GOVERNMENT FRUIT EXPERT VISITS VALLEY

Dr. D. T. Galloway of the department of agriculture, with headquarters at Washington, D. C., is spending a few days inspecting local horticultural conditions, and visiting the experiment station at Talent. He is making a general inspection of northwest conditions, and is interested in the work of Prof. Reimer in this valley, tests being carried on which will be of value to the government. Dr. Galloway goes from here to California, thence to Florida.

SAYS RUMANIA HOPES

(Continued from page one)
were no longer obliged to show any consideration for Serbia's former wishes in regard to annexation of territory. They could be more liberal toward Rumania.
Die Is Cast By Strategy.
In the middle of August, Bratiano came to terms with our enemies. He reserved for himself, however, the decision as to the time actual hostilities were to be inaugurated and attempted to make it dependent on military conditions. The king of Rumania up to that time had repeatedly given the most binding assurances that under all circumstances he would remain neutral.
Then events were precipitated. From information which may be considered reliable it appears that Rumania suddenly presented an ultimatum that she would cross the unprotected Rumanian frontier if Rumania did not begin war before August 28. Whether this ultimatum was a piece of comedy, prearranged with Bratiano in order to influence the hesitating king, I leave undecided, but the die was cast.
Lunch goods at De Voe's.

FOOTBALL SEASON OPENS TOMORROW

Both teams and field are in readiness for the advent of the football season, which will be ushered in at 9 o'clock tomorrow afternoon at Jackson field when the high school and alumni teams meet.

This game is in the nature of a try-out for the high school squad, the lineup being elastic with all candidates being given a chance to show their metal. The strongest of the local alumni material has been selected and promise to put up a stiff battle. Indeed Coach Klum of the high school stated this morning that he will be well satisfied if his squad holds the grade to an even score.

A large delegation of Ashland fans will be on hand to get a line on Medford's style of play, which will be the same as last year, with no quarter being used and four men played on the back line. Clam Hall will referee the game.

The lineup, subject to shifts was announced this morning, as follows: Backfield, Brandon, Young, Corum, Collins, Calhoun, Gentry. Watson; center, Rawlings and Stinson; line, Spahn, Parker, Abbott, Fields, B. Mitchell; ends, Wallace, Young, A. Mitchell, Vance.

GRAND MARKET GREAT SUCCESS

With everything to wear for all, from babyhood to old age, on display, the grand market for the benefit of wounded French soldiers was opened in the Cuthbert building this morning. From the opening of the doors throughout the day a large crowd of buyers was on hand.

Tomorrow an auction sale of livestock will be held with Pop Gates, welding the auction hammer. On the lot across the way from the building a number of pens of pigs and chickens are already on hand.

Tonight and Friday night a dance will be given on the second floor. Each dance will cost 10 cents and will be worth five votes. The young lady receiving the largest number of votes will be presented with a handsome necklace.

Those who were to contribute candy and pastries have failed to bring in their donations, and the management urges them to do so without fail tomorrow morning.

NEBRASKA RAILROADS DEFY COMMISSION

LINCOLN, Neb., Sept. 29.—The railroads of Nebraska refused to appear before the railroad commission on the question of cancellation of tariffs which the railroads claim are in conflict with the interstate commerce commission ruling. A brief was filed denying authority of the state commission as far as 85 per cent of the Nebraska rates are concerned where the interstate commerce commission has set rates.

ASHLAND AND VICINITY

Effective Sunday, Oct. 1, a number of changes in the Southern Pacific passenger train schedule will occur at this terminal. A new train, No. 17, will arrive at 5:15 p. m., and will not run further south than Ashland. It will bring the Portland morning papers, taking the place in this respect to No. 15, which will get here about 11:30 p. m. No. 13 from Portland will reach here at 9:45 a. m. instead of 11 a. m., as heretofore. From San Francisco there will be no change in No. 14, reaching here at 7:30 a. m., but No. 16 will be an hour later than formerly, 5:30 p. m. instead of 4:30. Both Shasta Limiteds, Nos. 11 and 12, retain their present schedules.

The extent of livestock unloaded of late in local yards for feeding approaches the congestion mark. On Thursday there were forty cars of cattle and thirty of sheep, with more to follow. Outside acreage was employed to relieve the stockyards. Most of the shipments are going south.

Fred Herrin has sold 2000 fine lambs to Portland buyers, delivery to be made early October. He left for the state fair at Salem on Tuesday to investigate what the big show has on exhibit this year in the way of prize sheep.

Judge C. B. Watson has returned from a business trip to Montague, where he has been for sometime past. The junior high school has formed an orchestra, supplementing the organization which senior students have had for some time past.

The Oregon district conference of the church of the Brethren will meet in Ashland during the week beginning October 4. There will be preaching each evening, together with an extended program covering the activities of the entire session. Among local representatives Rev. S. E. Decker and Miss Nellie Morton will take part. The church is located on Iowa street, opposite the high school. Meals will be served in the dining room on the cafeteria plan.

