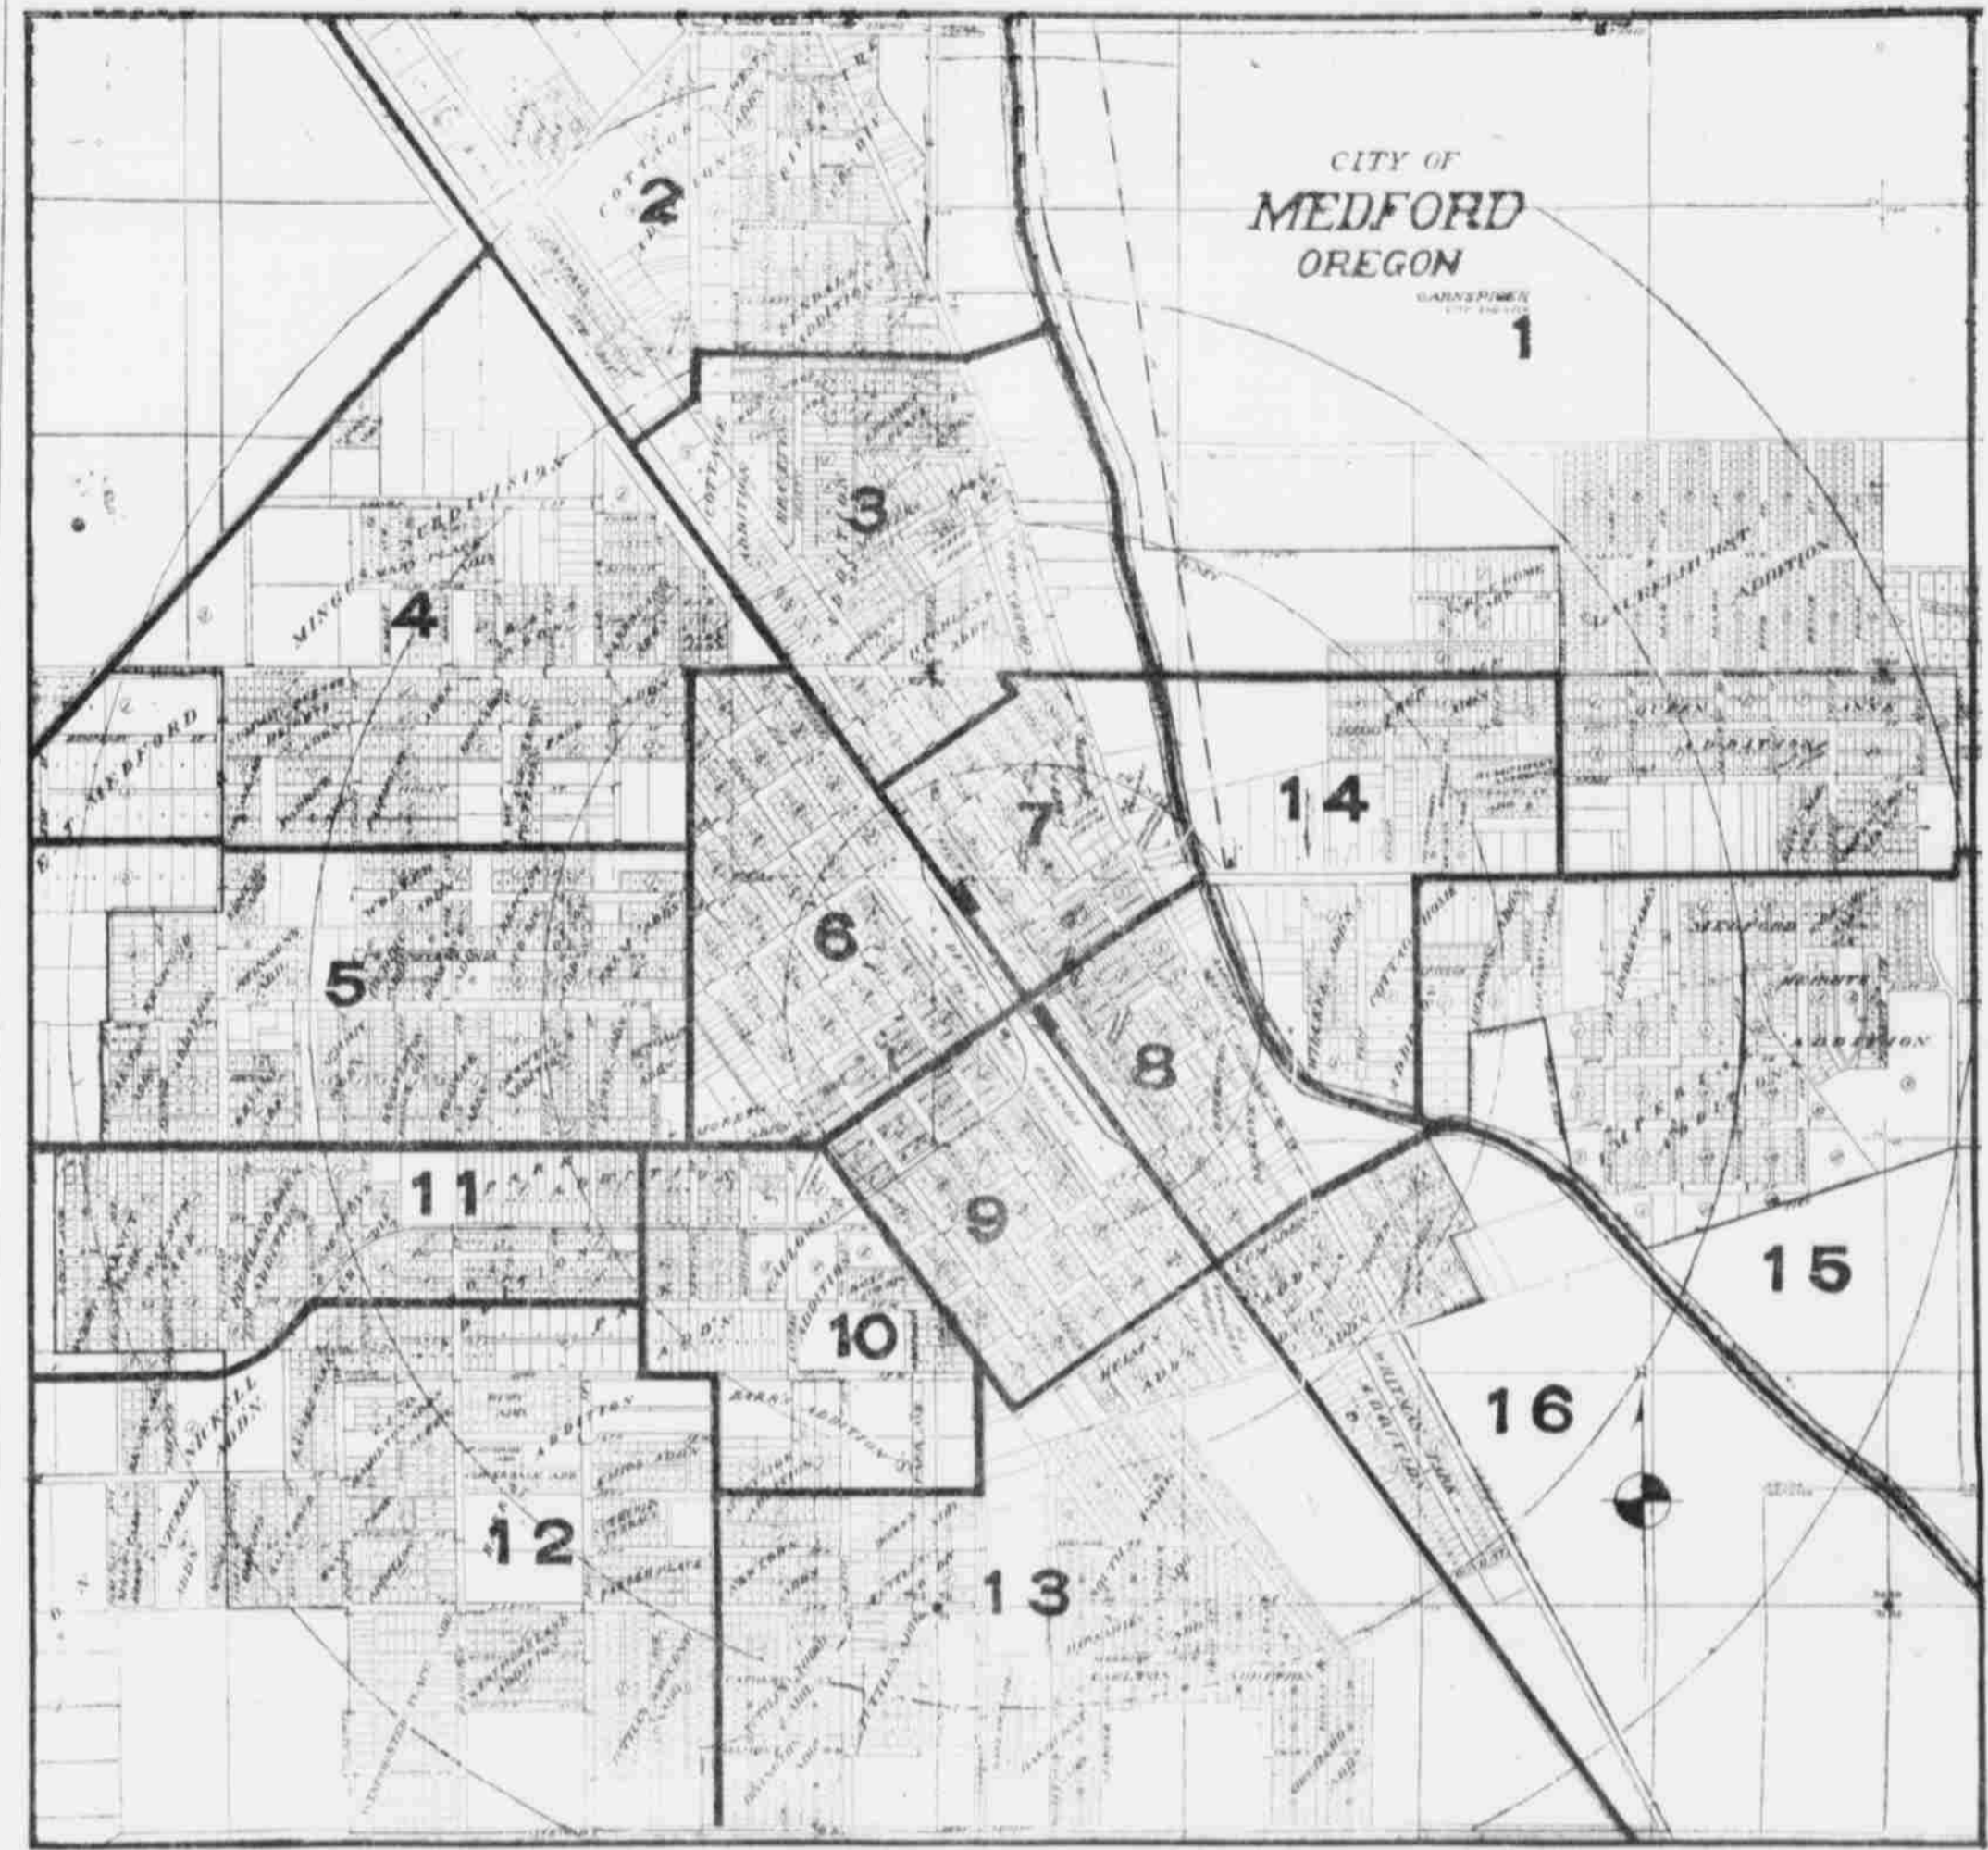

Progressive Ticket.

The progressive party ticket is a series of blanks on local or state officers. Leland S. Beveridge is a candidate for delegate to the national convention, without opposition. No candidate for president is named, but Roosevelt's name will be written in. Polls will open at 8 o'clock in the morning and close at 7 p. m. Voters not registered can be sworn in by two freeholders.

FLOOD PREVENTION UP TO SENATE

WASHINGTON, May 18.—Advocates of flood prevention legislation for the Mississippi and Sacramento rivers were hopeful today of early passage by the senate on the bill which the house passed last night by an overwhelming vote. The measure would appropriate \$45,000,000 for the Mississippi and \$5,000,000 for the Sacramento. This is contingent upon the Mississippi valley interests contributing an amount equal to one-half of the Mississippi appropriation and the California amount equal to the Sacramento appropriation.

It was brought out during the debate on the bill that the Mississippi river project would make it possible to reclaim at least 15,000,000 acres of land and the Sacramento project about 1,000,000 acres. A new bond, and he proposed to that end increases in taxes that will increase the revenue 900,000,000 francs annually on alcohol, wine, beer, cider, sugar and tobacco. He recommended that the maintenance of the 1915-16 income tax.

