

NURSERYMEN OF COAST TO MEET HERE NEXT WEEK

The Pacific Coast Association of Nurserymen will hold their convention in this city on Tuesday, Wednesday and Thursday of next week.

N. S. Bennett, the popular local nurseryman, is responsible for the choosing of Medford as the convention city. He has worked for it for five years. The Greater Medford club will entertain the visitors, who will number about seventy-five persons.

Howard Everts Weed of Beaverton, Or., will give a free lecture to the public on Wednesday evening, lecturing on landscape gardening. He is a noted lecturer and an authority on this subject.

The convention would appreciate the display of fruits, cherries and flowers. The convention and display will be held at the Natatorium.

The visitors will be given three distinct entertainments. The first will be Tuesday afternoon, consisting of trips in and around Medford under the supervision of Mrs. Hovious. Wednesday afternoon, Mrs. E. E. Gore as hostess, will give an orchard trip. Mrs. E. V. Coffin Thursday will take the delegates to Lithia park, Ashland.

The Pacific Coast Protective association will meet Wednesday afternoon, the time and place to be given later.

There will be three musical programs under the direction of Mrs. Lynette Hovious, Mrs. E. E. Gore and Mrs. E. V. Coffin, one for each day. The trips will be started at 3 p. m.

President S. A. Miller of Milton, Or., is a cousin of Mr. Bennett.

ITALY SHAKEN BY SEVERE EARTHQUAKE

ROME, June 16, via Paris.—A heavy earth shock was reported at 3:25 o'clock this morning at Forli, a town of central Italy having a population of 50,000, and at Rimini, a town with the same number of persons, twenty-eight miles further east. There were no casualties.

SIEBERT OF O. A. C. MEDFORD PITCHER AGAINST KLAMATH

The following is Medford's batting order for next Sunday's game at Klamath Falls: Scholtz, ss.; Wilson, c.; Miles, 2b; Caster, rf; Peronol, cf; Sieberts, p.; Force, c.; Coleman, lf.; Moran, 3b; Miller and Smith utility men.

The Klamath Falls-Medford game at Klamath Falls next Sunday is creating a lot of interest among the fans, and 100 will journey to the Falls city Saturday afternoon and Sunday morning to see the game. The line up for Medford is a good one. Both out and infield will be equally strong. Sieberts is the leading pitcher of O. A. C., and pitched most of the games for that college during the late spring months. Sieberts comes well recommended and with a fast fielding bunch behind him like the Medford team ought to give Klamath Falls a hard game Sunday.

By the way the Klamath Falls fans are clamoring for some team to give their team a hard game. The satisfaction of seeing such a game will occur June 18th.

Fans should be honest in their criticism of a ball team. Because a pitcher gets wild and walks half a dozen men in one inning is no reason why the rest of the team playing should be criticised. Caster was very wild in the latter part of last Sunday's game with the exception of two wild throws the Medford team played a good fast game.

Klamath Falls and Weed are two towns where the fans are loyal to the team. Every one wants to see their home town win. Medford as a whole are loyal, but there are a few exceptions.

Catcher Force is showing up better in every game. This bird who is only 20 years old is a natural ball player. He has had very little experience, however. His throw to second is a peach, besides he is no slouch of a batter. McCredie is already throwing out a line for Force, and who knows but what he may find another Guisto in Medford.

CADET COMMANDER OF WEST POINT DEAD

WEST POINT, N. Y., June 16.—Lieutenant Colonel Morton F. Smith, commandant of cadets at the United States Military academy, died at his quarters here today after a brief illness. He was born in Colorado on July 30, 1872, and was appointed a cadet at the military academy June 17, 1891, being graduated with the class of '95.

Colonel Smith had been commandant of cadets at the academy since April 3, 1914. By virtue of that appointment he acquired the rank of lieutenant colonel during his incumbency.

WILSON NAMED TO LEAD TICKET BY DEMOCRATS

COLISEUM, ST. LOUIS, June 16.—President Wilson and Vice-President Marshall were nominated by acclamation last night by the democratic national convention; the ticket being completed four minutes before Friday.

There never was any doubt of President Wilson's nomination tonight but there was a possibility that some vice-presidential booms might be brought out into opposition to Vice-President Marshall. They melted away however when the convention got in session and as soon as President Wilson's nomination had been made by a roaring chorus of acclamation, Senator Kern, who renominated Mr. Marshall, cast aside a long prepared speech and simply declared:

"I nominate Thomas Riley Marshall of Indiana for vice-president."

To President Wilson's nomination there was only one dissenting vote, Robert Emmett Burke, of Illinois, who came to the convention declaring that he was opposed to the president. His vote technically made the president's nomination 1,091 to one.

When the gavel fell calling the session to order John W. Westcott of New Jersey, who nominated President Wilson at the Baltimore convention, was ready on the floor to deliver the speech of renomination; Senator Kern of Indiana to renominate Vice-President Marshall, and John H. Atwood of Missouri to deliver the speech nominating Governor Major for the vice-presidency.

Governor Major of Missouri said the withdrawal of Governor Morehead would not change his plans to have his name presented.

