FEW ESCAPED CLOUDBURST IN VIRGINIA VALLEY

HUNTINGTON, W. Va., Aug. 11.—Rescue parties proceeded far into the mountain districts today, carrying relief to thousands of homeless people in the Cabin creek valley, which was swept by a flood Wednesday, causing a loss of more than 60 lives and property damage reaching into the millions. Progress was slow as many bridges have been washed out and the roads are blocked by slides. Scores of men have begun cleaning up the debris to prevent an epidemic and to open the roads through the valley so that supplies can be transported to stricken towns. J. W. Hartless of this city, who was at Eskdale Wednesday morning when the cloudburst swept Cabin creek valley, is the first eye witness to reach Huntington from the flooded district. According to his story, at 8:30 o'clock in the morning Cabin creek started rising at the rate of eight feet an hour and continued until the creek reached from mountain to mountain. Houses floated down stream at the rate of one a minute. Whole families rushed for the hillside, he said, but some never reached safety. One could hear women praying on all sides. The known dead by towns follows: Ferndale, 18; Hurricane, 1; Oakley, 7; Eskdale, 3; Lee Wood, 1; Cherokee, 1; Ohley, 5; Brownland, 1; Red Warrior, 1. Scores of others are missing and are believed to be dead.

DEWOLF HOPPER IN "SUNSHINE DAD"

DeWolf Hopper, who played in the Gilbert and Sullivan Opera, "The Mikado," here two years ago, will make his photoplay debut to lovers of the motion picture art at the Page Theatre today, in D. W. Griffiths Fine Arts modern comedy, entitled "Sunshine Dad." "Sunshine Dad" is an old sport, fond of a good time, who does not approve of his son's staid manner. And his wild life with chorus girls results in getting the son into a complicated predicament. A pair of villainous hinds, a real lion turned loose, and a treacherous Count, played by Chester Whitey, figure prominently in the play. However, in the concluding scenes, "Sunshine Dad" proves himself worthy of the hand of Widow Harrison, a charming person, played by Fay Tincher. An innovation in Keystone is Senett's "Snow Cure." It is a three-reeler, and each reel is a three-reeler. With Ford Sterling as the star, the tragic love story is told of a male flirt, who fell in love with the wife of his fellow boarder. This "He vampire" does his best to wreck the home of the poor hen-pecked Dutchman. Even a worm turns at last, so when the Dutchman finds his wife and Ford in a "compromising" situation, he wreaks terrible vengeance with a Keystone revolver in true Keystone fashion. This is one of the best all-around bills, that has held the boards at the Page Theatre for some time and is sure to win instant favor.

FLOUR ADVANCES FROM 70 TO 80 CENTS A BARREL

NEW YORK, Aug. 11.—Flour sold in the New York markets today at 85 to 89 a barrel, an advance of 70 to 80 cents a barrel, as a result of an increased price in wheat. One miller said there was considerable old flour in the hands of jobbers which was still selling at prices prevailing before the advance. The average

"Dad" Wahl is an old locomotive engineer, and the first day's trial at running the car, he circled around the place two or three times, looking for a side track to get off the main line. Finally he struck a derail switch and ran into the bank, before he was able to apply the air. He got out and talked to her in two different languages. Fortunately, help arrived, and the little Ford was run over the turn table into the round house.

NOW TIME TO TRADE. I have a 160-acre stock ranch; good location; 100 acres in grain, some alfalfa. This place recently sold for \$12,000; no incumbrance. Will trade for good orchard, prefer pears, or would take city property. Would trade even or assume some incumbrance on orchard proposition. J. C. BARNES 102 West Main Street. INTERURBAN AUTOCAR CO.