RIGG'S BANK DID BROKERAGE BUSINESS FOR DEFUNCT FIRM

WASHINGTON, May 18.—William A. Mearns, member of the bankrupt brokerage firm of Lewis Johnson & Co., called by the government, was a witness today in the perjury trial of three officers of the Riggs National bank, to testify to any relation existing between the bank and his firm, said that after the panic of 1907 such a relation was established. His firm, he said, wished to take over the Washington business of the New York brokerage firm of Post and Flagg and he went to see President Glover and Vice President Fletcher of the Riggs bank.

Mearns testified Mr. Glover told him the edge of a panic was a bad time for a bank to make new obligations, but if Lewis Johnson & Co. had good collateral, it probably could be accommodated. Later he said the loans were made. Mearns testified there was a private telephone between his office and the bank over which telephone orders for the sale and purchase of stocks were received. The wire, he said, connected with an instrument on the desk of H. H. Fletcher, one of the indicted men and then cashier of the bank.

PLUG CHEWING A WHOLESOME HABIT

In No Other Way Can You Get All the Richness and Flavor of the Leaf

"SPEAR HEAD" BEST CHEW

Many prominent physicians declare chewing to be the most wholesome way of enjoying tobacco. "I began chewing some years ago," said one, "and I soon found that it is the only way to get the benefit of all the rich juices stored up by nature in the tobacco leaf. I refer, of course, to the plug form of tobacco, which is the most natural and the cleanest form. Chewing good tobacco like Spear Head makes the salivary glands more active, which in turn has a beneficial effect on the whole system. Add to this the sweet, mellow, delicious flavor of a chew of Spear Head, and you have the highest possible degree of tobacco satisfaction. I mention Spear Head because I have found that this brand is exceptionally pure, being made in a factory that runs strictly according to pure-food rules." Spear Head is made of sun-ripened Burley, which is acknowledged to be the richest, mildest, finest flavored tobacco leaf in the world. And it is produced by the latest processes, which develop the quality and luscious flavor of the choice Burley to the supreme degree. A chew of Spear Head has a wholesome relish that is not found in any other chewing tobacco. In 10c cuts, wrapped in wax paper.
