Deafness Cannot Be Cured
By local applications, as they cannot reach the diseased portion of the ear, there is only one way to cure deafness, and that is by a constitutional remedy. Deafness is caused by an indurated condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a running ear, or a discharge, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out, and the tube restored to its normal condition, hearing will be destroyed forever, unless you use the method of Dr. J. C. Cheney & Co., Toledo, O. We will give you a hundred dollars for any case of deafness, caused by catarrh, that cannot be cured by Dr. J. C. Cheney & Co., Toledo, O. Take Hall's Family Pills for constipation.

For County Sheriff
As deputy in charge of the sheriff's office during the past two administrations, I have acquired the experience and ability so essential to an economic and businesslike conduct of this important office.
I promise, if elected, rigidly to enforce all laws and shall do all in my power to bring law violators to justice. I am fully conversant with all the duties and requirements of the office and will maintain it in its present efficient condition. During the past three years many important changes have been inaugurated in the handling of tax collections. The work has been so systematized that the employment of only one extra deputy was necessary in the collection of the second half tax installments. All delinquent taxes for past six years have been carried forward on last tax rolls, and a ready abstract of all taxes is to be had on any property in the county by referring to the current tax rolls. During this time a large amount of money has been handled in an honest, conscientious and businesslike manner, as will easily be seen by referring to the detailed reports of expert accountants on file with the county clerk. These results have been obtained by experience and close application to work. Believing that my labors as deputy sheriff for the past four years will merit your further approval, I ask your support in the coming election.

OLD-TIME GOLD CURE - DRINK HOT TEA!
Get a small package of Hamburg Bread Tea, or as the German folks call it, "Hamburger Brust Tee," at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teaspoon full at any time during the day or before retiring. It is the most effective way to break a cold and cure grip, as it opens the pores of the skin, relieving congestion. Also loosens the bowels, thus breaking up a cold. Try it the next time you suffer from a cold or the grip. It is inexpensive and entirely vegetable, therefore safe and harmless.

RUB RHEUMATISM FROM STIFF, ACHING JOINTS
Rub Soreness from joints and muscles with a small white bottle of old St. Jacobs Oil
Stop "dosing" Rheumatism. It's pain only, not one case in fifty requires internal treatment. Rub soothing, penetrating "St. Jacobs Oil" right on the "tender spot," and by the time you say Jack Robinson—out comes the rheumatic pain. "St. Jacobs Oil" is a harmless rheumatism cure which never disappoints and doesn't burn the skin. It takes pain, soreness and stiffness from aching joints, muscles and bones; stops sciatica, lumbago, backache, neuritis, limbic and cut a 25 cent bottle of old-time, honest "St. Jacobs Oil" from any drug store, and in a moment you'll be free from pains, aches and stiffness. Don't suffer! Rub rheumatism away.