Before the convention was called to order the coliseum was so full that the fire department took charge of the entrances and permitted no more to come in. William J. Bryan, however, managed to get by, and got his usual uproarious reception as he took his seat.

At 9:15 o'clock, Chairman James rapped the convention to order. The Rev. W. J. Hardesty, chaplain of the Missouri senate, offered a prayer.

Applause was given to Judge Westcott's remarks on the policy toward Mexico. The crowd was attentive and quiet. It voiced approval of America's maintenance of international law. Some of the crowd however were eager for the nomination.

"Name him, name him," came cries from the galleries.

Judge Westcott hurried a little and concluded his speech renominating President Wilson at 10:49 p. m.

As Judge Westcott closed with a mention of the name, "Woodrow Wilson" the crowd broke into a great demonstration.

Moving picture flash lights blazed and flags were paraded in front of the stand. The band played "The Star Spangled Banner" while a huge banner bearing the president's likeness was unfurled from the roof of the hall.

The delegates began a parade bearing state stanchions.

Chairman James yielded the chair

BRYAN PRAISES PEACE POLICIES OF ADMINISTRATION

COLISEUM, ST. LOUIS, June 16.—The crowd yielded to the rasping of the gavel long enough to hear the prayer and then renewed its demands for a speech from Bryan last night. Chairman James admonished the galleries.

Mr. Bryan said in part:

"While our president and our congress were at work constructing a splendid pyramid of performance, a war came that threw upon this administration, such burdens as no president has had to bear with in the last 50 years. We inherited from a Republican administration a revolution in Mexico. This administration has dealt with the situation and the Republican party dare not challenge a verdict before the country on the Mexican question."

"We have a few men interested in ranches and a few interested in mines, who would use the blood of American soldiers to guarantee profits and their investments in a foreign land."

"Why, my friends, if President Wilson yielded to the demand of those who have clamored for intervention in Mexico, we would no sooner have crossed the line than the same men would tell him that the soldiers must never come out, for, my friends, annexation is the next step after intervention has been undertaken. And if we invaded Mexico, these same men would say 'on to Panama.'"

"But, my friends, the president not only has had to deal with war to the south of us, but with war to the east of us. My friends, I have differed from our president on some of the methods employed in that war, but I am one of those who desire that this nation shall not become a participant in the dreadful conflict."

"We have a record upon which we can appeal to the people for their support, without fear and without blush. I believe the American people, grateful for what this administration has done, grateful that we have peace in this country while war stalks throughout the world, will not be unkindful of the fact that it was a Democratic president, supported by a Democratic senate and house, who has thus saved the country the horrors of that war."

during the demonstration to Representative Hefflin of Alabama. Women delegates were among the paraders in the aisles. Senators and representatives helped carry banners. Senator Hughes personally bore the New Jersey flag.

Sergeant-at-Arms Martin stirred up enthusiasm by waving the Texas "lone star" flag over the heads of the crowd from the chairman's chair.

PICKEL PLANNING TO MOVE RESIDENCE TO SUMMIT AVE.

Dr. E. B. Pickel is contemplating the moving of his residence, corner of Ivy and Main, to the lots owned by him on Summit avenue, on Main street.

It is planned to cut the house in two parts, through the east and west sides, then move it out Ivy to Sixth, then to Oakdale, out Fourth to Summit avenue, and then to its location.

It is impossible to go out Main on account of the trolley wires. Fourth street is thirty feet wide and Summit avenue is twenty-eight feet, which necessitates the cutting of the residence to fit the streets.

The present location is surrounded by business houses and is a business block. The taxes are close to \$600 per year, or a rent of \$50 per month. It is surrounded on three sides by 550 feet of pavement.

The Vawter residence has been let to the University club and it is probable a business block will be erected on the Pickel property.

Contractor Moffat will have charge of the moving of the residence. It will cost in the neighborhood of \$1500 to move and construct a new foundation.

ROTTERDAM RIOTS OVER FOOD PRICES

AMSTERDAM, June 16, via London.—Disturbances at Rotterdam by demonstrators against the high price of food were repeated last night, especially in the neighborhood of the town hall. There was some stone-throwing and the police cleared the streets by charging the crowds.

WHY FAMOUS PASTRY COOKS USE KC BAKING POWDER

The patrons of our first class hotels and restaurants are exacting—they demand the best. Women go where the pastry and cakes are noted for their excellence. Men are attracted by hot bread and biscuits—when fresh and moist and light.

The pastry cook with a reputation uses K C Baking Powder because he knows that results are certain; every time everything is as good as his best.

Then, too, with K C Baking Powder he can mix the various kinds of batter before the rush of the meal begins and bake as needed so that every order goes to the table fresh and hot, yet the last he bakes are just as good as the first.

The reasons behind these reasons is that K C is really a blend of two baking powders. One commences to give off leavening gas as soon as moistened. The other requires both moisture and heat to make it active. Dough or batter will remain in a partially leavened condition for hours, and when put in the oven, will come up as light as if mixed a moment before.

For cookies, pancakes, doughnuts and the like, which cannot all be baked at once, K C is indispensable. For all baking the doubleraise makes doubly certain.

Follow the example of the professional cook and your baking will be equal to his.
