

PRESIDENT ASKS FOR CELEBRATION OF FLAG DAY JUNE 14

WASHINGTON, May 30.—President Wilson today issued a proclamation calling upon the people of the United States to celebrate Flag Day, June 14, with patriotic exercises, giving expression to "our thoughtful love of America."

My fellow countrymen: Many circumstances have recently conspired to turn our thoughts to a critical examination of the conditions of our national life, of the influences which have seemed to threaten to divide our interest and sympathy, of forces within and forces without that seemed likely to draw us away from the happy traditions of united purpose and action of which we have been so proud.

It has, therefore, seemed to me fitting that I should call your attention to the approach of the anniversary of the day upon which the flag of the United States was adopted by the congress as the emblem of the Union and to suggest to you that it should, this year, and in the years to come, be given special significance as a day of renewal and reminder, a day upon which we should direct our minds with a special desire of renewal to thoughts of the ideals and principles of which we have sought to make our great government the embodiment.

I therefore suggest and request that throughout the nation and, if possible, in every community, the 14th day of June be observed as Flag Day with special patriotic exercises, at which means shall be taken to give significant expression to our thoughtful love of America, our comprehension of the great mission of liberty and justice to which we have devoted ourselves as a people, our pride in the history and our enthusiasm for the political progress of the nation, our determination to make it greater and purer with each generation and our resolution to demonstrate to all the world its vital union in sentiment and purpose, accepting only those as true patriots who feel as we do the compulsion of this supreme allegiance.

PRESIDENT PAYS TRIBUTE TO HILL

WASHINGTON, May 30.—In response to a request President Wilson today sent this telegram to a St. Paul editor:

Along with the great majority of my fellow countrymen, I revere in the death of James J. Hill the loss of a man who has been extraordinarily useful in the economic development of the country. He belonged to a generation of builders to whom the country owes a real debt of gratitude and in that generation stood among the foremost figures.

EAGLE POINT EAGLETS

Mr. and Mrs. Irvin Daley and their daughter came out from Medford on the P. & E. last Tuesday, and Mrs. Frank Self was on the same train on her way home near Derby. Mr. and Mrs. G. W. Austin were on their way to Butte Falls to attend the funeral of one of their old neighbors in the unsurveyed country, 2 ears ago, Mr. John Moore.

Tuesday evening I received a summons over the telephone ordering me to be at the court house in Jacksonville at 2 o'clock p. m. Wednesday as a witness in the case of State of Oregon vs. W. E. Butler and accomplice. I started about 12 with Thos. K. Nichols, another witness reaching there on time, but as the case was not called that p. m. had to go back again in the morning of the 23rd, and after the jury was empaneled and five witnesses were examined the production discovered that a mistake

was made in the indictment and the case was dismissed, so we probably will all have to be called back in another suit. I noticed while I was at the county seat that the most of the jurors were fine, intelligent looking men and that speaks well for the representatives of Jackson county.

Last Thursday we had with us E. R. Peterson, our school supervisor, and he was accompanied by L. J. Allen of the extension service preparatory college at Corvallis, and C. P. Barkman, who has been spending a few weeks in Butte Falls, but who arrived a short time ago from Princeton, Ill. They were out rounding up the eighth grade pupils of the different schools in the county.

N. W. Slassen, our town barber, has got to be quite a regular visitor at the Sunnyside.

Miss Ruth Nichols, daughter of Mrs. E. O. Nichols, of Medford, who is now on a visit to Pennsylvania, came out Wednesday with her uncle, John Nichols, and is alternating between her two uncles and the rest of her relatives in this section.

Dan Macgley, wife and Mr. and Mrs. George Maekle and daughter, Miss Leah, and Donald Karnes, of Rogue River, have been visiting here with their aunt, uncle and cousins, the Frank Lewis family.

Everett Dahack has put on another jitney on the E.-P.-Medford route that makes three jitneys on that route and with the P. & E. running two round trips a day it looks as though we would be able to go to Medford almost any time, but I predict that the last jitney will last quick as Mr. S. H. Harnish seems to have the run of the trade and is known to be in that and the lively business and Frank Lewis is well known and is in business, and between them two with all the side help they receive and the popularity of the P. & E. railroad one would think that a third jitney would stand a poor show, especially when there is not enough business to justify the keeping up of one good machine.

Wm. Nickel and D. T. Patrick were here for dinner Friday and before Mr. Patrick left town he renewed his subscription to the W. M. T. and Mrs. Ed Tucker has also renewed her sub to the W. M. T. They are both of Brownsboro and C. E. Hoyt of Fort Klamath has also sent the cash to renew his sub to the W. M. T.

Geo. Brown and Sons have bought wool from R. H. Broadshaw abnace his last report.

Delbert Meyer and family motored through town Saturday morning on their way to Medford and W. E. Hammel and wife also drove over to Medford the same morning.

Edgar Ford of Butte Falls took the P. & E. for his home Saturday morning, but was so sick that he could hardly get on the car and then the conductor held the train for a few moments while a friend went to the drug store for something to relieve him. Mrs. S. M. Hawk and her daughter, Mrs. H. L. Vandermark, were on the train on their way to the Hawk home near Butte Falls, where they are to have a family reunion Sunday, having all the family, consisting of father, mother and eight children together. Miss Agnes Allen of Derby was also on her way home and so was Mrs. Benj. Edmonson Jr. of Butte Falls, and Mr. Couey of Derby, and E. A. Hildreth, also of B. F., he was just returning from the county seat where he had been to help count the votes of the late election.

H. M. Brown, of Iowa, came out on the P. & E. and went to the Sunnyside to be met by one of his old time friends, D. T. Patrick, whom he expects to visit for a few days. Mr. Kline, the fruit tree inspector, Mrs. Herman Meyer Jr. and Miss Alma Gould were guests at the Sunnyside Saturday for dinner.

Mr. Millet has returned to his home in Steamboat, which is a fourteen-mile walk. Mr. Millet said that it was quite a walk for a man of his age, but that he walked out to vote for Curley Wilson, and it took him all day to make the trip, just getting here in time to vote.
