

AMERICANS ROUT LARGEST BAND OF VILLISTAS LEFT

FIELD HEADQUARTERS, June 12.—The finishing blow was given the largest surviving band of Villa followers in Chihuahua at daylight June 9 by twenty men of the 13th United States cavalry under Captain Otto W. Rethore, in a dash against enemy fight twenty miles north of Santa Clara, near here.

The Americans routed twenty-five Villa bandits, killing three, wounding several and capturing all their horses and saddles, some rifles and several thousand rounds of ammunition, crippling the band completely.

A night ride brought the Americans into the canyon at daybreak, where they followed fresh horse trails. Riding at a gallop they rounded a turn within 200 yards of the bandits, encamped in a grove of pines. It was a complete surprise.

There was a headlong rush among the Villa followers, who, half clad, grabbed rifles and fought from behind trees.

The Americans dismounted and within three minutes had routed the bandits, who abandoned everything and sought refuge in the rugged mountains.

For four hours the Americans continued the pursuit, climbing over the mountains and fighting from the shelter of rocks.

Several Mexicans were shot but neither their bodies nor the wounded were recovered.

This band is said to have been the largest surviving remnant of the force of Cantelaria Cervantes, who was killed three weeks ago in a brush with Americans, is regarded as the most important accomplishment of the campaign.

EAGLE POINT EAGLETS

By A. C. Howlett

Since my last report, Le Farlow of Lake Creek, Alvin Bieherstedt of Brownsboro and John Allen of Derby have brought in wool for George Brown & Sons.

A few days ago I took a trip up to the F. Pelonze farm with Frank Brown, one of the firm of George Brown & Sons, in his auto. We found Mr. P. busy at work and his good wife attending to her domestic duties.

Had a talk with Mr. P. with regard to the management of our school and especially with regard to the move to have a high school to be voted on at our annual school meeting on Monday, June 19, at 3:15 p. m., and as to how we could conduct our school at a less expense than what we have been doing, and finally we all three had a general talk with regard to the road work that was undertaken last season, and suddenly dropped after those who had paid the amount subscribed toward making a good road.

he was getting along with his sugar beets and he told me that he did not get any in as the ground was not in a proper state for beets, but he had some good-looking corn and potatoes. On inquiry at the whereabouts of their son Robbie, was told that that day (Tuesday) he was in Vancouver, Wash., undergoing an examination to enter the military academy at West Point, and we all are hoping to hear that he passed with his colors flying.

I see by the Mail Tribune that the county court has ordered the piece of road mentioned repaired. I also noticed that William Perry has had a neat garage built for his auto to be housed in.

S. M. Hawk of Butte Falls passed through here Tuesday evening on his way to Medford to get legal advice with regard to the use of the water for his sawmill in the Big Butte country, and Lester Abbott went to Medford the next morning to look after his claim on the same water.

Mrs. E. L. Heath, wife of our merchant, made a business trip to Medford Monday, where her husband is conducting a drug store. Mrs. Heath and her son, Frederick, conduct the business of the store here. She returned to her home Tuesday evening.

Last Tuesday evening our mail contractor and carrier, George Austin, and Miss Lucinda M. Story of Gold Hill were married in Jacksonville and he surprised his many friends in our town by bringing her out with him and introducing her as his wife. We all wish him a lot of unalloyed pleasure and a prosperous journey through life.

Invitations were given out the first of the week to some of the older members of the community to meet on Wednesday, June 7, at the home of Mr. and Mrs. Charles Painter and join in commemorating the 87th birthday of his mother-in-law, Mrs. Jane Curtis, and also Mrs. A. N. Thomas of Central Point, who was also born on the 7th of June, this being her 76th birthday. Those present were: Rev. L. L. Simmons and family (they were not so old, but he being the pastor of Mr. and Mrs. P.'s and Mrs. Curtis' church, of course they had to be there), Mr. and Mrs. David Cingrade, Mr. and Mrs. M. S. Wood, Mrs. M. E. Owens, Miss Virginia Owens, Mrs. Wheeler, Mrs. Thomas, George H. Wamsley and daughter, Miss Mabel, Mr. and Mrs. R. J. McQuoid, Mrs. T. E. Nichols, Mrs. Elizabeth Jones, Mr. and Mrs. William G. Kaughton, Mrs. R. M. Whiteside, beside the family and your correspondent. There was a sumptuous feast prepared and one of Mrs. A. N. Thomas' daughters, Mrs. Bond, thought enough of her mother to send her a nice, large birthday cake for the occasion from Bend, Or., and that seemed to please the old lady more than all the rest of the presents she received.

