STRONG FEATURES AT PAGE THEATER

Pretty Beasie Barriscale is back at the Page today in a strong film entitled "In the Last Act." Miss Barriscale plays the part of Ethel Audrey, an actress who is befriended by a strange woman when she is "down and out." From the moment of meeting the charitable woman, Ethel's success starts, ending with her becoming a star of first magnitude. She meets a man who is highly attractive to her who turns out to be the husband of the woman who befriended her. When she learns this Ethel gives back the husband with whom she had fallen desperately in love. Tense scenes are frequent and these are splendidly enacted by Miss Barriscale and her support, which consists of Harry Keenan, May Allen and Clara Williams. The motion picture program is completed by an exciting Triangle Keystone "Cinders of Love" presenting Chester Conklin in a burlesque on the rivalry at times exists between the police and fire department.

A BIT OF ADVICE

First—Don't Delay. Second—Don't Experiment. If you suffer from backache, headache or dizzy spells; if you rest poorly and are languid in the morning; if the kidney secretions are irregular and unnatural in appearance, do not delay. In such cases the kidneys often need help. Doan's Kidney Pills are especially prepared for kidney trouble. They are recommended by thousands. Can Medford residents desire more convincing proof of their effectiveness than the statement of a Medford citizen who has used them and willingly testifies to their worth? Mrs. A. W. McCutcheon, 526 N. Front St., Medford, says: "I am subject a great deal at times to backache. It is one of those constant, dull aches in the small of my back. Often it can hardly turn over in bed, as my back feels so weak and sore. In the morning I can hardly get up. Since I have been taking Doan's Kidney Pills, I am not bothered so much by my back. This medicine makes me feel better in every way." Price, 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. McCutcheon had.
