ASHLAND AND VICINITY

The Rogue River Valley Ministerial association which is meeting in Ashland today, incorporates a number of interesting papers and addresses on its program. Dr. H. A. Carnahan, local Presbyterian pastor, speaks on "The Toleration of Evil," and Rev. A. J. Hoop, of Medford, treats of "The Inspiration of the Bible." Reviews concerning live topics are also being presented by Rev. L. M. Boxer of Grants Pass, and Rev. D. D. Edwards of this city, the latter of whom is pastor of the Nazarene church at Ashland. Rev. Melville T. Wire, of Grants Pass, is president of the association and Rev. W. L. Douglass, of the local Methodist church, is secretary.

J. B. Hunter, of the Sunset orchards southeast of town, has gone to the Canadian northwest in the vicinity of Lethbridge, looking over the country with land investments in prospect. He will also visit Altona Bowen, a Canadian settler formerly residing here. During his absence W. L. Moore of the Hollock district, is looking after Mr. Hunter's orchard and harvesting crops. The municipal political pot is boiling even before the general election is disposed of. Interest now centers over the city reorganization, for which office there are already three avowed candidates, in addition to three others who have not announced themselves. Those whose statements have appeared in print are J. B. Warner, at present member of the police force; W. H. Gundy, real estate and insurance; and Clyde L. Cunningham. The names of several candidates for mayor have also been brought forward, but thus far without authorization from the parties mentioned.

Miss Marian Towne, of Phoenix, was in the city on Saturday, coaching a class of ladies in the complexities regarding measures which are to appear upon the general election ballot. R. L. Bardick, well known former resident and now of Grants Pass, was in Ashland on a brief business call Saturday. Mr. and Mrs. Langford, of Tacoma, are in Ashland for a change of scene and climate in behalf of the former's health. They are stopping with Mrs. Goodyear on Church street. Elmer Ashcraft and wife, who have been living in the Chatin cottage on Hagadine Heights, have purchased the Renfrew property on Eighth street and are already in possession. Transfer was made through the Beaver agency. Elmer is chauffeur in the Ashland-Medford jitney service. J. Shultz, of Hornbrook, Siskiyou county cowboy who featured the Indian girls at the Ashland Roundup races, was in town on Saturday, having brought over some stock for local dealers. Shultz still clings to his cowboy togs, though he disavows any intention in participating in the Yreka rodeo. An entertaining novel, "The Song Beneath the Keys," has just made its appearance here. Added interest in the volume is due to the fact that the authoress, Mrs. Emma Beaver Byrne, wife of the governor of South Dakota, is a sister of the Beaver brothers and Mrs. Elizabeth Yockey of this city. The book is from the Roxburgh publishing house of Boston, and is dedicated in part to Mrs. Yockey, who furnished an introduction in the following poetic sentiment, terse words which imply a suggestion of the subject matter incorporated in the interesting story: "Oh, the words beneath the keys! How they baffle, wound and please! Now you have them—now they're gone— A song that's finished ere begun, Filled with roses and with leeks, Is my song beneath the keys."

Father Dolphin of the Catholic church returned to his home parish on Friday from a visit to Portland. At a recent meeting of the Brotherhood, No. 149, Fraternal Brotherhood, received an official visit from J. M. Martin of Seattle, representative of four states as manager of the order. To routine labors and exemplification of initiatory work were added social features. On October 30 the supreme president of the brotherhood, Mrs. Emma Neidig of Los Angeles, will visit Ashland, and in the meantime the lodge is organizing a class of candidates to be taken into full fellowship on that date. On October 4, at San Francisco, a marriage license was issued to Arthur C. King of Hill, and Miss Angeline Neil of Ashland. J. D. Grady, Southern Pacific agent at Dixon, Cal., and well known up and down the line in interstate territory, has retired on a substantial pension after having served the company for thirty-eight years. He retains the agency of the Wells-Fargo Express. A harvest ball at the Nat on October 27 promises to be a notable and elaborate autumnal fete. Half a dozen committees have been appointed, general arrangements being left to Miss Lillian Patterson and Mrs. Susie Praehl. Complimentary to her friend, Mrs. Dr. Webster of Phoenix, who leaves soon on an extended eastern trip, Mrs. Caroline Scherman entertained a dozen lady friends, all mutual acquaintances, last Friday afternoon. Teachers, members of the school board and their wives, and Mr. and Mrs. Homer Billings, were present at the high school last Friday evening at a reception in honor of and to bid farewell to Miss Charlotte Kennard, previous to her departure for Virginia. No formalities marked the proceedings. There was music, and delicious refreshments were served under direction of Miss Ringheim, who presides over the domestic science department of the high school. Owing to the teachers' institute, including Jackson and Josephine county instructors, which meets in Grants Pass on October 11, 12 and 13,

