A Ford roadster, owned by the Medford Fruit Co., and driven by A. F. Finzer, collided with a bicycle, ridden by C. L. Wilson Wednesday evening at six o'clock. The accident occurred at the corner of Main and Front streets. Finzer was driving the car south along Front, while Wilson was pedaling West up Main. It was alleged that the car was traveling faster than the eight miles an hour required by city ordinance at street crossings. The tracks where the wheels of the car were slid, showed also that the car was in the center of the street, instead of keeping to the right. Finzer took Wilson to a repair shop, where he settled for all damages to the wheel. Wilson was not injured.

HOUSE TO REJECT BIG NAVY BILL

WASHINGTON, July 27.—President Wilson summoned to the white house today Representatives Padgett, Talbot and Estopinal, the ranking democratic members of the house naval committee, and told them he believed it vital that the house adopt the naval bill as it passed the senate, with the construction program, including four battle cruisers and four battleships to be built immediately and an increase in the enlisted personnel of the navy.

The naval committee at a meeting after the white house conference agreed to report the bill back to the house with a recommendation that the house disagree to all the senate amendments, and send the bill to conference for adjustment there.

THE CARE OF THE EYE IS THE LIFE OF THAT ORGAN

In other words, if you want your eyes to stay by you and preserve your sense of sight as long as you live, you must take good care of them. Economy is a very good thing in the right direction, but, when it comes to the eye, a poor pair of glasses will not take the place of a good pair. If you want good glasses I can furnish them.
