FISH FOR 100,000 IN SPOKANE WATERS

SPOKANE, Wn., Sept. 1.—Enough trout to provide a weekly feast for 100,000 people for four months have been planted in the lakes and streams of Spokane county this year, according to the annual report of the game commission.

As a part of the campaign which Spokane sportsmen are waging to make this section the fisherman's paradise, 1,665,000 eastern brook, silver, rainbow, cut-throat and steelhead trout have been liberated in the waters around Spokane this year, while in 1915 the plantings aggregated more than 2,000,000. Within a year it is estimated each of these fish will weigh a pound.

Similar work is in progress to provide good sport for the hunter. This year the county game commission has distributed thousands of Chinese and silver pheasants and quail.

PRESIDENT GOES TO NOTIFICATION SCENE

WASHINGTON, Sept. 1.—President Wilson, accompanied by Mrs. Wilson, left here this afternoon for the summer white house, Shadow Lawn, at Long Branch, N. J., where he will formally be notified tomorrow of his renomination. Arrangements were made at the white house today for sending to Shadow Lawn by special messenger the bill to meet the threat-

PAULINE FREDERICK AS GIPSY AT STAR

Pauline Frederick, noted for her characterizations of fascinating and alluring women, as well as for her realistic portrayals of sweet, innocent girlhood, demonstrates her unusual versatility in the latest Famous Players-Paramount picture, based upon Israel Zangwill's "The Moment Before," which appears at the Star for the last time tonight. In this photoplay Miss Frederick adds a new role to her remarkable screen repertoire, that of Madge, a gypsy maid. The story takes her from the camp of her brutal husband, John, into the employ of Harold, the second son of the aged Duke of Maldon. Her husband, suspecting the love affair existing between his wife and Harold, goes to seek her.

A personal interest film entitled "Uncle Sam at Work," which shows Washington, D. C., postoffice and its modern equipment, seal reserves, whale fishing, etc., completes the bill.

The statement says: "During an inspection of a position six miles southwest of Baranovich, Divisional Commander Major General Nikitin was killed by a bullet in the head. South of Lake Wygonowakole on the Oginsky canal, an enemy aeroplane was hit by our artillery. The machine, after landing between the German positions and our own lines was bombarded with fury."

PARIS, Sept. 1.—The war department statement today, regarding military operations in the Balkans, says: "Army of the east: The artillery bombardment continues at various points along the front."

BATTLES RAGING, MANY LIVES LOST ON RUSSIAN FRONT

PETROGRAD, Sept. 1.—"In the direction of Vladimir, Volynsk, and west of Cleksnetz stubborn fighting is raging.

"In the direction of Halex, in the region of the river Horovanka fierce fighting also is raging.

"In the Carpathians in the region of the Tomatic mountain our troops captured a whole series of heights.

"In the region of Dornavatra on the Rumanian border, we made a slight advance to the westward. During yesterday's battles the Russians captured 289 officers and 15,501 men, of whom 2,499 were Germans. They also took six guns, 55 machine guns and seven bomb throwers."

PRESIDENT SIGNS CHILD LABOR BILL

WASHINGTON, Sept. 1.—President Wilson today signed the child labor bill. The ceremony was witnessed by Secretary Wilson, Senator Robinson, Representative Keating, Julia Lathrop, chief of the children's bureau of the labor department, and a large group of men and women interested in the legislation.

"I want to say that with real emotion I sign this bill," the president said, "because I know how long the struggle has been to secure legislation of this sort and what it is going to mean to the health and vigor of the country and also to the happiness of those whom it affects. It is with genuine pride that I play my part in helping this legislation. I congratulate the country and felicitate myself."

DISCHARGE OF GUARDSMEN DEPENDENT RELATIVES ENDS

BROWNSVILLE, Tex., Sept. 1.—No further applications for the discharge of college students serving in the national guard on the border or guardsmen with dependent relatives will be considered, according to orders sent by the war department to

Fort Brown today. It is understood applications filed previous to the cancellation order will be acted upon.

HUGHES TO VISIT GRAND ARMY CAMP

KANSAS CITY, Mo., Sept. 1.—The 50th annual encampment of the Grand Army of the Republic and the reunions of its auxiliary organizations will close today.

A visit from Charles Evans Hughes, republican nominee for president, the election of national officers and their installation and the annual "camp fire" of the National Association of ex-Prisoners of War, were to combine to make this one of the big days for the Civil War veterans.

Mr. Hughes is to arrive here at 5:50 o'clock this afternoon. He is to be met by an escort of veterans. The veterans yesterday selected Boston as the next meeting place. The camp fire of the union ex-prisoners tonight will be the last evening of the encampment.

KANSAS CITY, Mo., Sept. 1.—William J. Patterson of Pittsburg, Pa., was elected commander-in-chief of the Grand Army of the Republic at the annual encampment here today. He succeeds Captain Elias R. Monfort of Cincinnati.

DOROTHY GISH IN ODD PLAY AT PAGE

"Susan Rocks the Boat," a Triangle-Fine Arts photoplay, featuring Dorothy Gish, is the unusual name of an unusual play that is being pictured at the Page. Susan rocks the family boat when she becomes dissatisfied with the way in which a rich society girl, such as she is, spends her time. Susan gets out of the boat by starting in to do settlement work.

She has made this decision as the results of reading the life of Joan of Arc, and seeing herself in the character of the Maid of Orleans.

So dainty Dorothy set out to open a settlement house, reform a saloon-keeper and make bad boys drink ice cream sodas instead of whisky.

There is a glorious scrap in succeeding scenes and a triumphant finish.

"Bathtub Perils," The Keystone, has a laugh in every foot of film—or should one fit the title by saying a laugh in every drop of water?

VILLA BAND TAKES MEXICAN RAILROAD

SAN ANTONIO, Tex., Sept. 1.—San Ysabel, scene of the massacre of eighteen Americans by Pablo Lopez and his band and later capture of Lopez, was seized by bandits under Francisco Villa on August 29, according to stories told by mining men arriving at El Paso and transmitted to General Funston today in a report by General Bell.

The report quotes the mining men as saying that, having seized all available Mexico Northwestern rolling stock, Villa continued westward toward San Antonio. Santa Ysabel is about thirty miles from Chihuahua City.

DANA SLEETH IN NOT GUILTY PLEA

LOS ANGELES, Sept. 1.—Dana Sleeth, managing editor of the Los Angeles Record, appeared before Police Judge George S. Richardson today and pleaded not guilty to a charge of criminal libel sworn to yesterday by Mayor Charles F. Sebastian. Sleeth's trial by a jury was set for October 18. The action was based on the publication Wednesday of three notes alleged to have been written by the mayor to Mrs. Lillian Pratt of Los Angeles. An accompanying story revived charges of misconduct, of which Mayor Sebastian was acquitted during his campaign for the position of city executive last year.

DIED

BRIGHT—Mrs. John Bright at Maple City, Mich. She leaves a brother, Ross Kline, of Central Point, and Mrs. Harvey Walter of Ross Lane.

Mrs. Brown tells her grocer:
"Please send me some tea—black tea."
And he does!

But Mrs. Brown, perhaps, does n't realize that there are two distinct types of black tea: English Breakfast and Ceylon. And that she might like one better than the other. The way to choose tea is by taste. If you will send ten cents, we'll mail you the Taste Packet—the simplest, surest way to know good tea.

The Taste Packet contains four parchment envelopes of Schilling's Tea—Japan, English Breakfast, Ceylon and Oolong—enough to make five or six cups of each taste.