The Men's Social Service league has taken up the discussion of live topics, and at its meeting Tuesday evening of this week at the Methodist church, incorporated a number in an interesting program. Musical preliminaries were a quartet by Messrs. Bush, Carson, Enders and Smith, a solo by Dr. Tilton, and other selections. The main addresses were one by Rev. M. C. Reed, the subject being "Wet and Dry Issues for Oregon Voters to Decide This Fall," and another by Ben C. Sheldon, of Medford, on "The Pendleton Normal School Bill and Our Relations to This Measure." Nominally Mr. Sheldon is in favor of the Pendleton measure, this wish being father to the thought that the outcome may result in favor of the Ashland normal also at the hands of the legislature, and in support of this view his opinions were freely and optimistically expressed to the edification and satisfaction of those who have longed to see, as a matter of justice to southern Oregon, the normal school here re-established on a permanent basis to assist in meeting the educational demands of the state at large.

W. H. Bunday of Honolulu and a former missionary in the Orient, lectured in the Chautauqua auditorium on Thursday evening, his lurid topic metaphorically being "The World on Fire," a theme which was toned down considerably in the way of practical application. California florists recognize the merits of rare specimens in the way of buds and blossoms, even if grown outside the boundaries of the Golden State. Consequently Sam Peniston, one of Ashland's park commissioners, has recently received a silver cup from the Dahlia Grower's Association of that state as a special recognition of the merits of a dahlia exhibit which he made at San Francisco. The scene of the display was the Palace Hotel, and the specimens were new creations originating with Mr. Peniston. Duplicates of these rare beauties may be seen blooming in Ashland at the Anchor beds in the city park.

Born—To Mr. and Mrs. Lynn Purdin, at Montague, Cal., Sept. 24, a son. Lynn was formerly with the record here, and now publishes the Montague Messenger.

Miss Josephine Saunders, attending Reed college in Portland, was one of the party which sealed Mt. Hood last Sunday, the trip nearly ending in tragedy, due to the circumstance that Mr. and Mrs. Edlerstray strayed away from the main party. Miss Josephine is the daughter of Mr. and Mrs. Stuart Sanders and during the past summer was director of amusements at the children's playground in Lithia annex to Ashland's parks.

J. A. Forehand of Seattle, superintendent of the Postal Telegraph Co., in Northwest Pacific territory, was in Ashland this week on a business and social visit with W. H. Mowat, local manager.

Chief Clerk Arnsby, representing John M. Scott, general ticket and passenger agent of the S. P. at Portland, was in Ashland on Wednesday, perfecting arrangements with Agent Kramer, relative to the change in passenger train schedules, which go into effect next Sunday.

On next Sunday morning Rev. Philip Desher of Portland, official representative of the Anti-Saloon League of Oregon, will speak on the brewers amendment at the Presbyterian church, and in the evening at the Congregational church.

Staff photographers of the Southern Pacific, at work for some time past amid scenic attractions herenabouts, have taken a lot of the finest views ever seen in Ashland. The work is in puls ultra in the line of photo

development. The views will be used in connection with publicity purposes.

Mrs. G. H. Miller and Mrs. B. Bentley of St. Charles, Minn., arrived this week for a visit with old-time friends in the family of J. E. Crowson, residing on the Boulevard. The visitors are on the homeward bound trip, via Los Angeles.

E. F. Smith and son, Chet, returned on Wednesday from a trip to Klamath county, extending as far as Chiloquin and the Langell valley. Charles Healey, who has been visiting a son over in that section, came home with them. They went by auto over the Green Springs mountain route.

John and Ed Martin have gone north to pass the winter with relatives in the vicinity of Portland.

WILLOW SPRINGS

Mr. W. A. Thompson has returned from California, where he spent several days attending to business.

Mr. Joe Hoagland met with an accident Monday morning. While cranking his car the crank kicked back and broke his arm one inch above the place where it was broken last year when he fell off a step ladder.

On Monday R. W. Elden motored to Grants Pass on business.

The Southern Pacific is building a side track at Seven Oak station. The beet sugar company bought an acre of ground adjacent to the station for the purpose of handling the beets in this neighborhood.

The Willow Springs Grange met last Saturday. After the business session, refreshments were served and a general good time was enjoyed by all present. Everybody joined in a spelling match which occasioned a great deal of merriment. The party broke up near midnight. It was decided to have an oyster supper at the next meeting for which there will be a small charge per plate. Everybody come and bring your sweet heart.

Mrs. H. W. Davison entertained her class of Sunday school boys last Thursday evening at the home of Mrs. W. B. Harris. The evening was pleasantly spent in playing games and music, after which refreshments were served.

Williams and Berg Co., vs. Lyman O. Orton, summons.

SAYS HOT WATER WASHES POISONS FROM THE LIVER

Everyone should drink hot water with phosphate in it, before breakfast.

To feel as fine as the proverbial fiddle, we must keep the liver washed clean, almost every morning, to prevent its sponge-like pores from clogging with indigestible material, sour bile and poisonous toxins, says a noted physician.