Misses Mary, Anna and Cleo Robertson and Miss Amendie Schleicher of the Reese Creek district were doing business in Eagle Point Wednesday.

Thursday Rev. D. J. C. Rollins, wife and son Robert, P. J. Holley and W. H. Gore of Medford called for dinner on their rounds looking over the country.

E. W. Lijegran, assayer of Medford, on mining business, was out and took dinner Thursday, and that brings to my mind that C. E. Terrill of Brownsboro was in town this Saturday, morning and while here told of some of the discoveries being made in the hills surrounding us.

Some days ago I called attention to the discovery of copper in the neighborhood of Lost creek, and Mr. T. told me that Irvin Daley and Manley Conley have run a tunnel into the hill eighty-five feet and struck a regular vein of copper, and that he, Mr. Terrill, was here to meet a man and show him a place where asphalt is found in abundance. And he had other specimens of rock that he thought would prove valuable. He seems to think that the hills in this Butte and Antelope country abound in rich ores of different kinds.

Carl Richardson of Peyton was a caller for dinner Thursday.

Don't neglect to attend the school meeting on Monday, June 19, as the clerk, J. V. McIntyre, is going to put the financial report on the blackboard so that all can understand the whole arrangement. There is quite a lot of business to attend to and you are wanted there at 3:15 p. m. sharp. If you don't come, don't kick.

There was an auto car went through here Thursday from Alameda, Cal., on the way to Crater Lake. A little early, but they looked as though they did not stop at trifles.

Miss Mabel Pruitt motored into town Friday. She was accompanied by her mother and aunt, Mrs. John Cox, formerly of this country, but now of Oakland, Cal. John Cox owns one of the best stock ranches in Klamath county. It is leased now to James Gordon.

Mr. Wyland, who used to live on Antelope creek, but now of the Meadows, was here Friday on business.

R. W. Doyle of Pottsville, Ky., was here Friday for dinner. He represented White's Crown Fruit Jars Co.

Two of our neighbors, W. E. Hemmell and Robert Minter, met with quite an accident the other day. They

had a horse that had been traded off quite a number of times lately and they hitched him to a buggy to come to town, and just as Mr. H. was starting to get into the buggy while Mr. M. was holding the horse by the bit, he started to run, dragging Mr. M. some twenty yards. The hind wheel of the buggy struck Mr. H. and knocked him down, and in less time than it takes me to write it Mr. M. was thrown out of the way, and the sequel is the wreck of the buggy was brought to W. L. Childreth's shop for repairs, but fortunately no one was seriously hurt.

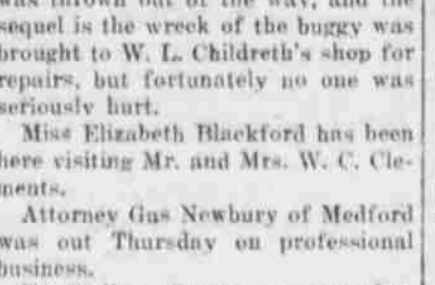

Miss Elizabeth Blackford has been here visiting Mr. and Mrs. W. C. Clements.

Attorney Gas Newbury of Medford was out Thursday on professional business.

Ed Walker, deputy game warden, and J. H. Dristall, district deputy game warden, were here for dinner, and so was Dr. Holt, Mr. Slosser and Fred Heath.

Chauncey Florey, our county recorder, and C. M. Hawk came out on the P. & E. Saturday morning, and Mr. Hawk, Mr. Swihart and Miss Gladys Holmes of Swihart went on up. Since my last report George Austin of Wellen, M. D. Bowles of Lake Creek and C. E. Terrill of Brownsboro have renewed their subscriptions to the Mail Tribune.

FRANK DANIELS AT STAR THEATER TODAY

Among the beauties, which may have been overlooked, is this: "Blessed are the laugh-makers, for they lighten the ills of the earth." Certainly, Frank Daniels, now starring in "What Happened to Father," Vitagraph Blue Ribbon Feature, would be classed among the benefactors of the race, for it would require a super-statistician to compute the number of human woes which have taken wings and fled before the magic of his inimitable drolleries.

A quick estimate discovers that if marshalled in columns of four abreast, the "grouches" he has disabested in his years before the public, would take seventeen weeks to pass a given point. Frank Daniels at the Star today and tonight.

