The last assay of Blue Ledge ore by E. W. McEggen shows 24.4 per cent copper, \$12.62 silver and \$1.65 of gold per ton. This is \$162.94 per ton. The gold and silver in the ore are sufficient in value to pay for mining it. If this is not a bonanza, there is no bonanza in Alaska.

Postage stamps at De Voe's. Mrs. Inez Wheeler of Seattle, and Mrs. E. B. Lakin of Albany, this state, the latter a niece of Mrs. W. R. Crews of this city, enjoyed a visit to Ashland late last week, prior to Miss Wheeler's return to her Seattle home. They have been the guests of Judie W. R. Crews and Mrs. Crews for a week or more. He is much interested in the election tomorrow involving the Blue Ledge railroad project and predicts that a favorable vote will at once set things in motion on both sides of the Blue Ledge route. He declares that Medford is in the pre-eminence position when the great mining section of southern Oregon and northern California meet, here, now, expressed by the necessary means of transportation. He says that Medford, Oregon, certainly will be it.

Dr. Etzelmann will be at Hotel Nash every Wednesday. Hours for consultation 10 to 12.

Big ice milkshakes at De Voe's. E. L. Jones, one of the patient and most progressive miners in the Blue Ledge district, with headquarters at Eileen, came down from his property (Sunday) on business. Of course, he found excuse to stay a day or two—for the circus seldom pitches its tents in the mining districts. However, Mr. Jones believes that it will not be long until there will be busy mining community enough up there to justify the visit of the biggest circus on the continent if the people of Medford vote right on the bond proposition tomorrow. Business in immense volume awaits the railroad to the Blue Ledge—and it will all head for Medford as soon as it can come by rail.

C. J. Fry, of Copper, Cal., (formerly known as Hutton) who is in the city today, is enthusiastic over the probability of a railroad vote by the people of Medford Tuesday. The showing made by every test and every investigation in the Blue Ledge districts are overwhelmingly great that only those who prefer ignorance and opposition to knowledge and progress can possibly entertain any doubt. The business men and women, he trusts reason to believe, are almost a unit for the railroad and the vast volume of business it will produce at once.

MAYOR'S WIFE WHO BAKES OWN BREAD

Even though she is the wife of Mayor Harry L. Davis of Cleveland, Mrs. Davis bakes her own bread.

At a pure food show just held in the city over which her husband governs, Mrs. Davis was a prize winner in a bread-baking contest.

Here is the recipe used by this housewife-wife of a mayor: Dissolve a cake of yeast in a little water, a teaspoon of sugar and a pinch of salt.

Then make a stiff dough with two sifters of flour, three boiled potatoes mashed, tablespoonful of lard and a cup of sugar in warm water and the dissolved yeast. After it rises, mold it into three loaves and bake each in a separate pan.

PARAMOUNT PICTURE AT THE STAR TODAY

Theodore Roberts leads the distinguished all-star cast to appear in the new picture, "Mr. Grex of Monte Carlo."

The story has to do with the scheme of three of Europe's greatest diplomats to make a new map of the world, ignoring England and America. How all these clever plots and schemes are used by an impetuous young American to save with the grand old-fashioned ways of the most modern places even seen on the screen. Supporting Mr. Roberts are Gertrude Ederly, Miss Dorothy Davenport, James Neil, Horace B. Carpenter and Frank Elliott and other members of the Lasky all-star organization.

DIED. MONROE, John W. Moore, formerly known as John J. Jones, died at the Medford Hospital, May 20, aged 71 years. The funeral will be conducted by Rev. P. J. Ryan, who has had long been a resident, tomorrow for burial.

Deceased had no known relatives in this part of the country. He came down from the Oregon coast some years ago and has been a resident in the vicinity of Harrisburg for 10 or 12 years. He was an artist.

BOND BALLOT FAILS TO INCLUDE ALL OF RESOLUTION

In the hurry to prepare the ballot for use in the bond election Tuesday, only a portion of the proposed charter amendment was included. The omission of a vital part of the resolution may lead to substitution of the purpose of the election, so far as the authority of the city council goes. Hence, the Commercial club committee has issued a job form the following statement:

"The bond election held in principle does not show entire the resolution. It shows only the text in condensed form. The following does not appear, but is a part of the proposed charter amendment:

"That the said city council is hereby authorized and empowered to receive proposals for the construction of any such railway or railways, for and on behalf of said city and to adopt the same, provided, however, that no such proposal or contract shall be binding upon the city until the same shall have been submitted at a special or general election to the qualified voters of said city, and duly approved by a majority vote of the qualified voters of said city."

"A favorable vote carries the entire charter amendment. If carried, the council cannot spend a dollar of the bond until the contract shall have been submitted to and approved by the people.

"Vote for development and prosperity. Vote yes."

Thus it will be seen that after the bonds shall have been voted the city council has no power to handle them or the money resulting from their sale until the people by a majority vote may direct it. The people of the city have the final "say" in every vital move—and the last "say" when it comes to spending the money.

DANGERS OF A COLD

Many had cases of kidney trouble result from a cold or chill. Congested kidneys fall behind in filtering the poison-laden blood and backache, headache, dizziness and disordered kidneys result. Don't neglect a cold. Use Doan's Kidney Pills at the first sign of kidney trouble. Follow this Medford resident's example:

Mrs. J. H. Gustin, 521 S. Grape st., Medford, says: "I have been taking Doan's Kidney Pills whenever I have had the least of a kidney ailment for several years and I have always received the most satisfactory results. My kidneys seem to be the weakest spot and every little cold or strain affects them and my back becomes weak or lame. After I have taken a couple of boxes of Doan's Kidney Pills my kidneys become normal and in every way, I feel as well and vigorous as ever."

The public is asked to watch for and get in the next "Made in Medford" moving picture which will be a real moving comedy by home talent. It will not be a short three quarters of a minute run on the screen, but will be perhaps two full reels which will cost no more REAL MONEY, and will require better than one half hour to show it (not 3-4 of a minute). We spare no expense in making the Star theater the popular playhouse it now is and intend giving our many well pleased patrons the newest and best in everything. Watch for our new line of entertainment in the near future. It will be the surprise of all picture fans, as up to the present date nothing like it has ever been offered the Medford public.