If you get headaches, it's your liver. If you catch cold easily, it's your liver. If you wake up with a bad taste, furred tongue, nasty breath or stomach becomes ruddy, it's your liver. Salty skin, muddled complexion, yellow eyes all denote liver uncleanness. Your liver is the most important, also the most abused and neglected organ of the body. Few know its function or how to release the jammed-up body waste, bile and toxins. Most folks resort to violent cathartics, which is a dangerous, salivating chemical which can only be used occasionally because it accumulates in the tissues, also attacks the bones.

Every man and woman, sick or well, should drink each morning before breakfast, a glass of hot water with a teaspoonful of limestone phosphate in it, to wash from the liver and bowels the previous day's indigestible material, the poisons, sour bile and toxins; thus cleansing, sweetening and freshening the entire alimentary canal before putting more food into the stomach.

Limestone phosphate does not restrict the diet like calomel, because it can not salivate, for it is harmless and you can eat anything afterwards. It is inexpensive and almost tasteless, and any pharmacist will sell you a quarter pound, which is sufficient for a demonstration of how hot water and limestone phosphate cleans, stimulates and restores the liver, keeping you feeling fit day in and day out.

Notice of Sale of Real Property. Notice is hereby given that under and by virtue of an interlocutory Decree duly entered and given by the circuit court of the state of Oregon, for the county of Jackson, on the 17th day of August, 1916, in a suit therein duly pending wherein Almee Chipley Dann is plaintiff, and Wilbur W. Dann is defendant, directing the sale of the premises hereinafter described and appointing the undersigned as referee for the purpose of making the same, I will on Saturday the 30th day of September, 1916, at the hour of ten o'clock a. m. at the front door of the court house in Jacksonville, Jackson county, Oregon, offer for sale and will sell to the highest bidder for cash the following described real property situated in Jackson county, Oregon, to-wit:

Beginning at the northwest corner of the northwest quarter of the southeast quarter of section 5 in township 29 south of range 1 east of Williamette Meridian, Oregon; south 15 chains; thence east 20 chains; thence north 15 chains; thence west 20 chains to the place of beginning, containing 30 acres of land.

Also the southeast quarter of the northwest quarter of the southeast quarter of section 6, in township 29 south of range 1 east of the W. M. Oregon, containing 10 acres of land, more or less.

Also, the northeast quarter of the southeast quarter of section 6 township 29 south of range 1 east of the W. M., excepting and reserving therefrom the two following described tracts, to-wit:

First: Commencing at the northeast corner of the northeast quarter of the southeast quarter of section 6; thence south 5 chains; thence south 73 degrees 25 minutes west 20.84 chains; thence north 10 chains to the northeast corner of the southeast quarter of the southeast quarter of said section 6; thence east 20 chains to the place of beginning, containing 15 acres, more or less.

Second: Commencing at the southwest corner of the northeast quarter of the southeast quarter of said section 6; thence north 20 rods; thence east until it intersects the mining ditch at a big black oak stump; thence easterly to the south bank of said mining ditch until it intersects the section line between sections 5 and 6; thence south on section line to the southeast corner of the northeast quarter of the southeast quarter of section 6; thence west on the south line of the above described 40 acres to the place of beginning, containing 10 acres, more or less.

Subject to two certain mortgages thereon, the first of which was made, executed and delivered by said W. W. Dann and Almee Chipley Dann to William Degner and Nellie Degner, his wife, on the 24th day of July, 1908, which mortgage is now held and owned by John W. Maffley, of Chippewa county, Michigan, and on which there is now due the sum of \$2800 and interest thereon at the rate of six per cent per annum from the date of said mortgage until the 24th day of July 1917; and the second of which mortgages was made, executed and delivered by said W. W. Dann and Almee Chipley Dann, his wife, to Charles E. Chipley of Chippewa county, Michigan, on which mortgage there is now due the sum of \$500 and interest thereon at the rate of six per cent per annum from October 1, 1913.

Said premises will be sold at said time and place in the manner provided by law for sale of real property under execution, and the same will be subject to the confirmation of the above named court. Upon confirmation of said sale by said court, I will convey to the purchaser of said premises absolute title to the same in fee simple, subject only to the mortgages above set forth.

COURT HOUSE NEWS

Reported by Jackson County Abstract Co., Sixth and Fir Sts.

Probate. Gladys A. Helm estate, copy of receipt. Fanny Howard, estate, admitted to probate.

ITCHING TORTURE STOPS

It is unnecessary for you to suffer with eczema, ringworm, rashes and similar skin troubles. A little Zemo, gotten at any drug store for 25c, or \$1.00 for extra large bottle, and promptly applied will usually give instant relief from itching torture. It cleanses and soothes the skin and heals quickly and effectively most skin diseases. Zemo is a wonderful disappearing liquid and does not smart the most delicate skin. It is not greasy, is easily applied and costs little. Get it today and save all further distress. Zemo, Cleveland.