local schools will be dismissed on those particular dates. Mr. and Mrs. C. Johnson, who have lived here and in surrounding towns for some time past, contemplate removing to southern California this fall. The matter of widening the entrance street to the park system has been satisfactorily adjusted. For a nominal consideration, G. F. Billings has sold to the city a barn lot located in the right of way, and D. Peruzzi has granted the use of a strip adjacent to it, free of charge, for street widening purposes. In moving to the park hotel, G. W. Trefren will include his law office, in addition to a change of residence to that location. In vacating Pioneer block he leaves offices located in one of the most prominent of the town, build in early days near the Plaza. Unable to agree over proposed charter amendments which would imply a radical change in the management of the park and springs commission activities, the city council and Commercial club will attempt to agree get together on some sort of a merger plan regarding these commissions which will prove satisfactory to all concerned. A. B. Gardner of Santa Ana, Cal., arrived last week to join his family, who have been here for some time past, and are now domiciled in the former property on Granite street, occupied by Mrs. Anna Pendleton. Mrs. E. W. Gardner, also of Santa Ana, accompanied her son to Ashland, and the family will visit a month in this vicinity. Mrs. C. H. Veghte is visiting her other, Mrs. Baldwin Beal, at Santa Monica, Cal. In disposing of his ranch east of town, formerly the Erb place, G. W. Kernard will soon move to old Virginia and locate on a plantation near Lynchburg in the midst of the agricultural belt. Rev. R. W. Farquhar, pastor of the Congregational church, has resigned, to take effect November 1.

One of the first parties of the season occurred last Wednesday evening at the Nealon home when about twenty five of the young people decided to give Harry Nealon a birthday party and coming in about nine o'clock unannounced gave him the surprise of his life. The evening was spent in playing amusing games until a late hour when refreshments of elder and doughnuts were served after which all departed feeling that the evening had been well spent.

In the morning a splendid program was given at the courthouse, consisting of vocal solos by

fully two weeks more to finish the harvest. James Penland and John Cameron took a hunt into the Evans creek country last Sunday but report poor luck. The digging of sugar beets will commence in a few days in this district and it is hoped to complete the task this month. The beets will be hauled to the loading station at Agate. Mr. Walruff and two sons who have been employed at the Washburn orchard for some time have returned to their home at Beagle. The Wyland cattle are being pastured at the Pendleton ranch. M. M. ROME, Oct. 9.—A mountain 8167 feet high at the head of Vanoli Cismon valley, northwest of Trent has been captured, says the official statement given out today. An Austrian attack in the upper Boite valley, it is added, was checked by the Italians. HAVE ROSY CHEEKS AND FEEL FRESH AS A DAISY—TRY THIS! Says glass of hot water with phosphate before breakfast washes out poisons. To see the tinge of healthy bloom in your face, to see your skin get clearer and clearer, to wake up without a headache, backache, coated tongue or a nasty breath, in fact to feel your best day in and day out, just try inside bathing every morning, for one week. Before breakfast each day, drink a glass of real hot water with a teaspoonful of limestone phosphate in it as a harmless means of washing from the stomach, liver, kidneys and bowels the previous day's indigestible "waste," sour bile and toxins, thus cleansing, sweetening and purifying the entire alimentary canal before putting "more food" into the stomach. The action of hot water and limestone phosphate on an empty stomach is wonderfully invigorating. It cleans out all the sour fermentations, gases and acidity and gives you a splendid appetite for breakfast. A quarter pound of limestone phosphate will cost very little at the drug store but is sufficient to demonstrate that just as soap and hot water cleanses, sweetens and freshens the skin, so hot water and limestone phosphate act on the blood and internal organs. Those who are subject to constipation, bilious attacks, acid stomach, rheumatic twinges, also those whose skin is sallow and complexion pallid, are assured that one week of inside-bathing will have them both looking and feeling better in every way.
