15,004 Paid Admissions to Round-Up—Largest Crowd in Southern Oregon's History Witnesses Many Events Provided by Lithia City—Parade Spectacular.

ASHLAND, Ore., July 5.—Under perfect weather conditions the initial unit of the three day celebration was ushered in yesterday with an attendance estimated at 20,000 or over. Fully 2000 automobiles brought visitors in addition to excursion trains.

**Morning Pageant Beautiful.**  
Queen Lithia's pageant occupied the morning hours and it was indeed a pageant as well as an industrial parade. Escorted by four bands and the military, scores of floats, civic organizations, riding clubs, and cowboy contingents made up such an ensemble on the march as has never been witnessed before on Ashland's streets. Among them were the Ashland Girls Marketing club, Red Cross Brigade, Uncle Sam personified in his ship of state, Medford Riding club, Pioneer outfit, the Southern Pacific "Lithia Special," which was unique to a remarkable degree, Humane society, Parasol marchers neatly uniformed, Ladies' Civic Auxiliary creation, Suffrage followers, Civic Improvement club, Rebekah contingent of Odd Fellows, Woodmen of the World, Western Union on wheels, Fruit association, Eden Valley nursery, Home Laundry, Ashland Trading company, Natatorium boys in bathing costumes, Hotel Oregon, White House Grocery exhibiting staples with an expert chef flipping flapjacks over the radiator, Macabees, Briggs & Elmore's shoe store, Ashland Riding club, Clover Leaf dairy, Hotel Medford, and many others, the pageant being led by Queen Lithia and her attendants in an ornate chariot. Interspersed in the parade were buckaroos both white men and Indians, also a stage coach reminder of the early days manned by a motley crew of passengers who had for supercargo a quartet of bear cubs. Squaws dancing on a platform on wheels was another novel feature. The riding clubs were superb, the Medford organization being equipped with natty uniforms exceedingly apropos. The evolution as executed by the Girls' Marching club were greeted with unbounded enthusiasm.

## AUTO SMASHES MAR CELEBRATION; NO SERIOUS INJURIES

Six accidents and no serious injuries was the result of the heavy traffic on the highway between Medford and Ashland. At 8 o'clock in the morning B. E. Haney, driving a Maxwell on jitney service, was struck by a Ford driven by Herman Myers of Lake Creek. The accident occurred when Myers turned out from behind a horse and buggy just as Haney was passing it. Myers acknowledged blame for the accident. A Ford following Myers was unable to stop quickly and to avoid running into the wrecked cars, the driver drove his car into the ditch.

At 1:30 Earl Reynolds, driving a party of nurses along Main street, was struck by a Ford driven by Hill Childers of Gold Hill at the intersection of Main and Riverside. It is claimed that Reynolds entered the intersection before the other car and consequently was in the right. Reynolds' car was tipped completely over and the driver and passengers were pinned underneath. Fortunately all escaped with minor bruise and scratches.

The other accidents were merely cars run into the ditch on account of fast driving in heavy traffic. None of the cars were seriously injured.

Residents of Jackson county, with the exception of a few drivers of both private cars and jitneys, observed the speed laws carefully. Speeders were mostly tourists from out of the county. At Phoenix there were several policemen out, equipped with pads for getting numbers. A slackening of speed through that town was very noticeable.

As far as can be learned there were no accidents with horsedrawn vehicles.

## GENERAL KILLED IN CLASH WITH VILLISTAS

CHIHUAHUA, Mex., July 2.—General Ignacio Ramos was killed in a fierce bloody battle that raged all yesterday at Corral ranch, fifteen miles southwest of Jimenez, between a small force of de facto troops and several regiments of Villistas. Both sides suffered heavy losses.

championship, cowgirl's relay race, slick-car race, cowboys novelty race, and wild horse race. Jim Roach also gave a masterful exhibition of roping after from horse without use of bridle or halter. Figures as to records are not yet available, inasmuch as the scores will be completed on a system of averages for the tourneys covering the three-day meets.

**Today Medford Day.**  
Today is Medford and Dedication day, with another big attendance. The parade feature was a decorated automobile affair with hundreds of cars in line. This was to mark the accomplishment of the Pacific Highway triumph. A patriotic ceremony followed in the parks. The declaration of independence was read by Miss Minnie Jackson. There was also an address by Prof. Vining, and remarks by Chairman E. D. Briggs.

Made was by the Grants Pass band. Tonight an outline of the springs and park development will be given by Prof. Vining. The christening of Miss May Weisenburger as Queen Lithia and Miss Emma Jenkins as the queen's maid of honor will also occur. The formal address of the celebration event will be given by John M. Scott, general passenger agent of the Southern Pacific, his theme being "Future Possibilities of Ashland as a Health Resort." Made will be by the Elks' quartet and the four bands will be massed in giving a musical demonstration of patriotic airs.

Souvenir programs are being issued daily, gotten out by L. E. Roberts of this city. The edition is issued each day, and the folder epitomizes the events of each particular date in regular order.

The float gotten up by the Ladies' Auxiliary club was really a marvel of the town as the most attractive feature of Tuesday's parade. All were fine, but the particular one attracted a crowd in the way of originality in design and artistic handwork.

## SEVENTH COMPANY ORDERED TO RECRUIT TO FULL STRENGTH

Telegraphic instructions were received this morning by Captain Vance of the Seventh company to at once recruit up to full war strength. No indication was given as to the probable reason for this rush order to be prepared for active service, but it is presumed that the war department is expecting to call the Coast Artillery troops into service at once. Orders have already been received to go into camp at Fort Stevens on the 15th of this month, and it is thought that it is intended to keep the artillery troops mobilized at the various coast fortifications of the country until the Mexican situation is definitely settled. If war is the outcome, the Coast Artillery troops will no doubt be transferred into the infantry unless complications should arise with some other power having a navy, when the fortifications would be manned by the national guard artillery corps.

Captain Vance desires to urge immediate enlistment by those desiring to join the national guard forces. The Seventh company needs about fifty men to fill the ranks to war strength, and this number should be secured right here in Medford within the next few days. Those enlisting in the company at this time will receive full pay while at camp and thereafter will receive 25 per cent of the pay of the regular soldier of the same rank. The pay received by the national guard when not in camp is as follows: Captain, \$500 per year; first lieutenant, \$240; second lieutenant, \$200; first sergeant, \$135; sergeants, \$90; corporals, \$63; privates, \$45. In addition to the above, the pay of enlisted men is increased for certain ratings as follows: Second class gunner, \$6 per year; first class gunner, \$9; expert rifleman, \$15; qualified sharpshooter, \$9; qualified marksmen, \$6; observer, first class, \$27; platoon, \$27; observer, second class, \$21; gun commander and gun pointer, \$21.

The only requirement necessary to receive the authorized pay is to attend drill each week. Payment is made on the basis of the number of drills attended during the year, the amount received being in proportion to the weekly attendance. The drills now being held, beginning July 1, are included in the yearly schedule.