Mr. and Mrs. E. D. Weston, accompanied by Mr. and Mrs. Tobe Brown, and son, Charles David, visited at the home of Rufus Thompson and then visited with Mr. and Mrs. D. H. Miller Sunday afternoon.

Rev. Wharton filled the pulpit of the Newman M. E. church in Grants Pass Sunday morning in the absence of that pastor, who is with his wife at the bedside of her mother in Lakeview. He returned Sunday afternoon in time to deliver the usual Sunday evening discourse.

The children's day program Sunday evening was a very creditable affair, some of the very small performers making their first appearance on the platform and showing much training and careful instruction. The superintendent, Miss Ida Starns, is certainly a wideawake official and very efficient work is being done in the Sunday school under her direction. The contests have been very interesting and profitable.

A WOMAN'S TORTURE

No ingenuity of barbarism ever devised an agony so intense, so persistent, so long-enduring, so nerve-harrowing as that which is suffered day after day by the woman whose distinctly feminine organism is deranged or diseased. There are three trying times in every woman's life: 1st—when girlhood blossoms into womanhood; 2d—when motherhood is achieved; 3d—the change.

Dr. Pierce's Favorite Prescription was devised to make these three periods safe and painless by restoring to vigorous health the organs involved. It soothes, heals, nourishes. It gives nature just the help it needs. It is the only ready-prepared medicine devised by a regularly graduated physician and skilled specialist in the diseases of women.

You know what you are getting with this Prescription of Doctor Pierce's, because it's extracted from native roots by using glycerine—no alcohol or narcotics. The ingredients published on wrapper and free to the world.

For all diseases peculiar to women, Dr. Pierce's Favorite Prescription is a powerful restorative. For nearly fifty years it has banished from the lives of tens of thousands of women the pain, worry, misery and distress caused by irregularities and diseases of a feminine character. Buy it now, in liquid or tablet form from your druggist or send 50 cents or \$1.00 to Doctor Pierce's 'Invalids' Hotel, Buffalo, N. Y., for tablets. Write for free book on woman's diseases.

If you will pay the mailing charges, Doctor Pierce will send you his cloth-bound book of over 1,000 pages, newly revised with color plates and illustrations. Send three dimes or stamps to Dr. Pierce, 'Invalids' Hotel, Buffalo, N. Y., and enclose this notice.

Hughes for president. Permit me to give a few reasons why I shall vote for Charles E. Hughes. I am a firm believer in progressive principles. I have not changed in my faith in the triumph of progressive principles. The republican platform just adopted at Chicago was progressive, and in Charles E. Hughes the republicans nominated a thorough-going progressive, as his record as governor of New York shows.

The progressive party leaders, including Colonel Roosevelt, have repeatedly announced that they would unite with the republicans if the republican party would adopt a progressive platform with strong planks on Americanism and preparedness and nominate as their standard-bearer a man who was progressive and was a supporter of such a platform. They further stated that the nominee did not necessarily have to be Colonel Roosevelt.

The course of events since 1912, due in a large measure to the great war in Europe, has brought new issues to the front. This, together with the willingness of the progressive party leaders to unite with the republicans on a progressive platform with Americanism its keynote and a candidate in harmony with these principles, is my reason for voting for Charles E. Hughes and the republican party in the coming campaign.

The progressive and republican platforms just adopted at Chicago are in their main planks alike, differing only in phraseology. The bosses and the special interests did not want Hughes. The standpatters at heart were opposed to him. The rank and file of the republican party, however, demanded the nomination of Hughes, and the people ruled.

The progressive party has saved the soul of the republican party. The republican party, purified and redeemed by the experiences of the last four years, has a new lease of life and an opportunity for great good in the years to come.

Charles E. Hughes has always been a progressive. As governor he fought for a primary law in New York, and it was only the combination of Boss Barnes and Ross Murphy which defeated it. Hughes was the

Deafness Cannot Be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutionally restoring the hearing mechanism. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a running sound or imperfect hearing, and when it is entirely closed deafness is the result. The inflammation can be taken out and the tube restored to its normal condition, hearing will be restored. Write for our circular, which will give you the full particulars. We will give you one hundred dollars for any case of deafness (caused by otitis) that cannot be cured by our 'Cathartic Cure.' Send for circular, free. J. C. HENLEY & CO., Toledo, O. The Boy is Father to the Man

Old sayings like this are fraught with most important meaning. And what will add the expectant mother's health, her rest, and the absence of venereal diseases is a subject of vast moment. Among the recognized helps is a splendid remedy known as "Mother's Friend." Applied to the muscles it sinks in deeply to make them firm and pliant.
